Topics of the Week.

Cheate and Evans for Buchanan.

One by one the men who sustained Clay. and Websterone by one the orators and statesmen who shed such lusfre on the old Whig party-one by one, the men who "join themselves to no party that does not carry the fing and keep step to the music of the I nion" -are declaring themselves for the "Favorite Son of Pennsylvania," and raising their voice against the sectional agitators who, under the lead of Giddings & Co., are using Col. Fremont as Let us continue to labor with them. a cata paw for their treasonable designs. Week after week we have chronicled the names of men of this character, and now we add to the list the illustrious names of

BUFUS CHOATE of Massachusetts, and GEORGE ENANS of Maine. Both these gentlemen have represented the old nd their respective States in the Senate of the

the Black Republican press, that the Democratic party and first the old White hald that the Constitution carried, or legalized alarsty in for Basianan and Micheartige in the territories, was a gratuitons falsehood-that no such | almost the entire body of dostrine was laid down by any Convention property an- given duarater to that they, therized to sounciate the principles of the party. To likewine, Let the reader, the in of illustrious names that used it meets step to the par-

the Union." under the hanner of Gaay had Webster, compare that list with that of the man who now. the black flag of Fremout and Diston, "keep ste. to the music of sectional agitation, in fit, washes a create one that he recognizes. He will not see there a loar - of Ewing, or Winthron, r Chy, r Parts or Price of the extract quoted could, by any fair construction, be tor ured into the service to which the Gazette puts it, it would Reid he will not see one solitary name that he unfore ! not prove that the Democratic narty maintained the duegave celat to the Whig party, nor a . detaily man that the trine under discussion ' As a Lawyer Mr. Randall may mass of national Whire four years ago would have entrus believe that the Constitution carries Slavery into the tertad with the destinies of their tarty, or the position of a ritorics, as a Whig he may believe it; and as an individual he has a perfect right to maintain that position by ar as Giddings, and Chase, and Hale, and Summer, and We

gument or otherwise, but no man, much less Mr. R., will ron, and Hamlin, and Johnston, and Success-throe ontend that such belief forces the Democratic party upon fourths of whom are renegades from the Democratic ranks, resentatives from other port one of the Union, or any renegades, too, because the Demourary know them, and his platform. And the same is true of our friend Glancy Jones, of "old Berks." Mr. J. is undoubtedly a firm and consistent Democrat; but neither he, nor any other man. position, or their fidelity to principle. This, we repeat is an creet a platform for the National Democracy; that a significant sign in the polyteen beavers. And it is a community in June, in which all the interests of the whole work is left for the National Convention, and upon the

principles laid down by that body we are willing to stand r fall. Nu declaration can be found in the Cincinnati platform affirming that the Constitution carries slavery into the territories. Certainly the resolution quoted by the Gazette does not. That resolution is in these words : "Resolved, That we recognize the right of the people of all Ferritories, including Kansas and Nebraska, acting through the legally and fairly expressed will of a majority of actual residents, and whenever the number of their in-buluant institute in the form the constitutes. abitants justifies it, to form a Constitution, with or with out domestic Slavery, and be admitted into the Union up-

mention of the fact, that the cost of y Now does the above affirm that the Constitution carries Premontism in Erie County the max who could be have be in the represent the distribution of the results of the slavery into the territories? Not at all ' It only affirms the right of the people who settle the territories when they form a State Constitution, to "come into the 1 nion Convention of the County - Labor Survey where upon terms of perfect equality with the other States." It four Heaven to rule in a climite in it. . . aves the question of domestic servitude in the hands of temperament, so the example we refer to we as sollal the neurile who form the State. In short, it leaves the from the ranks of the Democracy to rule of the ranks of question whether a man may hold slaves in a territory, those who plot treason to the Constitution, at 14 struction where it should leave it, in the hands of the Supreme to the Union ! But as such men as Chatte, and Econe. Court of the United States. If a man has a right, under the Constitution, to take slaves to a territory, that Court addle to help Hale, and Gillings and it will say so; and if he has no such right, the same high "vauling ambition," -o have we great faith to be even the tribunal will so decide. It is not a quastion of policy,

our home example will not find the old fid, ow is not enthen, but a question of him ; not a question of mornile, but a question of legality, about which legal minds honest'y differ! And hence, it is not a question proper to be decided-ary more than a disputed land title-upon the rosmistaken; it may be that "Fremont and Fre-dom" baye trum or in the Halls of Congress. Whatever right the pecultar alkaline properties, and that the cand dute once Constitution gives in the premises. Congress manot take thoroughly diped in that "rushing t crent," as a consider away : and what it does not give, Congress cannot bestew. Hence we affirm that this question is an open one-not an and fit to lead even those why were taught to " shrink fur fir tin, n" of these sont open one for political discussion by the demagogues of par-

ty ; but an open one for legal investigation and argument "vaulting ambition" from a far of firer torganite a + it as before a proper legal tribunal. And this is why the Demmay be, we repeat, that we are contakened on the thethe ocratic platform neither affirms nor denies the doctrine .-we have ascribed to our ancient ties, the soll White-The Democratic Convention did not meet to decide legal Krie--too much self-respect. But how has questions, but to nominate Candidates, and determine the their pardon, and will agree hereafter neverpoints y upon which the government must be administered. credit for either political constants rational

shall not venture to counsel the whigs of Maine, but he In noticing the fact that Judge Thompson addressed a deems it due to trankness and honor to say that, while he : Democratic meeting at Meadville last week, the Gazette entertains a high appreciation of Mr FILLNORE, he does says that it "doubts not he would feel better at kenrt if he not sympathise with the objects of the party that nomina. | had joined Curtis, Scofield, Richmond, Kriek, and Lewry," ted him. Practically, the contest is between Mr. Bi - in their present political course. This is a doubtful com-CHANAN and Col. FRENONT. In these circumstances he pliments to Judge Thompson ; but as both the Editor and should give his vote to Mr. BUHANAN' His capacity is Proprietor of the Gazette "feel on much better at heart" universally acknowledged, his life is without a stain ,- since they have got into bed with these gustlemen-parand he represents more completely than any other that | ticularly the last named -we suppose the Judge will have sentiment of nationality-tolerant, warm and comprehen- | to stand it.

sive-without which America is no longer America. But ; we need not elaborate , the name and fame of Mr. C. will Very Proper. Hon. (igonos Evans, the most eminent whig statesman tised to speak here on the 27th, "distinguished Ruffans;" Malue ever produced, addressed the audionce in a speech | and alds "Could a more corrupt banditti be organized should define his position, and "be ready always to give of about two hours' logth. He read copious extracts to suffered to prowl among Pennsylvania freemen." Such an answer to every man that asketh a reason of the hope trum the writings of Washington and Jefferson to show language is very proper from a paper that has declared that is in him " and in obedience to this daty in the the absurdity of the plea set up by the republicans for a that the "freedom of a megro is worth more than all the exercise of this right, I feel called upon to loso, very t return to the policy of the fathers, inasmuch as the republicants for a Union's God's universe can hold." To be called a "ruf- briefly, with the broadest liberality and respect to the return to the policy on the inducts, thanking and the reput-lican party are such as were most sternly denounced and fan" and "banditti" by the author of such an infamous opinion: of others, whose reflections may have brought i repadiated by the patriots of our early history. In this sentiment, is the highest graine emergency Mr. Evans said "If we have no fing of our The Hickories again in the Field. own flying; if we have no trumpet to call us as whige : if, amid the smoke and dust of the strife and conflict of oth-to-day, and will be addressed by Judge Thempson, Marer parties, I can see the flag of the Union flying any where. if, amid the noise and din of arms, I can hear the trumpet bragging, as usual, on North East, but we gness they have to say, that that party was in all minor positions perfect ticket of the Union sounding the rally, I shall not stop to inquire crowed before they are out of the woods.

who leads the forces that protect it." This announcement of the position taken by Mr. Evans was received with great cheering.

Beston on his ven-in-Law

The New York News says it is permitted to publish the try. It usually arrives here some tweive hours in adfollowing brief note addressed by Col Benton, some vance of either the Tribune or Times; in fact, in every esmonths since, to a gontleman who desired to obtain mate- sential of a good newspaper it is about that much shead of rial for writing the life of Col. Frement. It is interesting either We recommend it to our friends. as exhibiting the emphatic and early hostility felt by the Missouri Senator toward the unwarrantable ambition of his son-in-law, and his decided condemnation of the "Republican" candidacy

WAREINGTON CITY, Tuesday, April 15, 1856. Sin Your request for material to be used in writing a memoir of Col. Fremont, has been received. I suppose it is with a view to be used in the election with which bis ame seems to be connected, and as I am entirely oppee in that movement, I can do wothing to promote it is any way. Respectfully yours, THOMAS H. BENTON.

In addition to the above pertinent and concise repudiation of the "husband of Jessie," we refer the reader to the etter of Benton, written since his defeat in Missouri, upon the same interesting subject. In that letter Col. Beaton toes not hesitate to say that the election of Fremont would ne "injurious to the public by aggravating the sectional feelmy which arrays sach half of the Union against the other." From such indications as this, our opponents can see the ioom which awaits them in November.

Quarrel as Democrats may, while there is no great crisis Pass it Round. at hand, and while they can afford to indulge in rivalries | We do not believe much in loading newspapers, but would and enmities-it only requires the approach of a great con-Inst, the appearance of peril to the institutions of our country, to consolidate and harmonize their ranks, and to published on our entside, sheald pass his paper to his cause them to forget minor differences in the common in- neighbor, and thus give one of the strongest and most every department of life.
