### THE WIFE'S REVENCE. A SCENE IN A PARISIAN BALL ROOM

Two years since, a young, beautiful, and rich lady of Bologna, married the descendant of a family well known to history, whose illustrious name was all the fortune which the bridegroom

possessed; but the generous Bolognese in the ardor of her attachment, overlooked the poverty of the lover, in the hope and expectation of a proper return to her disinterested love.

being on an excursion to Venice, they formed an sufficient to bring by sociamation his un mim auacquaintance with a family from Paris A nomination with applause." young widow of that family, very gay, beautiful,

and fascinating, and possessing a profusion of stolen tresses which might have done honor to the head of an Eve or an Ophelia, attracted the attentions of the Marquis Della R----- Her other charms might have failed, but her beautiful ringlets were irresistible, and, forgetting the

attractions of his young and lovely marchesa, whose rich dark hair would have vied with a Canello, a Cornora, or oven a Juliett of the Capulets, he becamed enanared by the fair head of he lively Parisian.

After a month the family, including the widow you would succeed. • I was also disappointed in returned to Paris, and in another "little month," my own, but do not regret having made the canthe Marquis received a pressing call to Rome up vass; nor do I consider as lost, the 'abor in travon business of importance; and leaving his lady | eling and speaking which it cost me The exeron business of importance; and leaving his lady (cline should spreading with a provide the leaving of the month of the month is the provide the source of the month of the source of the sourc means of a friendly letter, apprizing her that her husband was increasent in attention to the bland est of brautics, and her constant escort to the to have an unwelcome roception. My only regret Theatre Italian and other places of amusement The lady called her brother to her counsels, and they concluded to follow the marquis to Paris with at delay . Provide to her deporture. the lady was busy in making researches of a sin-

its intestine broils had furnished traditions and memories of melancholy estastrophies by steel consideration requires to be calmed and poison, and not few were the modes by which ; There is a design here, on the part of some, to sure and sudden death might be inflicted

the present countess of Buissy, (La Gui ciola of "enough to keep at a distance all that class of Lord Byron, ) one of these poignards or blades | persons who, dishonorable themselves, could apof crystal, manufactured in the Lagunian Island preach a man with a disbonorable proposition. of Murano, in the cavity of which was concerted But my sentiments are known and that I should a subtle poison, and which upon the blade being ; consider such a step as injurious under every asbroken in the body, became diffused in the blood | pect-mortifying to Fremont himself, from the of the victim and caused instant death

lady agree notices of the family of the jealous tional feeling which now arrays each half of the arrandlet me thow tou how cheap throws are and at lady agree notices of an heir toom in form of a tional feeling which now arrays each half of the arrandlet me thow tou how cheap throws are and at lady agree notices of an heir toom in form of a tional feeling which now arrays each half of the arrays and let me thow tou how cheap throws are and at lady agree notices of an heir toom to form of a tional feeling which now arrays each half of the arrays and let me thow tou how cheap throws are an arrays are an array are arrays and the arrays are arrays are arrays are arrays and the transition of the arrays are array are arrays are array arrays are array arrays are arrays array are arrays are ring, concealed in the setting of which was a Union against the other I was opposing the small gold globe, and in the interior of which | bringing out of Fremont, for nearly half a year was inserted a poison similar in its offects to before those who charge me with promoting it prussic acid This could be borne in the mouth knew of any such design. There are cases in

Letter from Col. Benton.

The following letter from Colonel Benton to General Price, (the defeated Benton candidate for Congress in the Boonville district,) appears

in the St. Louis Democrat : Sr. Louin, Aug. 10, 1856 TO THOMAS L. PRICE, ESQ., Dear Sir :- I was disappointed in the result of Niss L. T. GULFORD,

Dear Sir: -- I was disappointed in the result of your election, as the signs in the district as I went through it, encouraged me in the belief that you would succeed. • I was also disappointed in my own, but do not regret having made the can-vass; nor do I consider as lost, the 'abor in trav-eling and speaking which it cost me The exer-tion theorem and content the short in trav-eling and speaking which it cost me The exer-tion theorem and the short in trav-the lengen of the short is to be ment the short is to fing and this lor the short is to fing and the short is to be ment the strength of the short is the short is the short is to be and the strength of the short is to be and the strength of the short is to be and the strength of the short is to be a short is the short is to be and the strength of the short is the short is the short is the short is to be and the strength of the short is the shor and nowhere more cordially than in the border counties, where some people had supposed I was was that I could not remain longer at each place Personally, the canvass has been most agreeable to me, and politically, I think it has been good f r the State, in helping to revive the sentiment

of nationality, and contributing to allay the feelgular nature The troubled times of Italy during hing of sections antagonism, now too strong for the safety of the Union, and which every patriotic

put up an electorial ticket for Fremont, about I myself was shown at Ravinna, in 1846, by which no one speaks to me, as I have obaracter

without dinger, unless crushed between the teeth which public duty rises above personal considers-

tion, though there are a great many people who marchesa arrived at Paris, and was received into ported Jackson, (with whom I had been on ill they believe others to be equally so, and attack,

ny her, and the hour impatiently expected at above the appreheusion of their political moral

complexion, dark eyes and hair, she was superb, not yet known here, but enough is known to determine the condition on which our electoral tie in her deportment, the haughty beauty strude ticket is to be withdrawn. The other side would the room, (the crowd opening as she advanced) not agree to our proposition; but this refusal to the room, (the crowd opening as she advanced) and proceeded to a little solon lighted by lamps among flowers, and at some distance from the orchestra. There she awaited her dreaded rival and her compaion, intending to appear suddenly before them, confound the lady, freeze her in-constant husband by a glance, and then to com-plets the catastrophe. The pair arrived. Taking her friend by the hand, the marchesa arose, putting into her mouth band, the marchess arose, putting into her mouth | Debates in Congress." and return in October. at the same time the fatal ball. The metal is that being a work which I can carry on here Very truly and sincerly yours THOMAS H. BENTON.

RICHARD G. H. RRON.

ring which time circumstances brought us togeth. er upon terms of friendship, approaching at least

tainiliarity. We entered Congress together in JUBT restrict 60 White and Colored Crape Shavis, plain and rich controldered, worth from \$5.50 to \$60; also Block Filk, 18.51, and served together, a part of the time Solid and Loss Shavis, are styles, which we are selling at very low

the deadly find would be ejected, and the would fail a corpse before the thunder stricken pair.— Behold this beautiful woman receiving attentions with a smile upon her countenance, and holding in her mouth the subtle poison which was scon to consume her, and yet with an aspect of appa-rent satisfaction! The marqus was waltzing with his beautiful blonde. Restraining her emotion, the marchesa chose a station where, in the turns of the dance, she would have the most favorable position to barst upon theor, when a conversation between a neighboring couple attracted her attention. "Do you ser," said a young man, the Baronne de\_\_\_\_? "How elegant she is this evening." "An Italian—a Roimai, I believe—who, they say, adores her for her beautiful blonde treeses;

"An Italian—a Roman, I believe—who, they say, adores her for her beautiful blonde tresses; satisfed, perhaps, by the dark haired damsels of the enternal city" "The fair tresses of the baronne!" said a third one, who had joined the other two as the convert the memory of victories won by their unit. "The fair tresses of the baronne!" said a third one, who had joined the other two as the convert the memory of victories won by their unit. "The fair tresses of the baronne!" said a third one, who had joined the other two as the convert said a third of the memory of victories won by their unit. "The fair tresses of the other two as the convert the memory of victories won by their unit."

sation began: "truly, they are very charming, but my sister, who was in the same convent with enjoyed under the present Constitution;---if all Frieduce 14 [SS.]

If the enormous covering, you will perceive it is not strong enough to bind us together as one not native to the head " At this moment the breathless dancers halted near the group. The marquis was addressing some words to his partner which caused his lists ening wife to think of the ball she carried in her mouth, while the baronness was re adjusting her draws and this great and glorious Bepublic would spring up of her head, as if to be assured that all was safe in that quarter. Suddenly a new thought scenned to possess the source to possess the source to pay armies and leaders—seeking aid against to pay armies and leaders—seeking aid against to pay armies and leaders—seeking aid against to the rest. Normality of the patient for there reare the provent to this all hers here the provent to the source to the patient for the provent to the second to possess the to pay armies and leaders—seeking aid against to the provent to the second to possess the second to posses the posses to possess the second each other from foreign powers-insulted and
