We have said that Kansas enjoyed profound more a month ago Let us contrast that conon with her present condition. Let us see! at a state of affairs the invasion of Lane has wed And to do so we will rely upon black polican authority. A correspondent at Leavworth of the New York Tribune writes under m of August 29 :

"We have never before had times so perilous sa present It seems as if all our citizens t become involved in the civil tumult. No se State man who has taken any part in politimatters is safe for a moment. Nearly all ch men have left either for the States or for he interior of the Territory; and pro-slavery en who have heretofore been moderate in their nduct are now leading bands of ruffians.

N. determined to adopt the One Price Cash System. The only
true system of business. Bunil Profits, quick sales and No Talking
will be our motto. In turning ever this new last in our business
we believe we can offer various good and substantial reasons why
every person should buy their goods at our busy mear of trade.

Lat. We make it a point always to hese every thing pertaining to
the Dry Goods business, and are constantly on the lock out for novelties, or new things in the trade.

2d. We have the benefit of long experience in the trade, which
enables us to knew when goods are to be bought cheep, and the
knewledge to discriminate between good bargains and what are not.
This name experience teacher as that more profit can be made

senectly.

4th. If at any time for any rescon, we wish to change the price of pools, we will mark them down. By this arrangement the child can trade as well as the parent or person of maturer years, as far can trade as well as the parent or person of maturer years, as far as regards price.

5th. If at any time goods bought of us are not satisfactory, or prove to be not what they were represented, they can be returned and the money or goods will be given in exchangs.

6th. To emable us to enlarge our business (which we hope to do under this system) we will nell for cash, charging interist on all open accounts after thirty days. By this arrangement parties having goods obarged are placed upon the same facting with those who pay cash. We will open accounts with none but those who are "Book Bottom."

A. A. RAMBET, M. D., ALMOR, MORROR Co., IOWA, writes, lept. 6, 1861: "During my practics of many years I have found southing equal to your CEERRY PECTORAL for giving case and re-ted to consumptive patients, by curing such as are curable." We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects need Consumption.

Probably no one remedy has eyer been known which cared a many and such dangerous cases as this. Some no human old can reach, but even to those the CHERRY PECTORAL affords recan reach, but even to those the CHERRY PECTORAL affords rebef and comfort.

BOCTOR ATES, LOWELL: I feel it a duty and a pleasure to itsmore you what your CHERRY PECTORAL has done for my wife.

She had been five months laboring under the dangereous symptoms of Consumption, from which no aid we could procure gave
her much relief. She was steadily failing, until Dr. Strong, of
this city, where we have come for advice, recommended a trial
of your medicine. We bless his kindness, as we do your shell,
for she has recovered from that thay. She is not yet as strong as
she used to be, but is free from her cough, and calls herself well.

Yours, with gratitude and regard.
