He said he never, in the whole course of his life, felt more regret at being unable, upon this consion, tri address his fellow citisens, who had so with the Union. met in friendly communion for the Union upon ground so sacred. On his way hither he find been called upon so frequently to address the conganisation was been under the anglement organisation was been under the anglement or the same organisation was been under the anglement or the same organisation was been under the anglement or the same organisation was been under the same organisation. people, that his voice had been rendered ex- of tremely hourse. He was totally incompetent to predicted was at head. His warning and solemn make himself heard by the vast assemblage pressuadmonition to beware of geographical parties had ent, and could not do more than to address those within the sound of my voice, intending, in a had be depicted this sectional party. He believed few earnest words, to an ak of our common country and its interests

He said there were present to day thousands of Kentuckians, who felt that they had the right to assemble upon that blood bought ground, where their fathers had united before with their Indian brothers, in defence of our country from sectionalism. Search the roll of patriotic dead, a foreign and a savage foe That man must be blind, indee i, who did not consider this Confed eracy in danger. The enimosity, vindicativeness and ill-will shown toward the Southern portion of it and its people by a new party, might do between two nations at war with one another, but as between brethren of our common country it was reprehensible, and if persisted in would lead to disunion. The geographical line feared by Washington had been drawn, and it was a portentions omen of evil

The difference was not between individuals but difference between one community of men a gainst another-an array of States against States This was no time to deceive He would express his convictions that fifteen States believe that the Republican party was making most persistent efforts to create vindictive feeling in the minds to the calls of her country. In all the limits of of the people of the other portion of the Union, your State not a battle field could be found which against the South To create this unnatural prejudice it had been charged that it was the de sign of the South to be aggressive upon the North-to use the federal powers of the Govern ment to propogate slavery. This was not true Whatever extent he might be authorized to speak and will Indiana join with any sectional party for the Southern States he pronounced it untrue for the Southern States he pronounced it untrue which seeks to prevent us from enjoying so He was connected with no political organization priceless a boon? He had no fear of it. The which desired to extend slavery, nor was be connected with one that opposed the free expression of the voice of new communities upon this and all other domestic questions The Demy- that cannot be mistaken, that you will not cratic party had endorsed the principle of leav ing the people of the Territories free to say for themselves whether they should have slavery or not He was in Congress when the Kansas Neb rasks bill became a law, and if it had proscribed the North, he would not have voted for it. Had it proscribed the South he would not have sanc-

pro-slavery nor an anti-slavery party, but a Con-brothers stitutional party. One reason why the Demo After the conclusion of his address, Mr Breck cratic party had remained a united party, was inridge was greeted with rounds of cheers and because of its adherence to allow plain, simple applause.] truths, embodied in the Constitution of our country The Democratic party, adhering to the plain precents of the common bond of Union, had been compelled, in justice to itself, to oppose a The following sermon was picked up in the United States Bank, a Protective Tariff, and street this morning. We would take pleasure in when the new organization called American, or returning the property to the owner if he was Know Nothing, arose, it was likewise compelled known. Is it possible that political preachers to oppose it. if true to its principles. But those are prowling about us? There appears a slight questions had past, and he had no motive to, evidence of plagiarism in the production; but bring up what was gone. In reference to the that fact goes but a little way towards identifyorganization of which he had spoken, he would ing the author .- Ed Cherry Valley Gazette

I'm not gwine to preach Christ crucified to State, by themselves. The beauty of the Amer. day, but like the other saints as are sheddin monwere the accidents of the principle It could reads thus: not be charged that one system of Government was a failure because the people of Rhode Island cows, purchased with gov'ment money." had been at war with one another as to the form

tional party? That they should come in, each your heads in sorror for the extra tax. The monas sisters. All of the thirteen colonies were slave ey come out of your pocket as well as mine, for holding States once—at the time the Constitution | my tex mys: was framed, twelve were so. Because this was so, would they have done right to have refused the admission into the Union of free States ?--

Clearly not The disturbances in Kansas were but the pretext for ulterior designs. An angel from heaven sould not satisfy the sectionalists, whose designes were to get up a party in this Union to make war upon the South. The boldest of them iele shrick for freedom. But the critter was avow it—the mere caudid demand universal around, kickin and crossis his legs, and cuttin emancipation everywhere. In their platform they declare that the Declaration of Independence, with its whole abstract truths, is embodied in the Constitution of the United States. That now what was the little bairy joker born? That's portion which guarantees life, liberty and happiness, is claimed to all persons, without distinc-tion of color and the federal power of the government are constructed to give them power to him, and dressed him, and parted his hair in the control and regulate the domestic institutions of middle, and let him run wid the cows, for my tex of the States. If this doctrine prevail, he asked, says: can such a party be expected to administer the government under alimited constitution? Pow. era were constructed by them sufficient to disolve the Union. To accomplish this, one half of the

Union was to be arrayed against the other.

It was in vain to tell the people that the Renublican was not a sectional party. In formstion, purposes, objects, boundaries, it leaves out one half of the Union. It eats the country in two and declares its purposes as a Northern party time in Filadelfy, whar he was nucsed to life by to take nomenation of the government in a manner Horace, haptised in niggerism by Thurlow, and most insulting to the South. What was the condition of affairs? State was being arrayed against State, the Northern frontier was the some | for my tex says : of bloody strife, and all the appliances of money and systematic effort, in and out of Congress, ased to array the people of the two sections one against the other. Language of bitterness, obloquy and hatred was uttered against the people of one portion of the Union by this sectional

This government was composed of people and States. How would, he asked, fifteen States No, my frems feel estracted from the Confederacy? Could not plicitly sea, the fulminators of this strife pause long enough
to see the consequences? It was claimed by them that they sought the control of the government to promote the "general welfard" of the subject that makes the ker grow strait, the limbs tremble, and a cold freeze grawl all over majority, and were to take exclusive possession of the government, would it promote the "general limbs tremble, and a female seminary? Of the government, would it promote the "general limbs that goes to a female seminary? Of Eric, July 8, 169;

And now my dear breechers, I approach a part And now ment of July the month of July the month of July the month of July or not at all. As sumit to part out and the highest ments price for Burley. These wishing to change their ments contracts into specific call the year to pay CAM, and the highest ments rate of the part of the part

welfare !" Would it tend to "ferm a more per-

welfare !" Would it tend to "form a more perfect Union!" The gentured discord was abroad in the land, and the day predicted by Washing, ton was upon us. The meaning of this sectional movement wit, that the States shall not live as our fathem lived tengenter, in paper, harmony and union. The triample of this party would corracise the Sputh, from participation in the uffilirs of the government. Who believes, its said, that this Union can survive when the ideptions of the people are said up. When the weekman entered the forest, he belted the tree, and when girdled, the up which heat it alive quant to for.

the Fether of his Country. The day he not been heeded. With what terrible distinctness this party had sit for the portrait, and that Washington had painted it in colors that would never fade,

He referred to the memories of Clay and Jackson, quoting their language in evidence of the fact that they had always discountenanced said he, and look at the illustrious living, and you would find their names all on the record against this movement. The testimony of the dead and the position of the living were against this movement. He meant no offence to those who differed with him, but this was honest conviction, and he held to no sentiment that he was not willing to utter in any quarter of the country.

If the Union was to be searred by fanatical hands, shall Kentucky and Indiana be separated? He would recall the time when these States were closely united together -when they stood with arms locked in fraternal brotherhood. Terether they had defended this soil against a foreign and savage for Kentucky, though her people were few and scattered never turned a deaf car had not been the receptacle of the blood and bones of Kentuckians And, to day, we stood upon the ashes of her dead, where every turf was a soldier's sepulchre We want, said be, to share with you the blessings of this government, old men and the young around him, the matroes in the dignity of womanhood, and the maidens in the prime of beauty, tell me, in a lauguage (Cries of never, never!)

It was full time that you were aroused for the safety of the Union—the peril is upon you. Then let your exultant shouts be that you will cling to that Constitution and that Union under which we have heretofore lived so happily; and record a vow, never to be broken, to never unite with sectional parties to divide the Union with section-The Democratic party in endorsing the princi- al lines Frown down disunion and disunionists pte of the Kansas Nebraska bill, had from its The beautiful Ohio, then, will continue only an very nature, to take the position It was not a imaginary boundary between a community of

Cheering Hewe for Parents And Children!

WM. NICEF'S GHERMAN WORM CANDY!?

PIERASANT, ask and certain WORM DESTROYER! This
chandry has been tried by thousands in Europe and the United States and found to be beyond all doubt ease of the most certain
and effectual Medicines ever yet discovered for the complete destruction and expansion of WORMS from the human body—its
action is certain; no matter how keep they may lie insbeded in
silms. Thus Natural Antidets, soken discovered for the complete desments, comman them to take the desines of these their bedgements, comman them to take the desines of treat to except the action
of this their mercalejes. Worms will not remain in the system that
eoutsine this Antidete. They mannet endure in effects. A lit not
early expels thom, but dissolves the subcell to when the present of the proper tows and destructive in its assects on Worms it is

are nourished, and thus strikes at the source of the evil, by taking away their means of existence and propagation. But thempt sanching is its operations and destructive in its effects on Worms it is yet mild and gentle in its action on the Human System; correcting and requising the Stonnech and Bowds, and issving them in a natural and healthy condition. And further it is.

EXCEEDINGLY PLEASANT TO THE TASTE,

Melting in the Neuth of guickly or Sugar, and or resulting taken by Children or may other Candy.

Read what is said of it by those that have tried it

HARBORCREE, Eric Co., Pa. (April 2, 1856.)

MERREM. CANTER & BROTHER.
Genta:—A child of mine, nine years of age, parted with six tw
worms in the course of two days from the contents of that box of
Nick's German Werm Candy which you sent me a short time age.
She suffered neither pain nor sickness from the operation of the
Candy. A medicine so effectual as that has proved to be in my
family and at the same times so pleasant and easy to take, ought to
be generally known, and that is just the reason and the only one I
have for sending you this statement. You'r truly,
JOHN CASS

ANTI COSTEVR AND LIVER FONDER.

Each ingredient in these Powders is in itself a wholesome medicine and adapted to meet and correct some symptom in the above own plaints. They are perfectly for, and red need to a very fine powder contain meether sugar, acid nor slookel, and are, therefore, mountain for firm part on the stomach, as is successful. After and Sympa, neither we then before using turning a color of the very fine powder contain meether sugar, acid nor slookel, and are, the red to firm and leave them more easily that moves and to the artist of fine and leave them more easily that the case with a first and leave them more easily that on the contrary the neutralness and also be the first an artist and acid, and reader it harmons, gently stimulate the diggestive original, acids the Liver, and finite the cowers to move with case and regularity, thus removing through the natural outlets of the body whatever chairment the first and reclaim action of the various original, when Emark becomes the natural result. And thus in die in so gently and on a medicine, green by the improvement which have been taking a medicine, green by the improvement which have been taking a medicine, green by the improvement which with any of the difficulties for which these powders are monomined ket.

TWENTY THARE OF EXPERIENCE
In the treatment of a chast of diseases hitherto neglected and impactedly understood, has healthed Dr. Einhelts, (Joseph or our's on Self Processon) to prove that gine-tenths of the enness of Nervous Dablity, Long and Constitutional Weatmen, survival and physical suffering, are treasable to certain health, browing the used physical suffering are treasable to certain health, browing the used source yet deadly such initia spained of dementic minery and presentative marketility.

There is an over health seasestable marketing in vy beyrs, in solithale, often growing up with these to mentioned, and within, if not no immediate the province of protracted, insidicate and departabling affections. For of those who give way to this permicious processo are curses of the consequences, until they dead the nervous grytem shattenest, feet attange and measesematable facilians and vegus facts in the mind.

The unfortunate thus affected becomes feeble, is unable to labor yith accurate thus affected becomes feeble, is unable to labor yith accurate thus affected becomes feeble, is unable to labor yith accurate the facili irresements and engages in he speats with less energy than assai.

If he canacipate hithestif before the practice has done its werst,

tactly and weak, he is dell, irpessints and engages in his sparts with less energy than assail.

If he smandpate himself before the practice has done its worst, and enter matrimeny, his marriage is unfreitful, and his sease tells sint that the is enseed by his early folliss. These are considerations must be in mosel by his early folliss. These are considerations which should assain the situation of these smilerly situated.

M. A. R. I.A. C. R.

Requires the falfillment of several conditions in order that it may be really the cause of southal happiness. Could the vail which coverf the origin of demostic wavehadness be raised, and its true source is every instance disclosed—in how many could it be traced to physical dispatilishmines and their attendant disappointments: Apply then while it is yet time, in order to have your unstrung and relaxed erganization sobread, serviced and strengthened.

R. M. E. M. E. R. B. R.

CADWELL & GRISWOLD

Eric, May 31, 1886.

DO YOU WISH A GOOD PICTURE!

DOUBTLESS every one who procures a daguerrootype destree to have the "counterfeit precentment" of himself as near perfect as nature, assisted by art, can make it, and to this end, we would edvise every body to trust to their own good judgment, rather than that of any committee, whether such committee hets in the name of the Eric County Agricultural Society, or in the name of any other society. We would also caution those who desire such protunes to let marit not here desired their chosen in an GROC' RIES QUE'NSWARE AND HARDWARE Is fall and desirable. We have just received an elegant sort of Labora Colora, Underslevers, Worked Bands, Rid, Silk and Liste County Agricultural Society, or in the name of the Rrie County Agricultural Society, or in the name of the Rrie County Agricultural Society, or in the name of any other content with all qualities and the figure and continues for part from a suncere thanke to our liberal length and continues for part from the patronage.

All KINES OF COUNTRY PRODUCE BOUGHT:

To which the highest market price are paid. No 3, Perry Block.

"All County Agricultural Society, or in the name of any other society. We would also causion those who desire such pictures, to let merit, not brag, decide their choice in section, and continues for part favors, and hope by strict attents to the laboration of the patronage.

All KINES OF COUNTRY PRODUCE BOUGHT:

To which the highest market price are paid. No 3, Perry Block.

"All County Agricultural Society, or in the name of any other society. We would also causion those who desire such pictures, to let merit, not brag, decide their choice in sections of the properties o

"But 'us some justice to ascribe to chance;.

The wrongs we might axpect from ignorance;

None can the menids of their creation choose,

We therefore must their ignorance axonse,

When hern too lew to reach at things sublime,

'Tis rather his misfortune than his crime."

The undersigned weald, therefore, say to all those in
want of a good Degaerrectype to call as his Gellery, between Brown's Hotel and the Reed House, and examine tween Brown's Hotel and the Reed House, and examine
the best pictures, the best assortment of materials, and the
best sky light in this city. Don't be humbugged, but in
the language of an eloquent southern brother, "search the
scriptures," and you will find that the best and the pretender "plays upon a harp of five hundred strings," and
that, like his pictures, there is not one of them "perfect."
Erie, Jan., 12, 1856.—35 E. H. ABEL.

ARGE, Ceristen, and Placeson

ERRIBIY FOR VIVOR TO

THE Proprietors offer these Wafers to the Fully
roughly testing them, and can confidently recensas a CERTAIN and SAFE REWEDY for Experting watier system. They contain no Calomat for Marcury is
and may be given to the youngest infant with princ.
The wafers are tree from the objections to most other as
as they are pleanaut to the tasse Children will est the
driv as Candy. Of all the disseases which are common
rous, none are so fats to them as worms. They are a
done free from them. And as worms instale the synunter diseases, they often produce alarming effect waspecied. Read the testimony of one of our most respectable Masors Burlen & Harron

Graju, I have for some been prescribing your "Authermatice Wafers" and that in my long practice I have never yet found or and placeson room by for worms" as the Wafers professor. I am daily reconcending them to my friends and I am thappy to may in every instance with the manicross. They have never lined in a single concentration of the have never lined in a single concentration with earthware height of the properties of the state of the contract of the single contract of the properties of the properties of the position of the properties of
