Dr K's Treatise on the Eye and Ear, may be had without charge, by any one having a malady of either of those organs Buffalo, September, 1856

From the Dankirk Joarnal RESTORATION OF SIGHT

We take pleasure in calling the attention i of the afflicted to the following Card The cure bir open shees obstructions to which females are liable, and bring is a remarkable one, fully establishing in this | nature into its proper channel, whereby health is restored, and the community, Doctor Knapp's skill in the treat. ment of the Eye and Ear paie and deathily countenance compare to a mentry one. No tenate struction takes place, whether from exposer, cold, or any other struction takes place, whether from exposer, cold, or any other struction takes place and the function and Maltree La struction takes place and the function and flatter form exposer, cold, or any other struction takes place and the function and flatter form exposer, cold, or any other struction takes place and the function and flatter form exposer, cold, or any other struction takes place and the function and flatter form exposer.

"For five years I have been severely attlicted cause, the general health immediately begins to decline, and the with one of my eyes. I have had much medi-smong vourg females Headnche, pain in the side, palpitations of est treatment, but without benefit. Through the the heart, loathing of food, and disturbed alsop, do most always arise recommendation of H A Rivley of Dunkirk, I from the interruption of nature ; and whenever that is the case, applied to Dr Knapp, Oculist, of Buffalo; who the Pills will invariably removed all these evils. Nor are they less applied to Dr Knapp, Oculist, of Bullalo; who is now at Ward's Hotel, onco a week, in this village I was then totally blind in the affected be are to cause a misoarriage. Warmaned purely regetable, and ge; the outside of the ball the Dr said, had free from anything injurious to life or health. Full and explicit begun to decay, and the eye would soon run out; directions accompany each box. For sale by Stewart & Sinclair had I deferred it a week longer, he could have done nothing for mc. 1 am most happy to say the there are no agency established, by enclosing One Dollar in a letter, prepaid, to Dr C. L. CEREMENTAR, No. 207 Bleesber streeb that he has restored the sight, and brought back | Ver Yord City, can have them sent to their respective addresses by the form and brilliancy it the eye I can now return of mail see well with it, and the eye is nearly as perfect as the other After removing the disease, the has been a discovery made in the Materia Medica, where

Doctor took off the heavy films from the eye by pain can be so quickly allayed, and where parts in a high state without one particle of pain ELIZABETH TUCKER

DUNKIBK, September 5, 1856 Town of Sheri-

From the Frie tonast:

A CASE OF AMAUROSIS "I fool interested to state, that I have been tearly blind with Amaurosis, for ten years, with my right Eye. Also, that for the last year I isd begue to lose the sight in my left (ye—all spects appearing as if in a smoke or tog. Hear-isg out Dr. Knapp, Oculist, of Buffalo, was at Bown's Hotel, Erie, I applied to him for rehef. He has nearly restored the sight of the left Eye, and with the right (which has been affected ten term. years I can now see to read common print.

I consider that I have been saved from total Nisdness-as no one before held out any hopes Hall, in Esgle Village. of restoring my sight. My Eyes looked to others i The electors of Harborcreek township to meet at the of restoring my sight. My Eyes looked to others to be pertectly well; but the world was growing dark, by a malady of the Optic Nerve. A O HILL, of Summit, Eric Co, Pa, Ears, July 11, 1856. WM BEATY, Esq, Broker, at Erie A non of this gentleman had Discharge of the Ear, hine years. Entirely stopped. CASE OF SCBOFULA OPHTHALMIA. The electors of Amother of Wattaburg borough to meet at the school house near Chaffee's.

 and years. Entirely stopped.
 CASE OF ~CROFULA OPHTHALMIA.
 "Daughter of R W K, Eeq, of Erie, Pa., age 17 years This young lady was severely afficied The ight was painfully insupportable, pain in the head, with a discharge of tears night and day These are the two prominent charac-teristics of Scrofula Inflammation Usually the and day These are the two prominent on an original transmission Usually the bouse No. 2. Individual is unable to sleep much at a time, and only by burying the face in the pillow. In addition to these symptons, Miss K. had an in-dition to these symptons, Miss K. had an increasing ulcer on the glass of the Eye, and could act.walk alone The cleators of Franklin tewnship to meet at the Tucknot walk alone.

After a reasonable time she has been enabled to bear the light. The ulcer is disappearing, and she walks alone freely. Continues to visit Dr K at Brown's Hotel, to complete the

From the Girard Rebublican SIGHT RESTORED. "My wife has been severely afflicted with between of the Eyes for five years. I had several breat doctors to treat her, but without essential breat, till I placed her under Dr. Knapp's Watment, (the Oculist of Buffalo,) now at barta's Hotel, Girard, each Saturday at 3 P. At that time she could with difficulty more At that time she could with difficulty mayo those without assistance, and could not bear the j ight a moment. Now she can walk aloue any. where; does her own work at home, and is con-A. T. HAY, of Plates, Erie Co., Pa "
