Small Profits, quick sales and No Talking we believe we san offer varieum gued and substantial reasons why every periors should buy their goods at our business we believe we san offer varieum gued and substantial reasons why every periors should buy their goods at our beasy mart of trade. Ist. We make it a point always to beep every thing pertaining to the Dry Goods business, and are constantly on the look out for zor-stics, or new things in the trade. 2d We have the busefit of long experience in the trade, which involvings to discriminate between good baryains and what are not. This maw experience teachers as that more greefit can be made by a salform rate of prices than by the very common manner of

This same experience tenches as that more profil can be made by a salform rate of prices than by the very common manner of "jording." Bd. You will find our goods all marked in plain figures so that "he that runs may read." There will be no variation from the marked price, as every article will be marked as low as we can pa-sibly sell it, or as low as any persons can sell who gets his goods howevery. 4th. If at any time for any reason, we wish to change the price of goods, we will mark them down. By this arrangement the child can trude as well as the parents or person of maturer years, he far as regards price. 4th. If at any time godin bought of us are not antisfactory, or worve to be not what they were removement, they can be retarrent
