[Concluded from First Page.]

years I was her father's clerk; for two I was her affanced husband. I do not wonder your blue trodden the valleys. eyes turn to me with that startled expression, and I can hardly understand now how I ever

even surn to me with that started expression and I can bardly undertand now how I sets in the started bardly on the started

Well, at last, my artist aspirations triumphed over every obstacle. I abjured the mercantile carer, which nature never destined for me, and which only stern necessity compelled me to seek, and, with the assistance of several friends, I went abroad, and remained in Rome three vears. Ah me! what promises of consinncy have those red lips rained into my thirsty heart! what to their own use. Amurath IV. forbade the use sweet tears from those May blue eyes have dew. of sauff, under pain of having the nose cut ed my forehead !

"But we parted. The next year her father "No' u-eful plant could have withstood such failed. Julia was an only child and a spolied attacks. It before this invention a man had one. Admiration, social excitoments and elewant surroundings, were pecessities to her.

"She had not issuer riches to meet outer po vert v, and not moral courage to brave the change in he." circumstances.

"There was little apology for her, though A you extract an empyreumatic oil, a single drop remnant of her father's fortune, sufficient to secure his small family from want, was secured vulsions. Suppose we offer this plant for sale, to it. But just before the failure, Mr. Stowell, chopped up or reduced to a powder. We will the milliona.re, had seen and greatly admired her | sell it very dear, and tell the people to stuff the Now he offered himself, and his elegant house powder up their noses " and fine horses were weighed in the balance with the love of the poor artist, and after a struggle -no I have since learned from one who knew her intimately-the selfishness of the lady triamph | tax. As to the portion we chop up, we will tell , ed over the heart of the woman One month them to inhale it, and to swallow a little amoke they were betrothed, the next they were marri. from it besides."

"For two months I had not heard of my betrothed, and her silence perplexed and slarmed feel giddy, spit blood, and suffer from choice, or me.' I did not doubt her constancy-I would sooner have distrusted the love of the mother that you know, although it has often been said that bore me, but I feared that sickness or some other how completely man resembles the knife, of which evil had overtaken my idol.

"One day I sat in my studio at Rome, when the blade first and then the handle had been a package was brought me. How eagerly I un. changed two or three times: In man there is no rolled it! But I searched in vain for the fair, nature left-nothing but habit remains. People delicate chirography whose very sight thriled will become like Mithridates, who have learned the pulses of my being. It was not there, and to live on poisona." in my disappointment I dropped the letters and ""The first time papers to the floor. At last I half unconsciously will feel sickness, nausea, giddiness, and colics; lifted one of the letters; opened it, and the first but that will go off by degrees, and in time he lines my eyes rested on were those that an- will get so accustomed to it, that he will only nounced the marriage of Mr. Stowelt, the mil. | feel such symptoms now and then-when he
