News of the Week.

-A stranger named R. H. Cleveland, was murdered as St. Louis, on Sunday-last. About afteen minutes previous; to his death, he had paid his bill at the hotel, and was accompanied by a man named William Sharp, and the jury of inquest found that the deceased had been stabled by said Sharp, who disappeared immediately after the death of Clevgland. The two had been travelling together, selling mules Sharp was about twenty years of age. Cleveland was from Lafayette, Indiana, wherehe had a wife and two children. \$300, a gold watch, and some certificates of deposite, were found on his person. A subsequent num ber of the Republican announces the capture of the mur derer in St. Charles Co , after a hard chase by the Chief o Police and says, Sharp is a scion of quite a romantic family. He is a nephew of the Mr Sharp who was killed in Frankfort, Ky, many years ago by Beanchamp, and the trial and story of which, at the time and long afterwards, occupied so much of the public attention. Prisoner is well connected in the county where he formerly resided clear, on the score of heated blood and the absence of malice prepense. He is at present lodged in jail for safe keep

Thresher Lyons-who has run such a rig among the women, through advertisements for a wife, a house keepe. a governoss, robbing a bundred or two of their virtue and their money-was convicted, eighteen years ago, of stealing a watch from a woman in a house of ill fame in London, and sentenced to death buthis life was spared through | We ward to be told, before the opponents of the the intercossion of several Americans, and be was transported to Australia for life. He made his recent escape from the United States because a Yankee whose sister he had round was hunting for him in New York with the unit compete with the "pauper labor" of Europe arowed purpose of blowing his brains out on sight. The To make railroad iron, and realize therefrom Tribune says there is a moral in this felon's history, "which resonable profit, could not be done, according t we prefer that confiding young ladies of a romantic dispositaches (especially if attached to a perfect stranger.) should subjected to the highest kind of a duty. Nothing like it. Nothing like it, is the common re, mark of those that have used the Balm of Gulead for Coughs, Colds at citc. It acted like a charm.

Letter from Mr. Sewell.

MESSARS. CARTER & BROTERE, ERIS CO., Ps., Aug 20, 1866

MESSARS. CARTER & BROTERE:

I have used your Baims of Giles d in eases of colds and cough, both for myself and children—being compelled by the condition of my healts to have frequent recourse to medicines of that class—and can unhesitatingly say that I have never yet used any that gave such prompt said effectual relief. I can use truthfully is regard to it the common expression, "It acted like a charm."

I the common expression, "It acted like a charm."

A Third IREAD THIS ... Messar Canter & Do. German Mosm Candy is certainly the most effectual Duan Robe Worm Medicine that every I got hold of, and I have trued different Duan Robe Worm Medicine that every I got hold of, and I have trued different Duance Management of Proceedings of the Control of the Co kinds on my children and have also had the Doctors to prescribe for them, but none ever did up the business half so effectually as had four or five children who were found crying of my children and the result was that not less than I so Hen-DRED animals of various sizes vacated the premises to the very great relief of both children and parents. These are facts and therefore ! recommend it as the most valuable worm remover that I ever | remove | recommend to see an ambitab this shadows |

> Fairview, Dec. 10, 1956 The Reader will observe that the Candy used in the above case ras the German Worm Candy which is always of two kinds, Red and White—and is Propared by no one but the Proprietors.
