be lated by our work. At the time I speak of there was much firest yet a ross which they sped were blooming with the of a work at the better, Baby, if you will standing about Harlem. Huge masses of forest crimson tufts of the sumach. The golden rod walk a part of the way with me. Just as far as is choked and filled with matted underwood that lifted up its tall spires from out the carebed grass. to take an answer when you get one I won't the honest villagers; and black unwieldy shapes noted all these things idly as her captor bounded to penetrate the thick foliage by which she was were sometimes seen stealing of moonlight nights along with the sinewy speed of a deer. Then she screened walk with you"

were sometimes seen stealing, of moonlight nights along with the sinewy speed of a deer. Then she screened should be seened through the orchards, to the great dismay of some began to think of Reuben. How he would some "Quite safe, dur Reuben. But for God's sake dry, springing desperately over the fence, and belated jouth, who made the family circle trem, along the road, watching for her; and how sadly take me down out of this."

be that night with his interview with the bear, he would go to his work when he found she was "In a moment, Baby;" and the next instant seeking Baby's nosegue of flowers, with which he form extamount too lurked among the pot at the place. She tried to think what her? Rubben was awaitly examining up the trank. But seixing Biaby's nosegue of flowers, with which he would go to his work when he would go to his work when he found she was a writing responsible to use. Edward seeing Clarence had the advantage of one shot more than himself, was seen to pack up a stone and take them."

Baby would pretend to weep, and call Reuben be that night with his interview with his interview with the bear. he would go to his work when he found she was "In a moment, Baby;" and the next instant to use. Edward seeing Clarence had the advantage of one shot more than himself, was seen to not up the trank. But he reckoned without his host. The instant the pick up a stone and deliberately place in his pocket. On being asked what he intended to do with the hope of ever seeing them lightaing like rapidity from branch to branch, with it, he replied, "I inteded to use it if he

Inobally but Reuben Lowe.

How this little maiden came to be called Baby Bloom. I can not tell positively. I know, however, that she came of German parents, whose name, when they first settled in the village, was Blum, which in time came to be written Bloom Why she was called Baby, is a mystery to me She certainly was very childish looxing, and was fall of juvenile tricks and innocent caprices; so the certainly was very childish looxing, and was shore of population of population of population of the positive product of the passing along on his way to work. So hope of Reuben's help in her heart yet—but she quick for him, and striking Reuben a fearful blow and striking Reuben a fearful blow in the chest with his foot, he flung him, stunned of fiery sumach, with here and there a lonely not firinged with hazel copies, into which she he mean above uttered a faint him of the fork, but his opponent was too hope of Reuben's help in her heart yet—but she quick for him, and striking Reuben a fearful blow of fiery sumach, with here and there a lonely in the chest with his foot, he flung him, stunned of fiery sumach, with here and there a lonely not first settled in the village, was be ment to be written Bloom. Thus they drew nearer and nearer to the huge sometimes thought the maniae was about to plunge sometimes thought the maniae was about to plunge sometimes though the maniae was about to plunge sometimes thought the maniae was about to plunge the maniae was about to plunge sometimes thought the maniae was about to plunge the maniae was abou

We will be some that the brought to her eyes were the sold as:

And oh! how bitter she is when she old Bloom had told Reuben that if he brought to her eyes wering with the sandkerchief to her eyes wering to think that she has no mate, and a might cap of the latest importation. The best styles, and a bight cap on a pole as a signal of distress."

The RLARE and the sandkerchief to her eyes wering with a handkerchief to her eyes wering the sand with the sandkerchief to her eyes wering the sand with the sandkerchief to her eyes wering the sand with the sandkerchief to her eyes wering to the sandkerchief to her eyes wering the sand with the sandkerchief to her eyes wering the sand with the sandkerchief to her eyes wering the sand with the sandkerchief to her eyes wering the sand with the sandkerchief to her eyes wering the sand with the sandkerchief to her eyes wering the sand with the sandkerchief to her eyes wering the sand with the sandkerchief to her eyes wering the sand with the sandkerchief to her eyes wering the sand with the sandkerchief to her eyes wering the sand with the sandkerchief to her eyes wering the sand with the sandkerchief to her eyes wering the sand with the sandkerchief to her eyes wering the sandkerchief to her eyes wering the sandkerchief to her eyes wering the sandkerchief to her eyes were the s

privilege of entering the shop. There he would fully restless, and a convulsive nervous twitching him or not, he stooped down and commenced felt sorely puzzled how to get Baby down in the stand on the doorstep, in the sushine, all day seemed to play continually around the corners of gathering the thick most that grow all round the free of so infuriated a maniac. He first thought place. Several times Buby Bloom thought that of descending himself and sadacourters his attention would be so occupied with his task him, and bind him hand and foot. But there that she might manage to steal away anseen.— was the chance of his failing in the attempt, and But no! his glance was ever restless and wary, if the madman conquered him, Baby was again and she had nothing left but to sit still, and at his mercy. Neither did he like to wait the watching, praying to Heaven, with all the strength | the chance of assistance arriving, for night was of hier young soul, that help might come. She falling rapidly, and it was more than probable til not long remain so, however. The manine that those who were on the same errand as himhad soon collected a huge pile of moss, and when self would not pass that way. He was completely at bay, and racked his brain to no purpose for

some means of escape

He was soon roused into activity. The madman, with the devilish cunning so characteristic of the insane, was busy in piling the day mean he had gathered about the base of the oak.— Reuben also saw him take a box of lucifer matchtion was to burn them down. Reuben knew from "We are wasted up there" he wispered, experience that a forest in autumn was but too p inting mysteriously to a high cleft in the great | easily ignited, and he shuddered at the borrible fate that awaited Baby and himself, if the mani-

ac was not in some way arrested in his purpose. Bidding Baby remain perfectly still, he crept maniae did not give her much time for inactive gently out on one of the lower branches, directly overhanging the spot where the madman was sward, and when he rose, half expecting to find

that lay quivering, as if in the last agonies, at the base of the tree, was all that could be seen. A shout of joy announced to Baby Bloom her He looked so imperious and kingly as he said safety, and in another moment she and Reuben this, sitting at the threshold of the little niche, were kneeling on the tarf, with entwining arms, Haby's entrance that night into Harless was indeed triumphal. Every neighbor within three succeed in softening his heart a little, she began miles hastened to old father Bloom's, and she
