OF LICONING. FOR SUPREME JUDGE, HON, ELLIS LEWIS. OF PRILADELPHIA.

FOR CANAL COMMISSIONER. NIMROD STRICKLAND. OF CHRSTER

News of the Week.

-Mr. Thomas Rae, of Toronto, Canada West, brother o Dr. Rae, the Arctic, traveller, contradicts the report that his brother is about to resume the search for further traces of Sir John Franklin's party. He says the Doctor's in tended voyage to the Arctic regions is for the purpose of completing the survey of that part of the coast of America yet unexplored. He also states that no further expedition will be sent out by the government to prosecute a further search.

-It is sail that the Emperor has bestowed a gift of five hundred thousand france on the widow of the unfortunate American who was shot by the sentinel in the debtor's prison of Clichy. This is kind and considerate and reflects great credit up in the Emperor. One hundred thousand dollars does not go far toward restoring the last hasband to the beconved widow, but it may help to get

-The Albany correspondent of the N. Y. Sunday Times says "Poor Connery has been up here looking half frightened to death, and is coming the pitiful and the tear dedge over the governor. But the latter's blood is up, and no weeping or waiting will do the business. Connery's days are numbered."

-The story about the poisoning of rate at the National Hotel, Washington, and the consequent possoning of the guests proves to be no hoay, but a sad fact. The story as our readers will remember, rugs thus: Rate had become very troublest ne at the house. It was determined to exterminate them by paison. The deadly potion was duly administered, and swallowed by the "varmints." As they were severally attacked, they rushed for the watertanks to allay their thirst. In this manner the water became poisoned, and all who drack of it became more or less affect. ed The consequences are likely to be serious to several the victims was President Buchanan, who has not yet recovered. Hum. J. Glancy Jones is seriously if not danger. onsly ill. Hon. John L. Dawson is haid to be lying at the point of death at his home in Brownsville: while Mr. Spencer of Columbus, Ohio, has died from the poisoning.

-By the law of the late Congress, the Postmaster tienoral is authorized to establish a regular coach mail between the Mississippi and San Francisco. He is empowered to contract for either a monthly, semi-monthly or taking one or the other of two wagon roads just establishbeen appropriated; for the semi monthly, \$450,000, and for the weekly, \$600,000.

... The Rocketter Union contains an extraordinary state ment of a case of needle mania, prepared by Dr. Charles Summer, of that city, which the editor says has been verified to his own satisfaction. A young lady in Otsogo courty was laboring under a terrible mania, which impelled her to thrust needles and pieces of wire into her flesh, where they remained until removed by surgical aid. Dr. Sumner, who attended this young lady, has extracted from her body and limbs the enormous number of three hundred and eighty.

-The Executive Committee of the Pennsylvania Agricultural Society held a special meeting in Pittsburg recently, when it was decided that the 29th and 30th days coive proposals with regard to the locality: - David Taggart, N. McCallister, Juo. C. Pleniker, Amos E. Kapp, A. R. McIlvain, and John P. Rutherford.

... The beary snow which has fallen on the mountains in the Var, France, has driven numbers of wolves down to the plains, where they have committed great destruction among the flocks of sheep. The snepherds adopted a stratagem to accomplish their destruction. They injected the dead carcass of an ass with poison, which the wolves devoured, and six of them were found dead the following

did before the grand dispersion took place. The following are emeng the important bills passed, in addition to the

monal appropriation bills:
Providing for a reduction of the Tarif. The bill providing for an overland Mail from the Miselectrofile San Francisco.

The bill increasing the pay of Army officers, with an feeretary Boris. The Fertifection Bill. The Pest Rente Bill.

The Bill to compel Witnesses to attend a many before Congrussianal Committees. The Onleage Bill.

Our State Ticket.

The gentlemen composing our State Ticket are so widely known that it seeins almost a needless task to speak of them in detail, but the mass of citizens, those who pay more attention to their daily avocations than to the immediate history of our public men, expect to receive through hate decided the following important points the public journals, some of the particulars of the history of those to whom they expect to give their suffrages at our

annual elections. Gen. PACKER is one of that numerous class in Ponnsyl vania who have risen to prominence by their cwn unaided determination to occupy positions of importance and usefulness. His starting point, was that school of great men a Printing Office. He received the appointment of Auditor General from Gov. Porter, and we believe previous to that, he exercised the daties of Canal Commissioner by appointment from the Executive. In 1848.9 he was Speaker of our Legislature, and soon after this was elected to the State Senate, where he was conspicuous as a de

For the Supreme Bench, we have the present learned Chief Justice of the State, Rillis Lawis, who was lected some six years since to the place he now holds, an ore he has gained a high reputation as a jurist. In the body 2d. The rights of citizens of the Union, in the Constitution applies "in terms" only to such the Union, in the Constitution applies "in terms" only to such the Union possessed at the time of the adoption of the Constitution.

2d. The rights of citizens of the United States immigration. that put him is sommation again, a paper was precedued and read, which spouks souther in favor of his qualifies.

Constitution, which defines in this, as in all other respects, tions and fitness for the position he now occupies. It was a letter addressed to the democratic delegates of Philadet phia, signed by a large number of the members of the bar of that city of all political parties, asking them to do all of that city of all political parties, asking them to do all that lay in their power to bring about his re nomination, delegate any such powers to a territorial government or delegate any such power gard, but great consideration for his eminent abilities as Judge. We are glad to see that party is not to control entirely our judicial elections. The gentlemen who have generously signed the letter in favor Judge Lewis, are clearly determined not to permit politics to bias their minds in selecting the judiciary. We have no question that the nominee of the democratic party for Supreme Judge will be elected by a large majority.

Of our candidate for Canal Commissioner, Nurse STRICKLAND, the Pennsylvanian says, "There is no man in the Commonwealth who has, throughout life, manifested n the Commonwealth who has, throughout life, manifested with his master, to Illinois, with a view to temporary residence that dence there, worked his emancipation. He maintained Judge Strickland. Ardently attached to the Democratic party, he has given the best energies of his life to its service, and few men have labored more selou-ly and officiently for its success. Connected with that staunch old Democratic paper, the West Chester Republican, as its editor, for near fifteen years, his vigorous and industrious pon was ever busy in sustaining great principles, and his pon was ever basy in sustaffing great principles, and his congress could govern them only with the restrictions of political services as an able and convincing writer, were of a very important and useful natures. Notwithstanding 1820 violated the leading features of the Constitution, and the widow's portion of Dr. Burdell's estate and An imposing income to mediapatched to Mex. of a very important and useful natures. Netwithstanding his straighforward political course, however, his high Judges the moral character and unswerving integrity have always brought. secured to him the respect and esteem of the members of all parties, wherever he is known. As an evidence of this. he was last year elected Associate Judge in Chester county persons who were guests at the hotel at the time. Among Ticket was in a minurity of several hundred. No stain or blemish mars the purity of his life. He will go into office, wined from the statute book an unconstitutional act. The if elected, with clean hands, and no one who knows him will doubt that he will come out of it equally pure, and free from all taint of corruption, or tampering with the public interests.

THE NEW CABINET.

WAR IN THE CAUCASUS RESUMED -EMPE. BOR'S VISIT TO PARIS RUSSIAN TREATY WITH PERSIA .- A report from the Russian Minister Connection Separately. of War declares that the truce concluded with Schamyl, during the Turkish war, expired in ; May of last year, and that operations against the Circussians have been resumed along the whole !

line of the Caucasus

Letters from St. Petersburg mention that it will be the beginning of April before the Emperor Alexander sets out on his journey to Nice, and either on his way or his return he will visit Napoleon at Paris

The ratifications of the treaty signed between

Russia and Persia on the 5th of January last, were exchanged at Teheran on the 18th of the same month. This treaty cedes to Russia a tract of land on the frontiers of Turkey, and sit. usted between Sayazid and Nakhshlvan, giving to Russia a complete command of the strategic road from Trebinoude, on the Black Sea, to the Persian frontier by Erzeroum. Russia has been endeavoring since 1828 to obtain the concession which Persia now grants. It is added that orders were immediately sent from St Petersburg to construct a line of fortress on the ceded territ

The Brussels Nord publishes the details of the consession granted by the Russian government Grm by a vote of 81 to 15.
