-Here is a bit of "rumance in real life," that ver Antip and west to Uali formia in 1810 Mrs. Connelly soon after heard of hi death, and vielding to the suit of another goatleman, marriel him A day or two since Mr. Connelly came t tiwn and found the lady taking tes with husband No. 2; asken explanation, got it, asked for his wife; was told that he could have her if he would take her three children, too. Mr Connelly won't do that, but offers to pay for his wife's board the past four years at \$2,50 per week Husband No. 2 havn't decided yet whether to "do it" or

- A hilt has passed the House of Representatives g Massachusetts, which provides that no person shall be disqualified as a witness on account of religious belief or the impression prevails, even among Governor GEART's warmbeence thereof, that evidence of a witness' disbelief in the existence of a G al may be received to affect the credibility of testimony and that the evidence of an atheist cation, to the contral government, without first knowing shall be taken under his solemn affirmation, subject to the what course would be now taken by the latter upon these pains and penalties of perjury. A step in the right direc- points which were left undesided by President PIEREC .tion that indicates more liberality in Massachusetts than we were disposed to give her credit for.

-James Beale, son of Mr. Beale, proprietor of the "Commercial Saloon," on Market street, Pittsburgh, committed suicide on Wednesday evening by taking arsenic He had been drinking pretty freely during the day, and returned home a good deal the worse from liquor. His father, seeing his condition, spoke to him rather sharply, and told him to go to hed; but instead of so doing, he procured a bottle of arcenic, and, passing into the kitchen. swallowed a portion of its contents, from the effects of which he died. He was but 19 years old.

-A bill has been introduced into the senate of New Jersey which provides that the wife of a drunkard, on proving him such before a justice of the peace, may be come entitled to hold their own wages and those of her micor children until he reforms. A just haw, and one that it. Matters soom to be growing worse among them. Judge ought to be adopted by every state in the Union.

-The N. Y. Express speaks thus lightly of the founder and great apostle of the Know Nothing, br American extract: party, which recently existed in some of the states: E. / C Judson, known of "Ned Buntlins," has been conthan over. Only a few days since all the papers, records, dockets, and ano handred volumes of the laws, were taken verted and reformed by spirituatian ! A spiritual paper, out of the Supreme Court Clerk's office and barach, and this is not the only instance of the kind. I say to you again, giving an account of the conversion, says, "He was brought to his knees, and melted like a child." Ned will make an excellent apostle of the new faith.

A fellow broke into the house of Lowis Selye, Bag., in Rochester, night before last, and gathered up a large booty of all manner of traps. Among other apartments he must have visited the collar, for he was discovered in the woodshed next morning, doad drank, having found himself unable to carry a couple of bottles of Monougahela any further. All the stolen property was found about h m, except the whiskey.

-A few days since, two little schoolboys were missing from Winstead, Coun., and fears were entertained that they had been drawned. They were found, however, the same evening, seven miles from home, having started to go to California, because they had "such hard lessons to get," and where afraid of being flogged if they did hot i get them.

could do nothing more accoptable to the people than this. -It is said that the engineer in charge of the train INTERESTING TO BOME .- The Cleveland Plain which was precipitated into the Desiarding eanal, G. W., whistled "on bfabes," and while endesworing to dealer says it has "received from anthentic sources intellimonce of the intention of the Postmaster General regard afert the catastrophe, went down with the sprine. Ining the commissions held by the Railroad Route Agenta. stead of attampting to escape at the first warning, he remained at the post of duty, and sacrified his life in a noble No removals will be made at present, and faithful, espable effort to save others.

M. The Chicago De

than they brought back.

White, House,

A Washington ramor, which we hope may be verified,

It is evilent, then, that the reasons for Guy. Geary's resignation.so industrieusly circulated by the Black Repub-lieve approx hara.yo fing and or sine the socient by placing in the sale his noise cultury, every close observer of events, knows that the for twenty close and ten thousand dollars, phase his noise in socient by placing in the sale his noise for twenty close and ten thousand dollars, physical two, three and four months-which when paid will square ate Adapt istration mot all Geary's just demands, even to "On Wednesday evening be left New Castle in company the removal of Judge Locampton. That the Senate did .

aground the action of the President, and confirm his with Wr. Tidball, for Boon Valley, inteading to take the appointment of a successor to Lecompton, is no fault of Gen. Pierce or of his cabinet. And when the wail is re moved from the motives of Geary, and the true cause of soller came over to Pittsburgh, took the morning best for Brownsville, and has not since been seen. his flight from the territory and resignation of his office is Brownsville, and has not suce been seen. "Tidball says he told him, on the the train, that he was running off-that the Board of Directors were fools, the made apparent, we are of the opinion that his character

will sink in the estimation of his friends and the country. In this opinion we are not alone, for we see that the Washington currespondent of the N. Y. Times says, the est friends, that he has committed a great mistake in apturned to New Castle, paid the money back to the bank, and informed the Board of the boaduet of their cashier pealing to the people as he has done, adverse y, by impliand his highly complimentary opinion of themselves. "The deposits of the bank amount to but thirteen hun-dred dollars. Its circulation is supposed to be about eighty

thousand. The lossess it is hard to estimate, but the di-rectors seem to think they will not exceed fifty or sixty It has been, in fact, an abandonment of the post of danger in the hour of the greatest need, and was to say the least, thousand dollars-and that a considerable surplus will re I thousand doilars --- and that a considerable surplus will re-main to the storkholders after redeaming its notes. Their available assot. Qualiting of bills maturing in thirty, sixty and ninety days, will be appropriated to the redemp-tion of its notes, as soon as pessible, and the board is now (segaged in examining its affairs, and proparing a state-ment of its condition for publication. They are men of integrity' and responsibility, desirous of setting up the affairs of the institution at a savit a day as possible." ill-timed. The American people will scarcely recognize it as a sufficient motve for a fugitive resignation, that the life of the Governor was in danger; not that he had expended a certain amount of money from his own pocket; nor that he was displeased at a want of promptness in acquiescing to his reasonable wishes. The same correspondent has no affairs of the institution at as early a day as possible. hesitation in declaring, upon the most solid authority, and PRILADELPEIA, March 26.

without danger of contradiction, that if Gov. GRARY had PRILABELPHIA, March 26. Mr. Wagonseller, the defaulting cashier of the New castle Bank, was arrested here yesterday and taken to remained in Kansas he would have been backed to the bitter end by the whole force of the federal government. Pittsbarg.

We notice by the Rockford Ill. Register, the twenty-seven miles of the Kenesha and Rockford Rail road, have been let to Messrs. Field, Gaggin and Waker eramont will yet be compelled to take measures to abate Two of these gentlemen are "Erie boys," and we are glad to see that they are making their " mark" out west Drummond, of the Sapreme Court of Utab, has addressed The Register says truly that " they have a reputation of a letter to the Administration, in which he gives a sad and the highest character as mon of responsibility and energy deplorable pleture of things as they exist. We copy an in prosecuting the various works they have undertaken .-They are to complete the road ready for the iron by October next, to accomplish which they propose to sub-let it is short sections of one mile or more length."

THE ALLEGHANIANS .- We are informed by letter

this is not the voly instance of the kind. I say to you again, it and through yos to the Provident, it is impossible for us to enforce the laws in this Territory. Every man here holds his life at the will of Brigham Young, and here we are without protection. I'll find fruly of the opinion that Babbitt was murdered by Mormons under the direction of Brigham Young, and not by Iedians. Murder is a common thing here, and Mormons cannot be panished with a Mee-mon jury, witnesses, officers, and Governor to parden. It is too erest, and milit not be endered. A man not h from the Agent that the Alleghanian vocalists, will pay our city a visit in the course of two or three weeks, -- the precise time will be announced hereafter and give one er more concerts. The following from the St. Louis Republican showd what success they have meet with in the west LAST CONCERT .--- The Alleghaniars gave the last of their delightful concerts in this city, on Saturday evening, a she Merenntile Library Hull_ Great as their encouse, ha the Mervantile Library Hail. Great as their subsets, has been, they have eminently descreed it. Their values blend brantifully togethes, and they sing in excellant time, tune, and tasts. Mr. Boulard has a rich deep base. Mr. Lock and Mr. Leach, are fine teners, and Mice Yale, has one of the sweethest, most flatible and natural Septem-voices we ever heard. If we mistake not, she will create a constring in the maximal world. And how they show he member of the charth, is mardered, robbed, mutikated and impetsoned, solely for questioning the authority of the oburch. Persons are now in the pealiestuary, convicted before the Probate Judge, who are whelly imposed of any prime. Is there my chartry where this abase is or would be address? Let the solely the sole of a word a constition in the musical world. And have though not least, Miss Annie Komp, has a fine contraits voice, and states that Mr. Buchanan has determined to remove Brig-ham Young from the Governorship of Utah Territory as soon as his commission expires. The Administration

M. A man was arrested in Cisvinsati one day ias week who was notunity guilty of stealing a house, and a powder house at that. The building had been vacated, and he had stolen first the doors and windows, next the walls, and lastly way digging up the foundation when Instant.

and industrious Route Agents may count upon retaining HON. W. J. BROWN-The papers bring as nows of the West and South. For the last twenty years Mr. BROWN was one of the foremost politicans in Indiana, and was regarded as a shrewd, clear-boaded, yet traly faithful man to the interests of the party with which he was sugnested. solf-in which was, applicants for these posts will see that He occupied many places of trust in his own State, and in their sheaven are slim ladood. Lot them " peacess their 1542 was elected the representative to Congress for Insouls in patience;" " retation" is easier talked about than dianopolis. In 1848 he was retarned for the district. In the

great straggle for the Speakership when Mr. Cons was ecretie Prese sublishes a table of ejected, it will be remembered that Mr. Bnown beenme a the returns for the plot year of the four principal railroads a candidate, and although comparatively saknown, on the rnaming West from that eity. It shows that these four first ballet, he came within two votes of being elected .-roads alone bars taken. West 207,858 passengers more Under Mr. Polk, Mr. BROWN was Bosond Assistant Postmaster General. Of late years he has eccupied the pecition of Special Mail Agent for the West and South, and RE.APPOINTED .--- We notice that INAAC V. FOWLER, was not now laged to have been a most officient officer in that Req. the present efficient Post Master at New York, Ano bart re-systemed-sacther bridenes that the. " retation " Desition.

Mr The Horald learns from one of its corr that Calvert Comstook, Bog., of the Albany Aryon, will be appointed Peetmaster of that city. The Sun uman bener the romor will prove well founded, and so do we-these who do the labor should receive the reward; and no profeetien labors so incommally for a party's success, as that of the Editor.

It is, we think, at war with all the claims that were arg It is, we think, at war with all the chains that were arg-ed in his favor for the Presidency. We supported him for that high effice on the grounds that he hed begs kept in mobiles if wethere to sopresents his ability and to trust if his integrity, and are we to see as a deduction from these premises, the principle that none but new men-arried nem-are to succeed to the subordinate offices under him?

Is his office the only one which calls for experience, best of character and the confidence of the public? profits. On the 13th of June next, according to Dr. Cum-

mings, of Scotland, this solid earth of ours is to come in cilision with a comet which is now on its way towards us. It is expected that the shock will be rather severe

than otherwise, but we guess we shall be able to stand it. That old and reliable Democratic paper, the Bed-

ford Gasette, expresses its opinion in regard to the nomina. tion for Judge of the Supreme Court in the following emphatia paragraph:

Sursus Junes .- A writer in the Pitteburg Union car bestly argue the memination of Hon. Horzwell Har-BURN, of that city, as a suitable person to fill the va sancy on the Bayresse Beach occasioned by the resig-nation of Judge BLACK. Judge HEFFURN is a good man in every respect, and, if nominated, will adors the high trust. As Pittaburg has already a member on the Supreme Bench, we presume it will no be likely that another can be nominated from the sam be likely that another can be nominated from the same pince. Should the nomination be given to the East, Hoo. Wm. Stransa, of Berks, will undenbiedly be the man-if, however, it should be conseded to the West, the signe would indicate that Judge TROMFSON, of Erie, will be the nominee-and the probability is that bis nomination would give more general satisfaction than that of any other man named. Judge T. stands at the head of his profes-sion, and has had many years experience on the Bench as Judge of the Brie District.

The weather is now very fine for the season, and is what may be called good sugar weather. The nights are cold the days clear, with sunshine enough to make the mp flow. In view of the enormous rates at which southern and foreign sagar is sold, it will be strange if an unusually large draft is not made upon the maple orchards this Spring.

We don't know who wrote the following, but pre sume it was some "brute of a Husband" after paying one of BLAKE's milliner bills-not that Blake is'nt as cheap as any of the trade, for he is-but because in these "latter days" it can't be dealed that "his little bills" obeap though they be, "grow more expansive" with every turn of fash. inn's wheel.

> When lovely woman, hooped in folly, Grows more expansive every day, And makes her husband melanchely To think what bills he'll have to pay; When to the width of fashion swelling With air-balloons her skirts may vie. The trath-(what hinders Punch from Is that she looks a perfect-Guy!

-An ides of the amount of letter writing in the United State may be inferred by the number of postage stamps sold, which, during the last year was one hundred and fifty millions.

Mr. JOHN DALLEY has retired from the editorial that he was not " willing to be made a supple teol for the purpose of energing out the political schemes of one ar two sorrupt politicians in Warren berough." We think expired there is a good deal of yes in this reason.

The Crawford Democrat says it at three prisoners econned from the jail in Mendville on Saturday night last -it is thought, through the consistance of Poter Weaver, the tarnhey, for whom \$100 reward is offered. The Sheriff reposed great scaldence in this raseal, who had obarge of the prisesers, and whe, it is supposed, was bribed to set Los Angelos, California, vice Dursey, whose comthem fros. He is also missing and is procumed to be with the desease of Hon. W. J. BRown, special Mail Agent for the prisoners. It is earnessty hoped they may all be to be Surveyor General for the district of Minexptured. No blame one atmek to the Sheriff in this up. Desota tanete matter, the fault being entirely with Weaver,

whese parents live in the visinity, and who has heretofore always sestained a good character.

HOOPS .-- Speaking of lady's skirts, the Editor of th Buffale Republic mys, " the last he has seen was made of steel springs, severed with taps, and stinched together by pieces of bread taps, 'over a quarter of a yard in longth, presidely like the "skaleton" shirt. This foundation is severed with three full flowness of fine crineline. The two upper enes are bound with tape, and the lower one with two rows of gips cord incored in a linea band, which gives strength and framess and retains it in its pecition. The flowers fall over each other about an inch, and must

be made very full, requiring eight yards of material to semplets them." All this is very interesting to the Lodico to take care of : ne dobut; but how in the name of bachelerhood, did he tobits of the articlef
