THE MCLIPPER, Diving Flue.

THE HOWERY, Diving Flue.

These to sea are got up expressiv for Nossan's Comfort. They are capable of throwing out a large amount of heat in the winter season, and yet as constructed that the heat can be turned off the Overs and slowed to escape in the Chimney, thereby obviating the great heat in the room which the Cook has heretofore been obliged to endure in the same season of the year. We are also manufacturing some new and beautiful Parlor Stoves both for Wood and Coal, such as The Course.

we are also manifesturing some new and beautiful Parior Stores both for Wood and Coal, such as The Corni,

The Morning Glory,

The Model Parior,

The Star Dining Room.

These SEGAEs are all of the latest style, rich in their design; and added to our former large assortment, enable us to defy competition, both in variety and style, with any other establishment in the Country. We are determined to sell at the "Society severe" the Country We are determined to sell at the "lowest prices" et all, therefore, who would get a good article, and save money,
