Cladden but intercent our view: But when bornet, the spirit grieves. Le! in the depths of sorrow's night Beams forth from far-colectial light.

[Ston's Straid. THE EMPEROR OF BRAZIL OF AN AMER. ICAN STRAMER.

PROM PLETCHER'S "SPACIL AND THE BRANKLAYS."

A combination of circumstances brought me afterward into a much closer relation with his Majesty than as a mere spectator of his fine form when he passed rapidly by. In 1852 dur-ing the temporary absence of Mr. Ferdinand Coze, the Secretary of the United States Legawho in the absence of the Minister Plenipotennaval architecture under his command.

The Emperor having signified his acceptance. Ethnire floated in unison, while a full orchestra city some three years. from the flower-strewn deck sent forth the sational anthems of Brazil and the Union When the barges reached the "City of Pittsburg," Capt. Foster, with the American Charge d'Affaires by his side, received the Emporor, and, when welcoming him on board, placed the steamer at his to which all the beauty and chivalry for miles Majesty order.

the engraved plan of the machinery, which was further explained by the chief engineer of the steamer, and by Mr. Grundy, an English engineer; who has long been connected with the Jersey, a man of fine scholarship and great re-

executive head of the most powerful South Amer.

rich beyond description, which could never have taken place with others than Americans, for bad, up to this time, occupied the greater portion of his mouth and thoughts, suddenly tumbled from the taffrail, discharged his quid into the cocan, and, hat in hand, yelled forth, in a well-meaning but terrific voice, "Boys, three cheers for the Emperor of the Brazils!" In the twink-firming many and fair notice, and they give for the Emperor of the Brazils!" In the twinkling of an eye every Californian was upon his
feet; and never, in their oft fought battles for
the "glorious Democracy," did they send forth
such round and hearty husses as they did that
death Don Pedro II The suddenness, the earnthe most agent or sharper who makes his appearsme in this place for the purpose of making a
the whole procedure, were most mirth; provo the whole procedure, were most mirth provo king. The captain's fours subsided: his pone august was crossed, and he took breath and laugued freely. The Emperor returned the im-

promptu salute with great respect, and, for the consion, with becoming gravity.

The Empress and her suite were not less pleased with the commodious salooss and richlydecorated cabins of the steamer than her Imperial spouse had been with all its mechanical sp-

pointments. The "City of Pittsburg" was at the command of the Emperor; but on we steamed, notwithstanding a portion of the court became exceed the principle of metempsychosis. He believed ingly son-sick. His Majesty was too well pleased in it, he said. He remembered what he had with his new floating dominion to resign it so soon; and thus we passed ten miles beyond the Sugar Loaf before the order was given to return.

"You de?" said a lady near by. The panorams of coast mountains sever appeared to be more magnificent than on that bright Sep-

tember day: The captain had prepared a sumptuous colla-tion, but there was an obstacle which seemed more difficult to surmount than the forwarddeck.

The Imperial pair were not even in the habit of party pleasant; souisthing golden."

dining with their suite, and, except on rare state.

"Oh! I have it; a golden califf" occasions, eminent Ministers Plenipotentiary had never been invited to partake of a repast in the name room with their Majestica. There were singing at Springold, and a large party was no precedent of a collation having been given beard them, clean. Said one of them to the control of an American vessel, and above door-keeper "Jane count these follows as they TROM BTREL or MAILS. all, on board of a mere commercial ship. No go in." And the door-keeper did count about a one liked the idea of committing the Emperor deten. "Have you got 'em counted" inquired about an affair apparently at triffing as to the "Dae of 'ena." manner in which he desired to ask, and therefore "Yes," the days are the form." Wall, good able, thick the whole matter into his own hand, and left. and made a precedent. The "City of Pittiburg"

"It is meadless to say that the unfortunate door was constitutively a part of the United States, hereor washing to identify the fellows inside.

Bry of red in this City.

MARDER COMPOSITES AND.

OARTER A NEO.

the chamberlahas stood near the Emperor. Per-haps Don Pedro had no objection to the proximity of the Americana, considering that they were all "soversigns." Captain Foster, who spoke French, proposed, with a dignity becoming the occasion, the health of their Majesties; and all phiesed off an early, and an happily as if there had been a thousand and one ceremonies and precedents to have been supported and followed.
We entered the harbor amid the booming of oneson, and at susset the Imperial party again Tree, black and green, aubarked in the state-barges, having spent what they afterwards declared to have been one of the most agreeable days of their lives. Again and Men's Pine Books. again have I board their Majestica express their remembrance of that executated; and none of Captain Foster's personal friends felt a deeper sympathy for him thin did Don Pedro II and Mon's Pine Camingor Hats.

Sad and Mysterious Affair.

Pittaburg" in the harbor of Valparaiso.

The Rothester Advertiser ways, that on Wedneeday morning the bodies of two children, girls -one shoul see and a half years, the other about fifteen months old-were found in the water, at the foot of Brown's mill face. The tion at Rio de Janeiro, I was chosen to fill his bodies had not appearantly been in the water place, and finally, after his resignation, I was appointed Acting Secretary. In September, near by, but for two hours no person could be 1852, it became my duty to go to the palace of found to identify the bodies. At length a wo-San Christovao in company with Governor Kent. man who resides on Emmett atreet, came and To the Merchants of the West and North-west who in the absence of the Minister Plenipotentiary held the poet of Charge d'Affaires in addition to that of American Consul. The occasion that demanded this official visit of Governor Kent, was in accordance with court etiquette, to thank his Majesty for having accepted the invitation of the American Captain Foster to visit the "City of Pittsburg." This large merchant steamer was on its way to California via the Straits of Magellan, and while stopping for ceals in the harbor of Rio de Janeiro, the captain invited the Emperor and his court to an excursion on board the splendid specimen of American mayel architecture under his command.

**American Captain Foster to visit that hey sister was the wife of a man named that the Liver Falls. About noon Grsy was found, and stated that the bad a quarrel with his wife the previous section in the harbor of Rio de Janeiro, the captain invited the Emperor and his court to an excursion on board the splendid specimen of American mayel architecture under his command.

**American Captain Foster to visit that hey sister was the wife of a man named acceptable, your attention to the invitation to the interior, its proximity to the found that her said street and that hey said extent condition to the interior, its proximity to the first of their history or parentage. She said that the varied extent conditation to the interior, its proximity to the first of their history or parentage. She said that the first of their history or parentage. She said that demanded this condition is all the first of the interior, its proximity to the first of their history or parentage. She said that demanded this condition to the interior, its proximity to the first of their history or parentage. She said that the of your consideration is and attendant expenses are successary for the first of the interior, its proximity to the fir said they were her sister's children. She rushed with her obildres socidentally, or threw them in. and then followed - a suicide. Her sister thinks all was made ready, and at eleven o'clock, the she probably started for her house on Emmett guns of the forts and of the men-of-war told that street, when she was turned out of doors; and the Imperial party were embarking in the state if so, she might have accidentally fallen into the barges for the steamer. The day was most race at Fish street. Gray did not appear to be beautiful, and Captain Foster spared no pains in much affected by this dreadful event. The adorning his fine steamer in a mannessworthy of spectators who studied dooking upon the hodier of his guests Flage and streamers were suspended the little children; were quite as much moved from every mast, he standards of the North by the spectacle as he He is a Scotchman, and American Ropublic and the South American his wife is of Irish birth. They had lived in the

THIS Establishment has just been must thoroughly cleased REFITTED AND REFIRNISHED, t12r COME TO THE RESCUE EVERY BODY!!

The scarrely necessary to say that our entire stock of Goods were consumed by the late tire in this city, and we were almost discouraged from attempting business again; but through the encouragement given the kind friends, and the scall citation of our many old customers, we have been induced to try once more, hoping for better luck next time. We would therefore my to the public that we have just opened at No. 2, Reed House, an entire New and Fresh Stock of Groceries,

patronage with a sweath and heavy loss.

Lie, April 4, 1857.
