St. Leurense Hotel, in Chestnut street, thous having been involved in any seduction case progress, by which Mr. Richard Carter, President viously. As his eviations with Mr. C. were pro-St. Lawrence Hotel, in Chestnut street, above having best involved in any securities care pro-Tests, by which Mr. Richard Carter, President viously. As his evictions with Mr. C. were pro-of the Anthracite Back, at Tamaqua, Pa., was bable Mr. S. Binimia character, it is quite likely instantly killed by balls from a six harroled gie that he wight be in happy ignorance of any such tol, in the hands of a man by the name of Thomas Washington Smith. It appears that Mr. Ongter. The body of the deceased was taken in charge

About 6 o'clock yesterday afternation, Mr. C. to all the parties someone was sitting in the front parior of the St. Law: ing any head thursto. succe, on the first floor, and ment the table in the sime room was sitting Mr. James McCandles, of
Attendary city: Mr. Thomas Smith came futo the Roug, dull, hard season shead, and every the partor, and took a seat upon a acttor beside dollar that the poor how bostem will be worth Mr. Carter, and commenced a conversation with two, by hind hy, if they should keep it so long him in a low voice. The disversation was con Everything that you do not absolutely need in timed for nearly a half hour, and is so subdued, these times is dear at any price, and touching a tone that Mr. McCradles, who was rushing this we have a table to relate:

Chase many a time. A young female squired

Carter then got upon his fast, but instantly fell winter was alone at hand, and a hard and long to the floor, when two more whote were fired at winter the olderint more experienced againstic him by Smith. The only exclaimation made by knew it was going to be. They raked and Carter was, "oh!!" and when persons accepted sall the nate they could get and contest was, "on t on it and when persons scraped engener an the name they order get and subset to his assistance, life had fled. Smith, stowed them away in their respective tenements after firing the piatol, put it in his pocket and for further use; and still they thought they had pulled out a large bowie knife, some ten or twelve not enough, for they forces whort commons in himself up to the proper officers of the law.

and started down Chostnut street, with a moder. they had imported from our barn, without payati pace, followed by Mr. Wm. S. Campbell, one ing for it, offered them for sale to their less conof the proprietors of the St. Lawrence Hotel, siderate brathren is exchange for butternate, and another gentleman. South still held the maintage and scores; but as more corn could be bowle knife in his hand, and when the gentle brained only at the expense of being shot by man with Mr. Campbell, approached him, has the farmer's boy, who was fond of squirrols too. (Smith) said that if he (the gentleman) touched (squirrel atom) and the hazel bushes were hare, him, it would be at the peril of his M. The these luxuries rought to command, they said.

once to the cause of the difficulty, one of which is based upon a statement made by Smith sought her to save her provisions for future need, that a ward of Carter's, whom Smith had marshed, had been unkindly treated by Carter.

handful of the superficites. She had anough.

whiskers, about thirty-three years of ago.
His Statement.—He says that his place of an incle and sister living in Newcastle, Dola- starvation. ware; also, that he has numerous friends in this light that he some time ago became acquainted. EUROPEAN OUTRAGES IN INDIA.—The folwish a young lady, who was the inmate of a lowing; from the Calcutta correspondence of the seminary, in a place which he does not name.— London Daily News, will show that the atroci-His became deeply attached to her, and learned ties in India are not wholly confined to the Se that she was the ward of Mr. Carter, and an poys: heiress also. He made the acquaintance of the deceased, who fully gave him permission to marry bave set all discipline at defiance, and commit-the girl, corroborating her story at the same ted great atrocities. At Disapore a party of the time is every particular. They were shortly Queen's 10th broke out at night and bayoneted afterwards married, when he (the prisoner) took in their beds, eleven Sepsys—a portion of those his wife to his home in Maryland. Four months who had remained faithful to their salt—and the paternity of which she, after much. solicita- murdered the whole of them, but the shricks and tion, neknowledged to be attributable to the dargered the whole of them, but the shricks and moments, p process, till I speak to my neighbor enased. He also alleges, that while this girl was butchery was stopped. An inquiry into the attended daughter, under the matter has ended very unsatisfactorily. In a companied P. to a private room, where, as professed protection of Mr. C., there was an im general order, Gen. Outram has declared it cerproper intimacy between them, and that the third belonged to Mr. C. He also learned that the evidence as to the actual parties was so un wife and Mr. C. since their marriage on more than one occasion, and having been cruelly de coived by a man in whom he had the atmost many murders having been committed upon solved by a man in whom he had too account many murders having been committed upon comfished, and amarting under the wrongs to camp followers and other innocental recent by men belonging to his force, and his full determination. He expressed no regrets or fewer of the tion to amy out the sentence of any court martial such a terrible deed. He states that, in their of European artillerymen have plundered the conversation yesterday, he asked Mr. Carter to take some measures to blot out his (the prison we have not the details. All this is very bad, ers) disgrace; that the decreased told him it was and will not be put a stop to until some signal to visit the prisoner's sister. This Smith con- taken place in various parts of the country have raidered as unendurable, and shot him upon the been so indiscriminate that the Governor Gener

HE SENDS FOR HIS COURSEL.—He expressed a desire that H. C. Townsend, E.q., should be sent for, as he had enseulted him upon the subiect. Another legal gentleman, who was in the effice during the investigation, said the deceased had called upon him a few days ago, and consuited him in regard to a divorce. He did not think at their interview that Smith had the remotest idea of committing a murder.

SMYTE AT MOYAMENSING. - After he was placed in a celt in Moramensity prison be thanked the officers for their kindness to him, and said to officer Afbright that be should accept the crowd. He also told Lieut. Dickhart to take the bowie knile.

STATEMENT OF THE PROFESEROR OF THE Manuson House -Smith has been staying at his house about two weeks; that he was snoody and abstracted in manner and incoherent in conversation; that he west about the house as though detauged, avoiding the acciety of every one.

STARRIENT OF A CLERGYMAN. Dur reporter meta clergyman this morning, who stated that he had known Carter for apwards of twenty years, that his antecedants were very bad; some years ago he was involved in a seduction case, years ago he was involved in a seduction case, but the idea had been entertained that he had headen the subject of a marked reformation.—
Several years ago, the father of Elizabeth MoAuley entered into partnership with Carter, is the irea business, at Berwick, where they had a furnace and several mines; subsequently, by means of fire, Mr. McAuley was reduced to formary.—
Miss McAuley was an attractive young lady, and menifested decided aptitude for landy and menifested decided aptitude f sees her to a school at Wilmington, were hiss has been obtained. In the early part of the Smith, the eister of the unfortunate prisoner, is week information was telegraphed to this city, engaged as a teacher. From this institution she was in the habit of coming of Philadelphia, and place will implified but; although a searching staying at the Girard Hobse, and either Leading agamination was bad, the evidence was not suf-

to different portions of the country,

It is expressed that Mr. Smith became indiments
with Miss Meaning at the school in Wilmingtion, while on a visit to his nister, who is a mean

arrived in Philadelphia yesterday moraing, about by an undertaker last night, and conveyed to his cloves o'clock, and entered his man's on the late residence at Temaqua this afternoon. There is considerable gossip affect in relation to all the parties posserned, but we forbear pay-

sees that Mr. McCradies, who was resulting this we have a table to relate:

sees by, was unable to say anything about the
subject of their conversation:

Mr. McCaddes activation was selled to the
parties by the report of a pistol, and on turning ing the seesalts of the sun during the summer
his head, he saw the accused shoot again. Mr. solsties. It was late in the fall of the year, and shes in length, and said that he would give the spring. Some of the more crafty, who had a stock of basicants (esteemed a delicacy by the He then deliberately walked out of the house, squirrel race) and a few kernels of corn which two followed Smith to Ninth and Chestunt, when his prices. However, as the times were hard, thought, of the Reserve Copy, was met, "they would be sold at a secrifice," say one beautiful healennt for a dozen common acorna, of the afficer Smith at once gave up his weapons, two charming bernels of corn for four ordinary The deceased is about 45 years of ago, has a wife, but no children, and is highly respected, as far as we could ascertain, by all that were so quainted with him. There are various rumors in reference to the cause of the difficulty, one of sind ascertains to the cause of the difficulty, one of sind ascertains. and, sotwithstanding that her aged mother be-THE PRISONER -Mr. Smith is a man of stouth she thought, of everything now, and prided her build, swarthy complexion, with black hair and self vality upon her smart trading! Long be-whisters, about thirty-three years of ago. fore spring, however, all her provisions were gone, and when the grass was green again she residence is Coul county, Maryland, that he has was thankful to nibble it to save herself from

"Europeans in different parts of the country there had been illicit intercourse between his satisfactory that no one has been convicted responsibility incurred by the perpetration of that may come before him. At Mhow a party no disgrees, and that he himself intended soon examples are made. The executions that have al in Conneil has issued a minute putting a check upon them, and prescribing a certain course of broceeding "

A JEFFERSON COUNTY STORY .- The Cleve. land Herald tells the following incident: "In the depths of a bard winter's night in Northern New York, a centleman heard a noise at his big wood pile, and sallving forth found a man just leaving, dragging a sled on which was a few sticks purloised from the pile The thief was overtaken and begged for meev, arerring that his family were freezing. "Come back, you rescal, with that sled," said the owner of the wood: and the culprit dragged it back to the pile, and began to unload, "Stop that, you ras-cal, and put on a sled full!" said the owner; and after piling the wood on the sled to its full capa city, added: "Now pull, pull, you scamp!" The oulprit could barely start the load, but by the application of a switch and an oath or awo from the rough but good hearted owner of the pile, the load was got under weigh, and for half a mile, with mow knee deep, was the culprit forced to a dog trot, until he reached the door of his fireless cabin, ready to drop down from the labor of bauling the load. "There," said the owner, "you dead sooundrel! I'll teach you to steal my wood, best time, ask me for wood."

a. He professed to adopt her, so as to \$500 offered by the county commissioners has relieve her father of so heavy a responsibility, atimulated the police to increased exertion, but but it was generally suspected that the transfer up to the present, not the slightest clue calculation was bogus and a work of deceit. Outer ted to lead to the detection of the guilty parties staying at the Griefe choice, and other tending anamination was not, the evidence was not sur-hotels, for several days, during which laterals fridge to warrant his detention. All the sus-she was under the special control of her adopted parties, it is said, have satisfactorally father, Mr. Carter. Suspicion was awakened by accounted for their whereabouts during the time these movements. It is also extend that Carter the deed was supposed to have been committed, and his adopted daughter travelled in company and particularly during the night when the body

-He replied, "Why it kept me awake the last two nights."

their destration to the depression to their destration to the truth of much of that allegation, and he is now more than ever con. firmed in the belief of its falsiry, in part. How ever, the interesting details; of the information he sends show that the Apaches have of late stronuously exerted their influence with their confederate tribes to put an end to the war the United States have been waging upon them of ate, by procuring them to unite in the necessary guarantes of facure good theinvior. The late ampaigns of our troops against them have brought them to reason, by teaching them that when thoroughly roused, the Government of the United States can sweep them of the face of the earth with alignest as much case as they burn the dry grass off the prairies. They are evidently bumbled, and the prospect now is that they will

om Cil Bonneville, the result of the observa ions of that acute officer made during his late our months tour in and ar und the valley of the ila, which he represents as being the most fenitful and beautiful territory he ever saw; and e has probably seen and dary fully observed more the characteristics of the unsettled portions of or vast national domain than any other man ving It is of a great extent, and combines for agricultural and pastoral purposes more advanages except that of communication with the outside great centres of commerce—than any other region of the United States. In fact, ac

paradise, as it were We judge from the details of his communicaion that he has already established such tempos very posts in and around it as will enable our nterprising frontier men to make its remarkable dvantages speedily well known to the country

lisinge,
This beautiful territory, or at least that portion f it laying on the south side of the Gila river, was acquired by the United States through the Jadsden parchase, the rest by the treaty of Guadalupe Hidalgo; and either section, judging from Colonel M. seathbasiana description, is: skely to be worth, souther Union at large, more than was paid in actual money for both. It is supparically the region most likely to be settled up next. We have already spread before the Star's reariers, by the by; many of Col. B's descriptive details in publishing previous accounts of his military operations in that quarter.

No Soul -A well known Western judge, do was an unfortenate as to statter anminimbat, in effecting the settlement of an account with a parsimonibus peighbor, found it impossible to make change within three reads. Some days after, Lumber, delivered at his Yard or Dock: while the Judge was on the Bench, in the midst of a very imp trant case, the avarioious man, those brains could not rest while the three cents ere absent from his pocket, appeared in the ours room and disceremoniously desired the Judge to grant him an interview. The Judge his wife to his home in maryland. Four mouths, was mad remained the mould have afterwards, he states, she gave birth to a child, two women; there is no doubt they would have the counsel, said apologetically, "St stop aftif few arrested the progress of the case, and addressing he expected, he received a demand for the delinquent three cents: He paid it, demanded a requent three cents. He paid it, demanded a re-scipt, and returned to the court-room, convuls-ing every one present by the remark: "Thathey his s-say that at thethe memoment any one dedies mother is b b born, and th-the soul of th the one th that d-dies gog gog-goes into the bebebody of the the one that's bab born. Now, when neeighbor p p.P. was b born, non-non non nobody d-died."—Cyclopedia of Wit and Humor.

> Some three or four weeks ago, a family une to New Albany, Indiana, from Onio, bringng with them an infant child. The mother and ald took rick with the typhoid fever, and the shild died. The father went to several coffinmakers to procure a coffin, but not succeeding. got a shoe box, carried it home, filled it partly with shucks, spread a cloth over these, and in the shoe tox placed the child. This done, he took the box under his arm, carried it to the grave-yard, and deposited his earthly hope, almost silent v and alone. This is rather a hard mase, and in a Christian community, too-a community rejoising in a Young Men's Christain Union, and about twenty churches, where monthly contributions are taken for the heathen.

One of the Albany State street hard ware atores boasts of two clerks who are sons of ex Governors. One is the son of ex-Governor Seward, of New York, and the other of ex Governor Gibbs, a down east Governor. On Tues day Saward ber Gibbs five dollars that he did not dire to stare out bareheaded and in his shirt sleeves, and carry a acuttle of coal around the block in eight minutes. Gibbs took up the bet and propelled. Seward followed after, and, by starting a cry of "stop thief," undertook to get Gibbs dragged to the station Youse, and thus win the bet by stratagem: It was no go, however: Gibbs put on steam; willed up his trowsers and won the race by a neek.

PRIGHTFULLY MYSTERIOUS.—A gentleman sojourning at a fashionable watering place hotel, who roomed next to two young ladies, overheard the following conversation one morning, recently: My dear. I cannot find my bones; and how ad I go to breakfast? I shall look as if I had fallen to pieces." fil will lend you my skeleton, dear, if it will

RESPITTED AND REFURNISHED.

Erie, Aug. 1, 1856.
COME TO THE RESCUE EVERY BOLY! T is scarcely necessary to say that our entire stock of Good were consumed by the late fire in this city, and we were almost iscouraged from attempting business again; but through the en-ouragement given by kind friends, and the solicitation of es-

couragement given by kind friends, and the solicitation of our many old customers, we have been induced to try once more, hoping for better luck next time. We would therefore say to the public that we have just opened at No. 2, fixed House, an entire How and Fresh Stock of Groceries, Jan Stock J. JOHNSTON & BEG. NOTICE I DOTICE

TOTICE is hereby given, that application will be made to the latest Legislature of Fennsylvania, the the charter of a Basil to be sailed "The North Pennsylvania Banki," with a capital of Tw. His and the charter of the Pennsylvania Banki, "with a capital of the His Control of the Pennsylvania Banking private the France and Part thousand delian, and send as a same send age, located in the city of Eria, Pa.
