which happened some time ago, but will lose

A certain young man, in search of as wife

the grass was bigh and povered with dow

ably out of his depth, and such his is impagedi-able quaganies of difficulty. The whole city was electrified one fine merning to hear that "Morley & Bietcher" were in the Gazette.--Their liabilities were enormous, and several tor "for smaller frus fell with them. Tom had been in fallen?" much too great haste to get rich to be careful of Itwas

his own means; and several disgraceful transac-Fallen, disgraved, and shameless, she still shared tions came out in the examinations before the court. Mr. Morley was heart-broken; this does to a long and honorable career—this transmitution of his good name and his credit, almost killed s brother's love, who would win her back to vir him. Nellie wrote to me in their distress, and and the prison- Cin. Gas.

and. Relife wrote to use in their univers, and begged my belp, which, indeed, I was anly too giad to give. But nothing was saved out of the wreck; Tom Fletcher was penniless, and Mr. Morley had nothing left but his wife's fortune, which had been settled on his daughter. They

left the house in Great Walton Street, therefore, and went to reside in a small cottage at some miles from London, near Bichmond.

wing out on a courting expedition, as is custom. ary with young men, came late on Sunday even One might have thought that this estastroohe ing, and, in order to keep his secret from his young sequeintances, determined to be at home on Monday morning bright and early, so that his would have opened Mr. Morley's eyes to Tom Fletcher's misconduct, but instead of that be only seemed more than ever bound up in his inabsence would not be noticed. But his affianced terests. This was the period of the railway mania, and Tom turned sharebroker. With his resided several miles from the town in which he sojourned, and so, to oversome the distance, required the use of a horse. Mounted on his natural genius for gambling he made his thousands one day and his tens of thousands anoth form dressed in his fine white summer pants, er, and has said since that at one period he did not know what he was worth. Mr. Morley him-self was bitten by the popular frenzy, but not and other "fixins" in proportion, he arrives at the residence of his inamorate, where he is kindly received, and his horse properly taken care of by being turned into the pasture for the night until the bubble was on the point of bursting .--He drew Nellie's little fortune out of the funds. The evening yes, the night, passed away, but and intrasted it to Tom to double; but Tom aware that the golden day was at an end, and having realized nothing out of his specialize gains, took possession of his poor old uncle's money, and decomped. This was the cruelest was awake-nay, he had been so all night-but it matters not-three o'clock was the time to depart, so that he might arrive at home before blow of all, but no pursuit was made after Kim. blow of all, but no pursuit was made after that depart, so that de migut arrive at aome before Mr. Morely only said: "Let the graceless his comrades were stirring. Not wishing to dis-secondered go; he was my sister's son," and he escaped accordingly. escaped accordingly.

VIIL My Nellie was a gem. Instead of pretending to think I might wish to break off our engageventure in with his pantaloons, would rather take the starch out of them, and lead to his dement, as some would have done, she showed perfect confidence in me, and wrote; "Dear Richunmentionables, so he quickly made his resoluard, you are my only hope; will you come to me? tion. It was three o'clock in the morning and My poor father is almost mad, and I know not bobody stirring, so he carefully disrubed himself on which hand to turn. But you will not fail me, will you, Richard?" Directly I got that pitiful little letter, I posted off to Woodside, where they were living, glad in my heart, I of his whites and placed them in sufity upon the fence, while he gave chase, with unscreened pedals, through wet grass after the horse. But the steed was food of alover, and had no notion believe, that they had only me to took to. of leaving it. But our hero was not to be

thwarted, although had began to realize the truth | la necessite." I met them walking in the subshine on the of the old adage about the course of true love, road outside their garden. Nellie's arm supported her father, whose bent head and uncertain do., and the horse was captured: gait betrayed how terribly he had been shaken by recent disasters. I my them some minutes before they perceived me, and had time to observe Nellie's face, which, pale thought it was, showed Nellie's 1200, which, paie indught it was, souwed eyes. Inc neid into which his norre had trout as many new ones as will favor him with a call. no traces of anxiety. I can not tall you how proud I felt to know what a sinceré faith she had in me; and sceing it so happily expressed in the midst of real troubles was better than all.— the mids a brillight color flew into her face, and she put this once valuable article of his wardrube now ont her hand long before I was within reach, as remained-only a few shreds-just sufficient to if, dear soul, she were entohing at a forlors indicate what they had been What a pickle Fall Styles of Millinery Goods at "I knew you would come, Richard," said this was for a nice young man to be in bope. "I knew you would come, filterard, said she; and then to her father, "Father, here is Mr. Bichard Farquerson come to see you, and to set after your health." My kind old benefactor lifted up his face, and held out a trembling hand. "I am very glad to make your acquaintance, Sir," said he. "It is a fine morning out in the fields. My daughter a far one, which might run the match. No, he, hat acquaintance, Sir," said he. "It is a fine morning out in the fields. My daughter that acquaintance, Sir," said he. "It is a fine morning out in the fields. My daughter that acquaintance, Sir," said he. "It is a fine morning out in the fields. My daughter that acquaintance, Sir," said he. "It is a fine morning out in the fields. My daughter that acquaintance, Sir," said he. "It is a fine morning out in the fields. My daughter that acquaintance, Sir," said he. "It is a fine morning out in the fields. My daughter fair one, which may her with the match. No, he, that acquaintance, Sir," said he. "It is a fine morning out in the fields. My daughter fair one, which may her with a result of that monic match the match. No, he first time to that acquire the sir for the first time to.

Hammerfest Is Isturel Sumehow she never again for her residence in the city, to drown in stall gown, and a nice black silk for Sundays. stuff gown, and a nice black silk for Sundays. If or parlors were full of ormolas, and gilding and carving; and the provering of the furniture was shot with gold. To be sure, it was too go d to use, and was always covered, except on great occasions; but then it was there It would have been more appropriate in the state apartments of a palace. In our American houses, where we have at f most only two or three rooms in which to roceive rour friends, what right have we to the furniture to f a palace, and why would imagine it was re-publican simplicity, when a woman appears in the robes of a princer? It is a part of the life of the Old World nor the wanton's life the remembrance of what she was | fler pselors were full of ormola, and gilding and and what she might have been. Do you blame carving; and the povering of the furniture was me, then," turbing to the sympathizing conductor "for weeping as I do, over one so laved and It was no tale of fiction. It was painful truth.

tuo's pathiat any sacrifice. A brief career of most only two or three rooms in which to receive pleasure, and we shall find the erring sister our friends, what right have we to the furniture amongst the daily habitness of the Police Court of a palace, and which imagine it was re-

the robes of a princess? It is a part of the life of the Old World no

the robes of a princers? It is a part of the life of the Old World no-bility to blaze add shine and keep up the splen-dors of the court; but if any of them, like old II., had sarged the money, perhaps they woald not have apent it so freety on furniture and oqui page and dismonds. However, here we must initate their splendar and spend the money, (or give notes, as the case may be,) and have per, haps no way to show it off, except to the nighbors, or. In the street. No wonder the Frenchman acked where out ladies were, when he six such or in the street. No wonder the Frenchman asked where our ludies were, when he siw such or in this street. No wonder the Frenchman asked where out ludies were, when he siw such processions of over freeded women in the street. But to go on with my instory. One day Mr. Soie Hammerfeit's note went to protest, and no-body knew how it way; but after that, whatever he had seemed to m it away, brown stone front, palace, furniture and all—summer friends van ished, and nothing remained. What could they do? The whole object of life was taken away. The pour old man was

What could they do? The winde object of life was taken, away. The poor old man was broken and algorith yone, and Mrs H. dropped into a quarrelous old woman, while their children lapsed into hop lessness. The young men had know how to spend mon-ey, to dress and to smoke; were good judges of wine and eigars, and of horses; but had not a thought beyond. The young women scemed equ-ally hopeless; they had accomplishing the --faultion and the present of fault and the mans of hou-man and sigars. "It is Richard Farquerson, father," reiteratsource left him, and that was to secrete himself ! ed Eilen, slightly raising her voice. "An old in the bushes until the next night, and then get home under the cover of the darkness. This he friend, father; not a new one."

"Richard Farquerson, is it? I remember his resolved to do, and accordingly hid himself in a thick grove of bushes Safely hid, he remained under the cover of father. There are great changes, Sir, since then. We will go home, Nellie; perhaps Mr. Farquer-son would like to sit down and rest a short time " He numbled his words indistinctly, and his thoughts seemed all astray. I was most painnot of the most friendly character; but ere long fall shocked to see this fine mind so unstrugg. his seclusion was destined to be intruded upon The family of the fair one seeing his horse still remaining in the pasture, inquired of the lady and to see Ellen's eyes fill with tears as she listened to him. We turned back, and all entered the house together. Elles led the way to a little what she had done with her lover. She was parlor overlooking the garden, and Mr. Morley monplused She only knew that he had left parlor overlooking the garden, and Mr. Mørley nonplussed She only knew that he had left in the NAW BLOCK, NURTHWEST CORNER OF THE PAI as I removed my hat he looked at me carnestly, and a dull red suffused his face. He remember leave his horse? Suspicion was awakened. d'me then, and appeared embarransed, but Bye and bye the boys, who had been out to feed Mill LINKEY AND FANCY GOODS, as this down in a great chair by the window. about three o'clock in the morning; things As I removed my hat he looked at me carnestly, dida't look right; if he had gone, why did he ed me then, and appeared embarraneed, but Bye and bye the boys, who had been out to feed ed 'me then, and appeared embarrassed, but suddenly catching at another idea, he said, in his eld strong voice: "You know my nephew, Tom Fletcher, my sister Rosie's son? Well, Sir, he has robbed his poor old uncle! He has taken his last penny, and left him to starve with his ly held over them. Some awful fate had befal

daughter. "Not while I live, Mr. Morley." said I. Ellan came and stood by me; she was very pale, and transhed excessively. "Listen to Richard, father," said she. And then I spoke, and asked oughly scoured, and the adjacent thickets, when him to give me Nellis. The old man began to to lot our here was driven from his lair by the keen scent of the dogs, all safe, alive and well.

"Don't, father, don't; you break my heart?" but minus the linen. An explanation then en. supplicated my dear girl. "Look at Richard, and speak to him." sued at the expense of our hero; but he was successful in the end. He married the girl and "Would you have believed it of Tem Fletchis now living comfortably in one of the finariab-

er, Sir? I loved that lad as if he had been my ing towns in Iows. own son; I did indeed, Sir." "Let me be your son, Mr. Morley; let me pay you back one tithe of the great debt I owe

ion; the occupied a palatial residence in Upper Tendom, gave fashionable parties, and talked I was only too glad to take her as there she about the clite as if she were one of them. I stood clad in her simple cotton gown and her speak in the past tense, for, as said On poral fresh maiden beauty. I drew her to my side, Trim, "are we not here to-day, and gone in a and put my arm round her; while she leaned her moment?" fice on my shoulder to hide the tears that would nos on my moulder to hide the tears that would come. When Mr. Morley saw us standing thus, he understood all. "She is a good girl, Richard Parquerson; mind you not her well," mid he, tremulately. "If I have said any thing hareh before, I beg your pardon heartily, Sir. I was mistaken; I was deceived." Once upon a time, long ago, Mrs. Sole Hams merfest, in a moment of weakness, made this melancholy disclosure to a friend, to whom the facts were not now, though the phases of feeling were: "Years ago, when Mr. H. was a shormaker.

we occupied a little room, which was workshep, kitchen, and all; and I used to think if I ever "Don't say another word; this moment can eals all," cried I.

had a room to myself, out of the way of the And so Nellie and I were married; and she small of leather, and the overhasting tap of the has been to me for naarly ton years the best hammer, I should be a happy woman. We were truest, kindest wife that over man had. Mr Morley look with us long anongh to see four of you about the knows and then died as fill daugh the same very happily and contailedly, as you all them. And that is all I one tail you of my fortune, children. saving, and we prospered; and by the next year
