to What the finale of this romance will be in beyond the power of human ken.

Beantifully Said.

We make the following beautiful extract on the homestead exemption law, from a letter writ, ten by a distinguished Judge of Tennessee : "Secure to each family, whose labor may acquire it, a little apoil of fresh earth that it may call its own-that will be an asylum in times of adversity, from which the mother and the child " ren, old age and infancy, can still draw sustenance and obtain protection though misfortune may rob them of all else, and they are still free

potency and power of accumulating wealth and domineering of the pretending and ambitions. The sicrolness of that courserated spot will make us to live long enough to witness the second them warriers in time of external strife, 'These the generation of Russia. Gontleman, we may shocks of corn,' said Xenophon, 'inspire' those congratulate ourselves, for this movement is one who raised them to defend them. The largest of great importance. We breathe more like of them in the field is a prize exhibited in the Christians, our hearts best more nobly, and we middle of the State to crown the conqueror.'may look at the light of heaven with a clearer. Secure a home to every family whose labor may was probably owing to the stallues of the watere, eye. We have most to day to express our deep obtain one against the weskness, vices, or min and sincere sympathy for a holy and praisewory fortungs of fathers, 'and you rivet the affection thy work, and we meet without any nervous. of the child, in years of manhood, by a stronger ness to mar our rejoining. Yes, gentleman, I bond than any consideration that could exist. repost it, a new spirit animates us, a new ers has He will remember where he gamboled in his made this port from Wankegan yesterday. It commenced. One of our social conditions is on early youth, the stream noon whuse flowery was filled with a joily company, who were out a early youth, the stream upon whose flowery banks he felt a mother's love; and the green spot within that little homestead where aleep the loved and the lost."

NEW NEWSPAPER REGULATION .--- We are re quested to state that new regulations have been dopted by the respective Post Office Depart. ments of this country and Great Britain for the treatment of newspapers in the mails found to out-anarchy within-and the condition of the individual cast it shadow over perioty at ing to obeck the fraudulent practice referred to,

which is now prevailing in both countries to a much greater extent than formerly. These regulations prescribe that newspapers posted in the United States for the United Kingdom, or vice verse, if found to contain writing or any encloance, shall at the option of the disindividual energies, the want of which is one of patching country, either be stopped and sent to our greatest evils. Let us hope that this great the dead letter office, or be forwarded obarged

drossos, and the sentiments expressed, generally, pers are sent, a like course shall be adopted. The Post Master General has therefore in-

structed the respective United States exchange offices to forward all newspapers, addressed to Gtest Britain found to contain writing or any enclosure, sharged with full letter rate postage; and nontimasters throughout the sountry are par-

be as the sound of many waters !" His andience responded to his wish The words of the verse - -----"Wo'll crowd thy gates with thankful songs, High as the beavens our voices raise ; And earth, with her ten thousand tongues,

heard. After singing the second verse, Mr.

Shall fill thy marts with counding praise."

Most magnificent was the shout of praise that now went up Not a voice was mule, save where consionally some one's nerves were overpowered by the massive rolling obscus that ruse on every side. Never did we so realize what congregational singing might become. It was an ap-lifting of voice and heart, such as one can hope to hear only a few times in the course of life -Much of this grand effect was no doubt awing to the majesty of the tune itself, much to the fact that all the oupgregation knew its and perhaps ont a little to the practice of reading each verse before it was a ung-i practice we have always thought a very reasonable une, especially aning the poor, and those who cannot read

morning last the lake was fromen over out as fur as the eye could reach-an water bring visible. Saturday night was by no means an cold as we have had proviously. The formation of the loc and to the fast that an easterly wind had driven all the floating ice to the shore It is a phonode. anom that is soldom witnessed. A large yawl mounted on runners and diama by his horses, novel sleigh ride. The star spangled hunner waved geneefaily from the storn of the scale. After partaking of a reportat the Harding Manne the company started back; apparently in excellent spirits .- Kenosha Tribuse

A first rate loke took place quile lately in gar Court Room. A woman was testifying in behalf of her son, and swore "that be had worked up" a farm ever since he was born."

The lawver, who erose-examined her, said "You amert that your son has worked on a farm. "over since he was born?"

"What kind of work did he do the year?"

" He milled."

The lawyer evaporated .- Hartford Courant

CURE FOR RANOID BUTTER .-- A writer in the Journal of Industrial Progress recommends that butter should be kneeded with fresh milk, and then with pure water.
