AGENTS GETTING RICH!

THE union of EMERSON'S MAGAZINE and PUTNAM'S MONTHLY has given to the consolidated work a circulation second to no similar publication in the country, and has secured for it contributions from the most brilliant and versatile writers of America. No other magazine in the world During the first month, the sale in the trade and demand for subscribers exceeded 90,000 copies, and the numbers already issued of the consolidated work are universally conceded to have surpassed, in the richness of their literary contents, and the beauty and profuseness of their pictorial illustrations, any magazine ever before issued from the American press Encouraged by these evidences of favor, the publishers have determined to commence the new volume in January with still additional attractions, and to offer such inducements to subscribers as cannot fail to place it, in circulation, at the head of American magazines. With this view they now announce the following splendid programme. They have purchased that superb and costly steel-plate engraving,

"THE LAST SUPPER,"

and will present a copy of it to every three dollar subscriber, for the year 1858. It was engraved at a cost of over $6,000, by the late celebrated A. L. Dick, from the original of Raphael Morghen, after Leonardo Da Vinci, and is the largest steel-plate engraving ever executed in this country, being three times the size of the ordinary three dollar engravings.

The first impressions of this engraving are held at $10, and it was the intention of the artist that none of the engravings should ever be offered for a less sum than $5, being richly worth that amount. Thus every three dollar subscriber will receive the Magazine one year—cheap at $5—and this splendid engraving, richly worth $5: thus getting for $3 the value of $8

We shall commence striking off the engraving immediately, yet it can hardly be expected that impressions of so large a plate can be taken as fast as they will be called for by subscribers. We shall, therefore, furnish them in the order in which subscriptions are received. Those who desire to obtain their engravings early, and from the first impressions, should send in their subscriptions without delay. The engraving can be sent on roll ers, by mail, or in any manner, as subscribers shall order.

$20,000 IN WORKS OF ART.

In addition to the superb engraving of "THE LAST SUPPER," which will be presented to every three dollar subscriber for 1858, the publishers have completed arrangements for the distribution, on the 25th day of December, 1858, of a series of splendid works of art, consisting of one hundred rich and rare Oil Paintings, valued from $100 to 1,000 each. Also, 2,000 magnificent Steel-Plate Engravings, worth from $3 to $5 each, and 1,000 choice Holiday Books, worth from $1 to $3 each, making in all, over TWELVE THOUSAND GIFTS, worth TWENTY THOUSAND DOLLARS.

INCLOSE $3 TO THE PUBLISHERS AND YOU WILL COMMENCE RECEIVING THE MAGAZINE BY RETURN MAIL—YOU WILL ALSO RECEIVE WITH THE FIRST COPY A NUMBERED SUBSCRIPTION RECEIPT ENTITLING YOU TO THE ENGRAVING OF

"THE LAST SUPPER."

and a chance to draw one of three "THREE THOUSAND PRIZES"

REASONS WHY YOU SHOULD SUBSCRIBE FOR

EMERSON'S MAGAZINE for 1858.

First—Because its literary contents will during the year, embrace contributions from over one HUNDRED different writers and thinkers, numbering among them the most distinguished of American authors.

Second. Because its editorial departments, "Our Studio," "Our Window," and "Our Office," will each be conducted by an able editor—and it will surpass, in the variety and richness of its editorial contents, any other magazine.

Third. Because it will contain, during the year, nearly six hundred original pictorial illustrations from designs by the first American artists.

Fourth. Because for the sum of $3 you will receive this splendid monthly, more richly worth that sum than any other magazine, and the superb engraving of "THE LAST SUPPER," worth $5

Fifth. Because you will very likely draw one of the three thousand prizes to be distributed on the 25th day of December, 1858—perhaps one that is worth $1,000

Notwithstanding that these extraordinary inducements can hardly fail to accomplish the objects of the publishers without further efforts, yet they have determined to continue through the year

THE GREAT LIBRARY OFFER.

To any person who will get up a club of twenty four subscribers, either at one or more post-offices, we will present a splendid Library, consisting of over Forty Bound Volumes, embracing the most popular works in the market. The clubs may be formed at the club price, $2 a year, without the engraving, or at the full price, $3, with the engraving of the Last Supper to each subscriber. List and description of the Library, and specimen copy of the Magazine, will be forwarded on receipt of 25 cents. Over 200 Libraries or 8,000 volumns, have already been distributed in accordance with this offer, and we should be glad of an opportunity to furnish a Library to every clergyman, to every school teacher, or to some one at every post office in the country.

MAKING MONEY.

The success which our agents are meeting with is almost astonishing. Among the many evidences of this fact, we present the following from one of our agents already in the field:

"I have now been at work canvassing on your Magazine one week, and am delighted with the business. It is different from canvassing for any thing else I ever tried. I am sure to get a subscriber in every family where they can raise together three dollars. I am never received with indifference anywhere, for the first thing I do is to roll my engraving before I let anybody know what I am after, and thus I get them interested before they know what a splendid offer I am going to make them. Sometimes they ask my price for the engraving and I tell them $5, and when I offer them the engraving and Magazine one year for three dollars they are perfectly astonished. I did not get to going well for the first two or three days:

The 1st day I got	2 subscribers.
The 2d day I got	7 subscribers.
The 3d day I got	6 subscribers.
The 4th day I got	13 subscribers.
The 5th day I got	9 subscribers.
The 6th day I got	17 subscribers.
First week	54 subscribers.

I shall do much better next week. It is the engraving that does the business. Everybody wants the engraving. You may calculate upon from one to two thousand subscribers from me this Winter. I am going to make enough out of the business to buy me a farm in the Spring."

With such inducements as we offer, anybody can obtain subscribers. We invite every gentleman out of employment, and every lady who desires a pleasant money-making occupation apply at once for an agency. Applicants should inclose 25 cents for a specimen copy of the Magazine, which will always be forwarded with answer to application by return mail.

SPECIMEN ENGRAVING.

As we desire to place in the hands of every person who proposes to get up a club, and also of every agent, a copy of the engraving of "THE LAST SUPPER," as a specimen, each applicant inclosing us 25 will receive the engraving, post paid by return mail, also specimens of our publications and one of the numbered subscription receipts, entitling the holder to the Magazine one year and to a chance in the distribution. This offer is made only to those who desire to act as agents or to form clubs. Address

HOWARD ASSOCIATION,

PHILADELPHIA.

A Benevolent Institution, established by special endowment for the relief of the sick and distressed, afflicted with Virluent and Epidemic diseases.

TO all persons afflicted with Sexual Diseases, such as SPERMATORRHŒA, SEMINAL WEAKNESS, IMPOTENCE, GONORRHŒA, GLEET, SYPHILIS, the Vice of ONANISM, or SELF ABUSE, &c., &c.

The HOWARD ASSOCIATION, in view of the awful destruction of human life, caused by Sexual diseases, and the deceptions practised upon the unfortune victim of such diseases by Quacks, several years ago directed their Consulting Surgeon, as CHARITABLE ACT worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give MEDICAL ADVICE GRATIS, to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.) and in cases of extreme poverty, MEDICINES FREE OF CHARGE. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.

Just Published by the Association, a Report on Spermatorrhœa, or Seminal Weakness, the Vice of Onanism, Masturbation or Self-Abuse, and other Diseases of the Sexual Organs, by the Consulting Surgeon, which will be sent by mail, (in a sealed letter envelope,) FREE OF CHARGE, on receipt of TWO STAMPS for postage.

Address, for Report or treatment, Dr. GEORGE R. CALHOUN, Consulting Surgeon, Howard Association, No. 2 South Ninth Philadelphia, Pa

By order of the Directors.

What Daniel E. Thompson says.

I HAVE witnessed over Fifty cases in which CARTER'S COMPOUND SYRUP OF BALSAM WEED has been used, both inwardly and outwardly, as a medicine, and in no case, did it fail to afford relief. Among those were cases of Colds, Asthma, Chills and Fever, Sore Throat, Sore Breast, Rheumatism in the Back and Limbs, Sore Throat and Lungs, Pleurisy, Diarrhœa, &c., &c. The light produced by it will stand unrivalled and will certainly with others it is a most valuable Medicine, and considered in itself, more curative properties than any other single Preparation that I ever knew of. I do not hesitate to say that it is a most proper Medicine to be kept in every family. Those that make trial of it will certainly corroborate the above statement.

Erie, Feb. 27, 1858. DANIEL E. THOMPSON.
