the Cleveland papers of Monday give the parnof the shooting of a man on Saturday named ('anfield, in Auburn, Geauga counom which we make the following extracts: We learn from a gentleman directly from Change Falls, the full particulars of a homicide occurred in the town of Auburn, Geauga on Saturday evening, the 15th inst. A Mrs Abbey and her two daughters had seeping a house of bad repute in the vicini May's Mills in Auburn, and the people of peighborhood resolved, all other expedients that perguine the number by forcible means n'e learn that the conduct of the inmates of house towards their neighbors, and even pasgas uncommonly lowd and disgusting much so as to become intolerable—and last gent the neighbors, to the number of 10 or nd proceeded to the house to make a It appears that the Abbeva gwarned for they had invited Jeremiah father inslaw of Mrs. A., who resided ('lark Blood, and a man named Ken-Condit, to come and defend the house tid went armed with a cavalry or "borse" pisand Kendid had a common brass pocket pis-The postol carried by Blood was laid on the able near the west window of the house About clock in the evening the citizens attacked bouse-kneeked the doors down and broke guidows and smashed up some of the furni but offered no personal violence to any one

Mr Tyrus Canfield, one of the attacking pargent into the house and kicked over the stove d was passing out of a door near the west winwe, where Blood's pistol lay on the table, when was fired upon by one of the inmates of the puse and killed. The shot passed through the domen, but at what exact point we are unable learn. He was conveyed home, where his sroused from her slumbers to learn that her was shot The man who carried him immediately for a physician -and Mrs muft alone with her dying hu-hand, and mie ones. He died in about three minutes det, it some fifteen minutes from the time he raind the wound

(it Sunday morning an inquest was had upon me body of Mr Canfield, and the jury returned redict " that Tyrus Canfield came to his death sabill discharged from a pistol in the hands some person unknown " Abbey, Blood and ad Kendid were arrested on Sunday on a charge manslaugh er

The Phain Dealer says that "Mr Canfield was e of the most respectable citizens of Auburnighly esteemed by all who knew him as an honcupright man, and was in the prime of life. eme about 40 of 45 years old."

THE THIRTIETH OF APRIL, 1858 — "A dark and fatal Friday!" Such is the appoilisment which Col. Forney's Press applied to the day mich witnessed the passage of the Kanana adatment in Congress. We imagine that the ascention of Friday, which the Press appeals quet about sa well founded as the arguments are used by the Press in opposition to this were, which are all based upon the most be and untenable foundation. Both the sufections and the arguments will be repudiated he intelligent citizen, and only succeed with unreflecting and ignorant It so happens Ir. at at the "30th of April," when the Kansas meathe city of New York, and our present happy system of government was put into successful Wm A. Bach preration As our Union commenced its pract; alexi-face on that day, it wis every why ap. ; propriate and becoming that a measure which adupon its anniversary. The fact that it set have so happened that the proposition of > aference Committee was adopted on that is a conneidence inspiring joy and hope,

The than gloom and apprehension - Cincineast and durable ther than gloom and apprehension - Cincin-

RECKLESSNESS - A reckless dare devil, nam. Sellers, made a balloon ascension from Dayton, Ohio, the other day. Instead of a silk bale the had provided a buge muslin concern, coated stand provided a buge muslin concern, coated stand provided a buge muslin concern, coated DR. H. W. WADSWORTH. is size and shape very much resembling the cauwe under which the small showmen on the out. | WILL shirts of the circus exhibit fat women and big snakes It was to be set affoat by building a bre under it and inflating it with rarified air .--While being inflated, it caught fire, but he figat y went off, rising at least a mile high. After eing at this height for a brief period, the rent a the balloon allowing the rarified air to escape rapidly, he began his perilous descent, which was early as rapid as he had travelled upward. At ue time he was in danger of a cold bath in the veil-wollen Miami, but a current of wind struck him, and he came down safely in a marsh, about mile from the starting point. Altogether, it sing his first attempt to get heavenward, and in wha frail vessel, it was the most foolish and miless adventure that we have heard of for

MHOONER CAPSIZED -Capt Hickey, of the rellor Wisconsin, which arrived in port last ring, reports to the Review, that in running louthe Rondon Point, Canadian shore, back Pigeou Bay to neek shelter, be discovered a ward Print au Pelee, so far in that she could as weath r the Point, the seas at the time runpriest gale N E by E In carrying can want sufficient to fetch outside the Point she cap-rzed! The crew, who were seven in number, hung on buges, each sea in succession diminishing

their notabers; until they all disappeared Ho ould not make out the name of the vessel although he could see the crew motioning with colutretebed arms, for assistance, which only for ber locality and the fremenduous were that was runuing, he would have endeavored to render at a reasonable peril of his own charge.

The gale which prevailed at the time was tree mendance, willy, coupled with the fact that the Wisconia was heavily laden, will excuse Cap. tain Hickey for not attempting to rave the unfortunate crew of, the unknown solooner --Gereland Plaindealer, 13th.

GETTING OUT OF A DURL. - Moris R Resgan State officer of Texas, according to his card sublished in the Austin papers last month, arm-I have forth a revolver, and insuited George Paschil, editor of the Austin Intelligencer, in he street, the latter being at the time unarmed. Pastha seut a challenge Reagan declined to Whit a du i, because it would deprive him of his he seconding to the obistitution, but invited Par hab to most him at the post office, during dam as hours, armed with a many revolver -Paschal refused, on the ground that a rencontre then he place, at the hour named, might place in jeopardy the tives, not only of disinterested neu, but also if women and children. He offered, however, to meet Mr. R sgan on the race track, at summer, prepared to pitch in Mr. Res. gas thought that would look a cittle like a duel, but therefor he concluded to hack ont

SINGULAR APPAIR - The Lockport Courier ways that a young lad, son of wid w Stevens, who here on Chestnut street, in that village, one day week before last, got into a difficulty with a brighlor's buy, which resulted in his heing threatened with arre t, which so frightened him that he ran himself to death. It is said that he ran himself to death in a her ran himself to death. It is said that he ran himself to death himself to death himself to "ys that a young lad, son of wid w Stevens,

OII? YE BALD HEADED, We invite the att OII? YE BALD HRADED....We invite the attention of those who are hald headed, and those who are afraid of scoming so, to the advertisement of Prof. Wood's Heir Restoration in to-day's pager. We are not in the habit of pulling every quack northum that is advertised in our paper, but we yeel it our daty, when we come across an article that is good, to let the people know it. We have no fears of having soon to "nond under hare poles," and therefore have not used the Restoration, but think, if the certificates of housest men can be relied upon, that it must be a first rate article. Try it, ye whose natural wige need rejuvenation.—Reckville Republican. Sold in Erie by all Druggist.

EVERY FEMALE SHOULD READ THE FEMALE MEDICAL PRECEPTOR: OR, THIRTY YEARS STUDY AND EXPERIENCE, especially devoted to disease of Women; by Cornelius L. Chesseman, M. D., New York City. An Instructor, a guide, and a Physician. In which is embodied a full and charte description (knowledge necessary to the welfare of those married or about to be married) of the process of conception, programmer and delivery. Held realise and decrease and all the second conception. which will obviate the necessity of any great amount of and enable the observant reader to be, to a great extent, her own physician.

TENTH EDITION.—This Book is more available to the understanding of the non-professional reader, and more skillfully elaborated, planned, arranged, and carried out, than any work of its tind now before the public. While it gives wholesome particulars, and in some respects exclusive information upon some of the most delicate affairs connected with the female system. It should be placed in the hands of every female, single or married. PRICE to CFNTS.

50 CPNTS.

This work also contains prescriptions used by the Doctor in his practice for the positive cure of Scrophious Eruptons—Fiver and Aque—Severe Conghs and Onlds—Rheumaism—Dyspepses—Finling of of the Hear 4c., 4c., any one of which prescriptions may prove of great value to the reader.

MR. WALSH'M CANM.—Having been troubled for some time past with rather pseudiar pains and uneasy feelings in my stomach and bowels from which ordinary meshcher did not in the least relieve me. I tried by advice, Canvin's time. MAY WORN CANV, taking the contents of a Box at three dozes, and the effect reality astoniabed me, I could not have slept a night, had I known or thought that I was the habitation of such w mass of living reptiles, as this medicine brought together. However i am now relieved both from my pains, and the cause of them, and feel altogether like another person, and as a matter if justice to blesses Carter & Bro., and for the benefit of others I make this public staffment.

N. B. The medicine used in the above case, was Carter's Gamman Worn Carter, which is always of two kinds, Red and White. Rries, Jan. 20, 1868.

ONE THING CERTAIN It is now made certain that no Medicinal Preparation, whatever, whether Pulls, Butters or Nyrap has ever been found equal in all respects to CARTER'S ANT-CONTENT AND LIVER POWHERS, WE asset, gradual, yet certain cure for Continens, Sick Headache, Noir Stomach, Dizinness and Swimming of the Head, Jaundree, Had Breath, Want of Appetite, especially for Breakfast, Waterbrash, Names, Faint ness, Chiliuess, Shiverings, Coldness of the Feet and Hands, with occasional Plusher of Heat, &c., &c., there is acarcely an exception to this statement. Full nineteen out of every twenty per sons that give them a fair trial, prove to their satisfaction the truth of this statement.

UNITED STATES GRADUATED LAND. OFFICE PIONEER LAND AGENCY. Locating Government Lands,

AT 121 CENTS PER ACRE,

LAND WARRANTS. N. P. STEPHENSON, & CO., PLANTERS HOUSE, ST. LOUIS, MO.

PLANTERS HOUSE, ST. LOUIS, MO.

WOULD Respectfully inform the Public, that he is prepared to
that or enter selected tovernment Land, at 18%, 25, 56
and 75 cetts per acre, in Missouri Prairie, Timbonid, Miseral and
Ples Lands. Also, locates, buys and sells Land Warmants. Assignments of Land Warmants executed, examined and corrected. Selections invariably made from actual inspection; principally adjasent to the chartered lines of railroads which are under process of Radas Hills, ) No. 16, November Term, 1857.

In paramance of an order and decree of the Court aforemid in the above smittled percenting in partition, made the Tth day of May, 1858, I will expose to public mise or vendue on Saturday, the 28th day of Juna, A. D. 1856, at 10 o'clock, A. M., on the pressions in the city of Erie, Penn's; the following described lot or piece of land situate in said city, to wit: Beginning at a paint in the west line of StainStreet forty-six and a half (68%) fost couthwardly from the intersection of said west line of StainSt with the south line of Fifth Street; thence southwardly along the west line of Stain Street, eighteen (18) feet; these southwardly parallel to Stain Street eights-two and a half (62%) feet; these so northwardly parallel to Stain Street eights-two cighteen (18) feet; these sectionarily perpendicular to Stain Street, eighty-two and a half (62%) feet; these sectionarily perpendicular to Stain Street, eighty-two and a half (63%) feet to the place of beginning. cent to the chartered lines of railroads which are under process of construction. Competent Surveyers constantly in the field, making examinations, and furnishing this office with the result. Persons who have not availed themselves of the benefit of the Graduation Act, approved August 4th, 1856, can acquire from the Government of the United States 220 Acres of Land at the above graduated prices, by making the required affidavits and applications, which affidavits and applications can be prepared for said selected land, and the entries made through this agency.

Having a thorough knowledge of the country, an intimate acquaintance with the land system, and an unsurpassed experience it this business, enablesime to make desirable and valuable locations or entries. The entire cost of 220 acres is \$65.

Will attend to the purphase and sales of Farms and Lands of all descriptions.

descriptions.

Taxes paid on land in any part of this State. Prompt attention given to all communications, and perfect satisfaction guarantees in all business intrusted to this Agency. Pursons must come within this State to make application. Persons desiring Patents for land entered, can have their claims attended to, by leaving their Duplicate Certificates.
