JACKSON a *World-wide reputation.*

REGULAR VISITS!

Dr. JACKSON will make regular visits to a large number of the principal Towns in Ohio, Pennsylvania, and New York. Patients can thus have the privilege of consulting *regularly*, once in form one to three months—a matter in very many cases indispensable in performing a cure. It is difficult for any Physician to prescribe a course of medicine by only once seeing his patient, to effect a permanent and lasting cure.

INVALIDS should MARK WELL the TIME!

And CALL EARLY as possible. The time is limited and the appointments will be punctually kept as above.

If sick with any CHRONIC disease, DO NOT DELAY, as time only tends to confirm and render a CURE more protracted and difficult.

Dr. JACKSON will make examinations of the Lungs and CHEST, by the use of the STETHOSCOPE, FREE OF CHARGE.

Dr. JACKSON, will not prescribe without prospect of benefiting his patients. *No false* promises will be made, or expense incurred, without corresponding prospect of recovery.

Dr. JACKSON does not tear down to build up and uses no mineral poisons in any cases.

Dr. JACKSON procures his medicines from the wilderness of the Fair West, analyses and compounds them himself.

Dr. JACKSON wishes it distinctly understood that he regards CONSUMPTION AS A CURABLE DISEASE and is willing that his claims to public confidence may be estimated by the success attending his treatment.

Dr. JACKSON, although paying SPECIAL attention to LUNG, THROAT, HEART and FEMALE DISEASES, also invites to consultations in ALL CHRONIC diseases incident to the human system. Seeing many thousand cases every year, he is well prepared to give an opinion as to the curability of any case.

Dr. JACKSON, would also say to all person wishing to consult Dr. J, by letter should direct to him at Erie, Pa., giving him a full statement of their case, and if they design he have medicines sent them by Express or otherwise, enclose a reasonable fee. Medicines, with instructions, for their use, and advice, will be promptly forwarded. Dr. J, has in the past year treated a large number successfully none of whom he has seen face to face—but when convenient he would advise all to consult him personally

NO CHARGE FOR CONSULTATION.
