WAR WITH ENGLAND.

The small creek of water which has nearly disappeared from the political horizon. We were not of the number who believed the English Government would stand with the U. S. and the promissory with which her leading newspapers and journals have disclaimed the responsibility of her Government in seeking and detaining the small creek of water.

THE FOURTH OF JULY. We believe preparation for celebrating the coming anniversary of our national independence, are being made throughout the length and breadth of our country.
