SUFFICIENT UNTO THE DAY —The last number of the Hamilton *Telegraph* contains a leader which we extract the following judicious observations

It is right and proper enough to discuss the decisions of the Dred Scott case, and the true interpretation of popular sovereignty, and expressions, touching the slavery question, but had the same effect to familiarize the people with the respective powers of the State and General Governments. Nevertheless, the question, we all know that if the territories want slavery, *they will* — if not, *they will not have it* That is the whole matter, differ as we may Sometimes. The leading democratic states South view it in this light, and they much sagacity to ask the intervention to protect them against the majority people of the territories. The Supreme decided that Congress had power to United States Bank The people representatives opposed to the renewal of and thus the decision was rendered The Supreme Court decides that citizen has a right to take his slaves in If they have only to *do nothing*, and is shorn of its power We repeat South will never ask the intervention of to protect slavery in the territories — does, then a practical issue will be pre and then it will be time enough to make strength. *Until it does*, the question obstruction which should no more be pre to divide and distract our party than that infant baptism, or the perfection of the

SUDDEN APPEARANCE OF A SPRING —On Sunday morning last, Mr George Golden, who resides on the Hollow Road, within the city limits, was awakened at an early hour by the sound of rushing water On getting up he was astonished to find that a spring of water had burst forth in the middle of his yard, and was rapidly overflowing the adjoining premises As soon as assistance could be procured a channel was dug for the reception of the water, which soon carried it to the neighboring creek; but not until hundreds of Mr Golden and Mr. Carter had been flooded The spring which made its appearance so suddenly is flowing on in an undiminished volume The aperature in the ground is as large as a man's thumb, and the water is cool, clear, and limpid It has already formed quite a romantic rivulet The soil through which it burst is that known as "hard pan," and in the vicinity there are several things of a similar nature The circumstance is worthy the attention of scientific men — *Troy Whig Nov 13*

KANSAS —It is quite as difficult, now-a-days, to get up an excitement in Kansas as it is to get up one about it The Kansas Constitutional Convention was to have met on the 10th instant, to be followed by a Mass Convention on the 11th The Convention met on the 10th—Present, one delegate from Breckenridge, three from Frank lin, one from Johnson, and eight from Douglas—total 14

So the Convention adjourned without saving the country Conway and Vaughn, who, since the obscuration of Jim Lane, are the magnates of the agitators, declare their purpose to inaugurate a party on the Seward Platform Something of this sort seems to be necessary for consistency's sake, for just at present a portion of the New York Republicans are all who manifest any disposition to adopt that theory of political action Republicans, both east and west, repudiate

WHY ARE WE SICK — Simple remedies are often sought for in vain, while diseases, which, if left to themselves would have run a short course, are, by the assistance of medicine, rendered chronic. Health is restored by the assistance of nature, through the blood. Purify the blood, and you remove the cause, and disease disappears. Nothing will do this so effectually as Dr. Townsend's Sarsaparilla. Indeed, there is no other remedy that can be relied on. Those who have used it, know its value, and those who have not, should do so at once. Sold by all druggists.

IMPORTANT TO FEMALES — Dr. CHEESEMAN'S PILLS, Prepared by Cheeseman & Co., Manchester, N. Y. The combination of ingredients in these pills are the result of long and extensive practice. They are mild but certain in effecting a perfect cure of Female Complaints, removing all obstructions, whether from cold or otherwise, pain in the side, palpitation of the heart, nervousness, hysterics, fainting, pain in the back and the head, which arise from obstructions.

LIVER COMPLAINT, Dyspepsia, Indigestion, Costiveness, Jaundice, Loss of Appetite, Nausea at the Stomach, Sick Headache, Fever and Ague, and all diseases arising from a disordered state of the Stomach or Liver, are speedily cured by Dr. Cheeseman's Pills. They are purely vegetable, and never fail to give satisfaction.

CAUTION — As there is one certain case in which a spurious article will be taken without precaution, a DEFICIENCY OF THE GENUINE MEDICINE received for sale in Erie, the undersigned would caution the public against purchasing such. Such is the irresistable tendency of the medicine to restore all functions to a normal condition, that even the power of nature cannot resist it

Sold by the Proprietors, Manchester, N. Y., and by druggists generally throughout the United States and Canada. Price 25 cents per box. Full directions accompany each box. For sale by E. F. HUTCHINS, Erie, Pa., and by druggists generally throughout the United States, Canada, and South America. Wholesale orders may be addressed to the proprietors, or to their agents, Erie, Pa. E. F. HUTCHINS, Agent.

HAIR DYE HAIR DYE HAIR DYE! — WM. A. BATCHELOR'S HAIR DYE. This splendid article is the best in the world. It is perfectly harmless, and will instantly change Red, Rusty or Gray Hair to a beautiful Black, or Brown, according to the application. This Dye is not a sticky, messy preparation, but is in the form of a Liquid, and is applied with a brush. It produces immediate effects. Sold by all Druggists. Factory, No. 16 Astor House, New York.

MEDALS AND DIPLOMAS have been awarded to the Proprietor since 1840, and over 50,000 applications have been made for the genuine article. Be sure and call for "A. BATCHELOR'S HAIR DYE," and take no other. The genuine is signed A. BATCHELOR, and has a steel plate fac simile of the same on the side of the box, which is colored in imitation of the Wrapper. The Hair Dye, operated for Dr. A. J. Pond, is the best in the world, and is the only one that can be relied on. Factory, No. 81 Barclay street, New York.

WIGS — WIGS — WIGS. — BATCHELOR'S WIGS AND TOUPEES surpass all. They are elegant, light, durable — no turning up behind — and will not be told by the other establishments where these things are made. 16 Broadway, New York.

DR. WADSWORTH, will visit Brown's House on Saturday, Dec 6th, and remain one week, during which time he may be consulted on all diseases requiring medical skill.

TARRANT'S COD LIVER OIL JELLY — Approved by the N. Y. Pure Ohio Catawba Brandy!

THIS BRANDY has been manufactured several years from the PURE JUICE of the CATAWBA GRAPE, thus affording additional evidence of the progress of American Enterprise and Industry, and of our ability to produce articles at home equal to those made by any other nation.

OHIO CATAWBA BRANDY not only excels the best Imported Brandies in purity and flavor, but, in fact, THE BEST BRANDY KNOWN.

This statement is fully corroborated by the certificates of our most distinguished analytical chemists

The want of PURE BRANDY has long been felt in the country, and the introduction of an article of such quality as to supersede the sale and use of those vile compounds hitherto sold under the name of Brandy, can only be regarded as a great public good. The CATAWBA BRANDY possesses all the good qualities claimed for the best Imported Brandy, and of perfect purity and superior flavor, and a sovereign and sure remedy for

Dyspepsia, Flatulency, Cramp, Chole, Languor Low Spirits, General Debility, Cholera Morbus, Cholera Infantum, Diarrhœa, &c

No FAMILY SHOULD BE WITHOUT IT.

RETAIL PRICE $1 25 PER BOTTLE.

I hereby certify that I have this day received from [illegible] a sample of Catawba Brandy, bought [illegible] and that I have no hesitation in pronouncing it a pure grape brandy, and of a superior quality.
