quack remedies, the names of which are concealed and of which they know nothing. That dreadful scourge, CONSUMPTION, might have been checked in its commencement, and disappointed of its prey, all over the land; if the first symptoms of Nervous Debility, had been counteracted by CAMOMILE, chemically prepared, and those bowels complaints, which lead to a host of fatal maladies, might have been obviated by that fine alkaline extract of Rhubarb, which is a leading ingredient in the Aperient Family Pills. Before both of those medicines, which are adapted to the purposes for which a majority of them are unnecessarily used, a feverish, bilious disorder, headache, female debility, male decline, indigestion, and liver complaint, would have entirely disappeared, where many of them have proved fatal.

THE MALES who are troubled with sick headache, faintings, or giddiness, palpitation of the heart, loss of spirits, loss of appetite, pain in the side, general debility, or bodily weakness, rejections of food, &c., may be effectually restored to health by using Dr. EVANS' CAMOMILE TONIC AND FAMILY APERTIENT PILLS, which are invariably recommended by all those that have used the invaluable medicine. Perseverance in the use of this invaluable medicine, will undoubtedly effect a cure even in the most acute or obstinate diseases, but in such cases the dose may be augmented according to the inveteracy of the disease; these Pills being so admirably adapted to the constitution, that they may be taken at all times and under any circumstances.

Office and General Depot, No. 19, North 8th street, Philadelphia.

The above medicine can be had at the Drug Store of Samuel F. Green & Co, in the Borough of Huntingdon.

TO THE PUBLIC. I, Michael Brode, of the county of Huntingdon, Pa., do certify, that I was for 12 years afflicted with dyspepsia, and in that time applied to several physicians, one of whom decidedly the most distinguished in Westmoreland Co, pronounced my case entirely out of the reach of medicine.

For the last six years previous to the 13th day of June, 1838, I was not able to do a single day's work, and the digestive powers of my stomach were so completely prostrated, that in many instances I vomited my victuals in 20 hours after having eaten them, on which not the least sign of digestion appeared.

On the 4th of June last, I set out for the purpose of procuring a certificate from Dr. Wm. Richard of Trough Creek Hunt, county, to exempt me from a fine for the non-performance of military duty on the regular days of training in May last, and it was with the utmost difficulty that I reached the residence of the Doctor, having been obliged to lay down by the road-side three times on account of severe pains, and the weakness and weariness consequent thereon.

When I stated my business to Dr. Richard, he suggested to me the propriety of taking medicines. At once told him that I could not do so, as I was entirely destitute of money, and had a large and helpless family, which I had no means of supporting, and that I considered my case entirely hopeless, and did not wish to incur debts for medicine.

Upon his expressing an opinion that I might still be cured, I was induced to make trial of his medicine, and the result was, that in 10 days I began to work some, and in 15 days I commenced mowing and through raying, and harvesting, I was able to make a full hand every day, and have been able to work every day since without the least symptom of a return of the disease. I am now 40 years of age, and I am fully as able to do a days work as ever I was, and I feel truly thankful to a kind Providence for having directed me to Dr. Richard; and I would respectfully and earnestly recommend to all who may be similarly afflicted, to avail themselves of his skill, and services, without delay.

Given under my hand at Trough Creek, Huntingdon county, Pa., this 15th day of Nov. 1838.

HARRISBURG PAPERS.

SEMI-WEEKLY TELEGRAPH. LEGISLATURE PROCEEDINGS.

THE ensuing Legislature will be one of unusual interest to every citizen of the Commonwealth. The adoption of the Amendments to the Constitution, will give rise to new legislation in which it is not unlikely that party feeling may become warmly enlisted, and subjects agitated that will excite the strongest desire to obtain early and correct information.

A new Administration, it is expected, will also come into power, and give birth to new measures under its new men. These, together with the ordinary duties of Legislation, will make the coming Legislature a busy as well as important one. During its session the "Pennsylvania Telegraph" will be published twice a week and contain late and fatal accounts of its proceedings, taken by experienced reporters. It will also contain Congressional proceedings, and general news.

TERMS: For the session \$2 For the year \$3 THEO. FENN, Harrisburg, Nov. 10, 1838.

INTELLIGENCER & DEMOCRAT. LEGISLATIVE PROCEEDINGS.

THE ensuing session of the Legislature of this Commonwealth, it is expected, will be one of more intense interest to the people than any that has preceded it. Not only will it be the first session under a new organic law, untried, and in the estimation of many thousands, of doubtful utility, but it will be the first session of contested elections—the first session to which the abused ballot-box will appeal for redress.

Parties being nearly balanced, and each firm as the ever-lasting hills in support of its peculiar tenets, their conflicts—the one battling under the sacred people of truth, for the best interest of the people—the other with dark banner of falsehood waving over it, contending for power and the attendant "spoils of victory,"—will attach an interest to the session which will render vehicles of correct information in regard to the proceedings, of immense importance to the citizens of Pennsylvania.

Such vehicle will be found in the "Intelligencer & Democrat" the editors of which pledge themselves to spare no pains, labor or expense, to render their sheet worthy of public patronage.

As the undersigned have both had experience in reporting, and are also practical printers, they will be able to give full and correct reports of the sayings and doings of the two Houses, and place the intelligence in their paper in the most attractive and satisfactory form. In addition to Legislative reports, they will give ample sketches of the proceedings of Congress, and a general summary of the news of the days.

TERMS: For the session, (twice a week) \$2 For the whole year, \$3 Payable in advance. Any person forwarding 5 subscribers for the session enclosing a \$10 note will be entitled to a sixth copy gratis.

PROSPECTUS OF THE HARRISBURG CHRONICLE.

There being nothing which so much enhances the value of a public journal as early and faithful news, the editor and proprietor of the Harrisburg Chronicle has made such arrangements, as will not fail to make his paper equal, if not superior to any other in the place, during the ensuing year, in this particular.

The sessions of the State Legislature the coming session, promise to be unusually interesting. The policy of the new State administration, must excite curiosity in the minds of all such as take any part in the politics of the day, inasmuch as the friends of the new Governor have found much fault with the administration of Joseph Ritner, though one of the best Governors Pennsylvania ever had; and it remains to be seen from what this winter will develop, whether the people have made a wise change.

Besides the interest [which the policy of the new administration will give rise to, the duties of this winter's Legislature will be such as to engage the serious attention of every citizen in the State. Among many other matters it will have the altering and the amending of existing laws, so as to conform to the provisions of the new Constitution, and make such others as the emergency will require, which will be neither few nor unimportant.

As it is our purpose to continue the publication of the Chronicle, and with zeal, we will not say with what ability, do battle against locofocoism, Van Burenism, Fanny Wrightism, and all other destructive isms, we most earnestly call upon the

friends of democracy and good government to aid us; if not for our sake, let them do it for the sake of the cause we espouse.

TERMS. This paper will, as heretofore, be published twice a week during the session of the Legislature, and once a week during the remainder of the year, on a fine double medium sheet, and new type, at \$3.00 per annum payable in advance. For six months including the session of the Legislature, \$2 50 in advance. No subscriber can discontinue his paper until all arrearages are paid.

Any person forwarding five names as subscribers, shall have a copy of the Chronicle gratis. E. GUYER.

THE MUSEUM OF FOREIGN LITERATURE SCIENCE AND ART.
