## HARRISBURG PAPERS.

SEMI-WEEKLY TELEGRAPH.

LEGISLATURE PROCEEDINGS.

THE ensuing Legislature will be of unusual interest to every citizen of the Commonwealth. The adoption of the Amendments to the Constitution, will give rise to new legislation in which it is not unlikely that party feeling may become warmly enlisted, and subjects agitated that will excite the strongest desire to obtain early and correct information.

A new Administration, it is expected, will also come into power, and give birth to new measures under its new men. These, together with the ordinary duties of Legislation, will make the coming Legislature a busy as well as important one. During its session the "Pennsylvania Telegraph" will be published twice a week and contain late and fatal accounts of its proceedings, taken by experienced reporters. It will also contain Congressional proceedings, and general news.

## INTELLIGENCER & DEMOCRAT.

LEGISLATIVE PROCEEDINGS.

THE ensuing session of the Legislature of this Commonwealth, it is expected, will be one of more intense interest to the people than any that has preceded it. Not only will it be the first session under a new organic law, untried, and in the estimation of many thousands, of doubtful utility, but it will be the first session of contested elections—the first session to which the abused ballot-box will appeal for redress. Parties being nearly balanced, and each firm as the everlasting hills in support of its peculiar tenets, their conflicts—the one battling under the sacred people of truth, for the best interest of the people—the other with dark banner of falsehood waving over it, contending for power and the attendant "spoils of victory,"—will attach an interest to the session which will render vehicles of correct information in regard to the proceedings, of immense importance to the citizens of Pennsylvania. Such vehicle will be found in the "Intelligencer & Democrat" the editors of which pledge themselves to spare no pains, labor or expense, to render their sheet worthy of public patronage.

As the undersigned have both had experience in reporting, and are also practical printers, they will be able to give full and correct reports of the sayings and doings of the two Houses, and place the intelligence in their paper in the most attractive and satisfactory form. In addition to Legislative reports, they will give ample sketches of the proceedings of Congress, and a general summary of the news of the days.

The "Intelligencer" is Democratic in politics—supports the Patriotic and Statesman of the West—GEN. W. H. HARRISON—for the Presidency in 1840—and will ever be found the unwavering opponent of Locofocoism, and all kindred destructive heresies.

## PROSPECTUS.

OF THE

HARRISBURG CHRONICLE.

There being nothing which so much enhances the value of a public journal as early and faithful news, the editor and proprietor of the Harrisburg Chronicle has made such arrangements, as will not fail to make his paper equal, if not superior to any other in the place, during the ensuing year, in this particular.

The sessions of the State Legislature the coming session, promise to be unusually interesting. The policy of the new State administration, must excite curiosity in the minds of all such as take any part in the politics of the day, inasmuch as the friends of the new Governor have found much fault with the administration of Joseph Ritner, though one of the best Governors Pennsylvania ever had; and it remains to be seen from what this winter will develop, whether the people have made a wise change.

Besides the interest [which the policy of the new administration will give rise to, the duties of this winter's Legislature will be such as to engage the serious attention of every citizen in the State. Among many other matters it will have the altering and the amending of existing laws, so as to conform to the provisions of the new Constitution, and make such others as the emergency will require, which will be neither few nor unimportant.

As it is our purpose to continue the publication of the Chronicle, and with zeal, we will not say with what ability, do battle against locofocoism, Van Burenism, Fanny Wrightism, and all other destructive isms, we most earnestly call upon the
