and instead of giving him my receipt for said
counterfeit note, (as he alleged it was) gave

**HARRISBURG
PAPERS.**

SEMI-WEEKLY TELEGRAPH.
LEGISLATURE PROCEEDINGS.
THE ensuing Legislature will be one
of unusual interest to every citizen of the
Commonwealth. The adoption of the
Amendments to the Constitution, will
give rise to new legislation in which it is
not unlikely that party feeling may be-
come warmly enlisted, and subjects agi-
tated that will excite the strongest desire
to obtain early and correct information.
A new Administration, it is expected,
will also come into power, and give birth
to new measures under its new men.
These, together with the ordinary duties
of Legislation, will make the coming Leg-
islature a busy as well as important one.
During its session the "Pennsylvania
Telegraph" will be published twice a week
and contain late and fatal accounts of
its proceedings, taken by experienced re-
porters. It will also contain Congress-
ional proceedings, and general news.
TERMS:
For the session \$2
For the year \$8
THEO. FENN,

INTELLIGENCER & DEMOCRAT.
LEGISLATIVE PROCEEDINGS.
THE ensuing session of the Legisla-
ture of this Commonwealth, it is ex-
pected, will be one of more intense interest
to the people than any that has preceded
it. Not only will it be the first session
under a new organic law, untried, and in
the estimation of many thousands, of
doubtful utility, but it will be the first
session of contested elections—the first
session to which the abused ballot-box
will appeal for redress. Parties being
nearly balanced, and each firm as the
everlasting hills in support of its peculiar
interests, their conflicts—the one battling
under the sacred people of truth, for the
best interest of the people—the other
with dark banner of falsehood waving
over it, contending for power and the at-
tendant "spoils of victory,"—will attach
an interest to the session which will ren-
der vehicles of correct information in re-
gard to the proceedings, of immense im-
portance to the citizens of Pennsylvania.
Such vehicle will be found in the
"Intelligencer & Democrat" the editors
of which pledge themselves to spare no
pains, labor or expense, to render their
sheet worthy of public patronage.
As the undersigned have both had
experience in reporting, and are also prac-
tical printers, they will be able to give full
and correct reports of the sayings and
doings of the two Houses, and place the
intelligence in their paper in the most at-
tractive and satisfactory form. In addi-
tion to Legislative reports, they will
give ample sketches of the proceedings of
Congress, and a general summary of the
news of the days.
The "Intelligencer" is Democratic in
politics—supports the Patriotic and States
man of the West—GEN. W. H. HAR-
RISON—for the Presidency in 1840—
and will ever be found the unwavering
opponent of Loco-focism, and all kind-
red destructive heresies.

TERMS:
For the session, (twice a week) \$2
For the whole year, \$8
Payable in advance. Any person for-
warding 5 subscribers for the session en-
closing a \$10 note will be entitled to a
sixth copy gratis.

PROSPECTUS.
OF THE
HARRISBURG CHRONICLE.
There being nothing which so much en-
hances the value of a public journal as
early and faithful news, the editor and
proprietor of the Harrisburg Chronicle
has made such arrangements, as will not
fail to make his paper equal, if not superi-
or to any other in the place, during the
ensuing year, in this particular.
The sessions of the State Legislature
the coming session, promise to be un-
usually interesting. The policy of the new
State administration, must excite curi-
osity in the minds of all such as take any
part in the politics of the day, inasmuch
as the friends of the new Governor have
found much fault with the administration
of Joseph Ritner, though one of the best
Governors Pennsylvania ever had; and it
remains to be seen from what this winter
will develop, whether the people have
made a wise change.
Besides the interest which the policy
of the new administration will give rise
to, the duties of this winter's Legislature
will be such as to engage the serious at-
tention of every citizen in the State. A-
mong many other matters it will have
the altering and the amending of existing
laws, so as to conform to the provisions
of the new Constitution, and make such
others as the emergency will require,
which will be neither few nor unimport-
ant.
As it is our purpose to continue the
publication of the Chronicle, and with
zeal, we will not say with ability, do
battle against locofocism, Van Burenism
Fanny Wrightism, and all other destruc-
tive isms, we most earnestly call upon the

friends of democracy and good govern-
ment to aid us; if not for our sake, let
them do it for the sake of the cause we
spouse.
TERMS.
This paper will, as heretofore, be pub-
lished twice a week during the session of
the Legislature, and once a week during
the remainder of the year, on a fine dou-
ble medium sheet, and new type, at \$3.00
per annum payable in advance. For six
months including the session of the Leg-
islature, \$2 50 in advance. No subscrib-
er can discontinue his paper until all ar-
rearages are paid.
Any person forwarding five names
as subscribers, shall have a copy of the
Chronicle gratis.
