The FULL BRED Horse
YOUNG
GREY BEARD,

WILL stand for mares the ensuing season commencing on the 22d of April, the first week at Alexander Lowries, Yellow Springs, the second week at Samuel Wallace's stable, near Union Furnace, and so on, changing weekly throughout the season, at

\$10 For the season, 15 To insure with foal.

He is the right kind of a horse for this country. With the pure blood of the race horse he combines the strength of the cart horse. He is 16 hands high, barfoot, and without a fault. I have his pedigree properly certified.

His sire has stood, in the care of Mr. John Watchell, Clearfield Co. Va., at 50 dollars a mare. It was my intention, when I got him, to run him at Pittsburg, but he got lame while training, and I was obliged to stop, though convinced of his speed and bottom.

PEDIGREE.
YOUNG GREY BEARD,

was got by the famed Grey Beard of Richard Singleton, Esq., S. C., and he by Kosciusko, the sire of Clara Fisher, Multiflora, Lady of the Lake, Sally Taylor, Betsey Robinson, and other good ones. Kosciusko was by Sir Archy, his dam Lottery, by the imported Bedford, out of the imported Areddy. Young Grey Beard's dam was by Constitution, one of the best bred horses of the South, and not only a racer, but got more runners and stallions than any other horse of the day, and breeders at the South are proud to be able to trace back to him. Her dam by Sir Hall, he by the imported Sir Harry. Old Grey Beard's dam was the imported mare Psyche, bred by Lord Derby, and got by his famous Sir Peter Teazle.

YOUNG GREY BEARD,
is great grand son of Sir Archy, the best stallion of his time in America, and Sir Peter Teazle, the most popular stallion in Europe. Another such an instance is not to be found on record. For further particulars, see American Turf Register.

ANOTHER recent test of the unrivalled CAMOMILE PILLS. Dr. Wm. EVANS' CAMOMILE PILLS. Dyspepsia of ten years' standing cured. I was afflicted with the above complaint for ten years, which incapacitated me at intervals for the period of six years, from attending to my business. I am now restored to perfect health by the frequent use of the above medicine. My symptoms were, a sense of oppression after eating, pain at the pit of the stomach, loss of appetite, giddiness, palpitation of the heart, and great debility. I am willing to give any information to the afflicted respecting the benefit I received from the use of Dr. Evans' Camomile and Aperient Pills.

INTERESTING CURE PERFORMED BY DR. SWAYNE'S COMPOUND SYRUP OF PRUNES VIRGINIANA, OR WILD CHERRY. Having made use of this invaluable Syrup in my family, which entirely cured my child. After seeing the wonderful effects it had upon my child, I concluded to make the same trial upon myself, which entirely relieved me of a cough that I was afflicted with for many years. Any persons wishing to see me can call at my house in Beach street, above the market Kensington, Phila. JOHN WELLS, Cox.

Case of Inflammatory Rheumatism. Another positive proof of the extraordinary success of Dr. Wm. Evans' practice.

Mr Munson, at Mrs. Lewis', 21 Bowersy, N. Y. was laboring under a violent inflammatory Rheumatism, being completely unable to move in his bed without assistance, with extreme pain in his legs and arms, which were swollen to an enormous size, with great heat, excessive thirst, dryness of skin, and violent pain in the head, &c., all of which was within forty-eight hours greatly by Dr. EVANS' CAMOMILE PILLS, and in a few days restored to perfect health.
The Pills are for sale at Jacob Miller's store, Huntingdon, Pa.

A Case of Tic Doleureux.

Mrs. J. E. Johnson, wife of Capt. Joseph Johnson, of Lynn, Mass., was severely afflicted for ten years with Tic Doleureux, violent pain in the head, and vomiting, with burning heat in the stomach, and unable to leave her room. She could find no relief from the advice of several physicians, nor from medicines of any kind, until after she had commenced using Dr. Evans' medicine, and from that time she began to amend, and feels satisfied if she continues the medicine a few days longer, will be perfectly cured. Reference can be had as to the truth of the above, by calling at Mrs. Johnson's daughter's Store, 389 Grand street, N. Y.

Coughs and Colds.

How many sufferers do we daily behold afflicted with that common and distressing disease! Do we not find that almost every person or friend we meet with complains of a bad COLD or a distressing COUGH? We also find in assemblies of all kinds that there is a continual coughing, by which we perceive that there is one half of the human family afflicted with that troublesome disease. If those sufferers would only make a trial of Dr. Swayne's Syrup or wild cherry they would soon find themselves relieved, and by continuing the use of the same for a few days, it will effect a permanent cure. Hundreds can testify to this fact, as in the short space of two months, upwards of five hundred bottles have been sold.

Coughs.

Dr. Swayne's Compound Syrup of prunus of Virginia or wild Cherry. This syrup is highly beneficial in all pectoral affections; also, in diseases of the chest in which the lungs do not perform their proper office from want of due nervous energy: such as asthma, pulmonary consumption, recent or chronic coughs, hoarseness, whooping cough, wheezing and difficulty of breathing, croup and spitting of blood, &c. How many sufferers do we daily behold approaching to an untimely grave, wrested in the bloom of youth from their dear relatives and friends, afflicted with that common and destructive ravager, called consumption, which soon wastes the miserable sufferer until they become beyond the power of human skill; if such sufferers would only make a trial of Dr. Swayne's invaluable medicine, they would soon find themselves benefited; than by gulping the various ineffective certain remedies of which our newspapers daily abound. This syrup immediately begins to heal the ulcerated lungs, stopping profuse night sweats, mitigating the distressing cough at the same time inducing a healthy and natural expectoration, also relieving the shortness of breath and pain in the chest, which harass the sufferer on the slightest exercise, and finally the hectic flash in the pallid and emaciated cheek will soon begin to vanish, and the sufferer will here perceive himself snatched from a premature grave, into the enjoyment again of comfortable health.

Still another case of Dyspepsia.
ASTONISHING CURE.

Abraham J. Cremer, residing at 66 Mott street, N. Y. was afflicted with Dyspepsia in its most aggravated form. The symptoms were: Violent head-ache, great debility, fever, costiveness, cough, heartburn, pain in the chest and stomach after eating, impaired appetite, sensation of sinking at the stomach, furred tongue, nausea, with frequent vomitings, dizziness towards night, restlessness, &c. These had continued upwards of a twelvemonth, when, on using Wm. Evans' medicine, the patient was completely restored to health in the short space of one month and grateful for the incalculable benefit derived, gladly came forward and volunteered the above statement.

PROSPECTUS OF
The National Magazine,
AND
REPUBLICAN REVIEW.
H. BRENT, ESQ. EDITOR.

The National Magazine and Republican Review, will be published in the city of Washington, District of Columbia, on the 1st day of January next, and delivered monthly in all parts of the United States; devoted exclusively to the advancement of the great principles of the Whig party, and the encouragement of literature and science.
The experience of the past year has confirmed in the minds of the more reflecting and sagacious of the Whig party that a vacuum exists in the periodical press of the country, in which should be combined the productions of our great statesmen on literary and scientific subjects, and those of the eminent literary geniuses of which the United States can boast so ample a share, on the various subjects that present themselves to a sound and vigorous intellect.
It cannot be doubted that the present crisis demands the publication of a work calculated to infuse and circulate true and honest political information, and to counteract the direful influence exerted by a monthly periodical of a similar nature published in this city, under the auspices, and bearing the name of the self-styled Democracy of the present day, advocating measures which, if successful, are destined to moulder to ruins the fabric of our noble Constitution, by placing on it constructions to suit the capricious and advanced reachings of a corrupt ambition.
The union of such principles with general literature as have insulted the common sense of the country, by proclaiming the "Martyrdom of Cilley," rendered in a manner more detestable from the insidious way in which the insinuations are directly to the disorganization of the Americans should be held most sacred.
The combination is calculated to secure them a circulation in quarters to which they might not otherwise penetrate as well as from a deceptive air of high toned philanthropy and expensive liberality of views,

with which they are artfully able to invest themselves, for the purpose of stealing their way into the heads through the unsuspecting hearts of that class on which depends the destiny and hope of the nation—their young men. Whilst the more experienced sagacity of older heads can never hesitate a moment in recognizing the real naked deformity of these principles of modern radicalism, under the fair seeming disguise they may assume, yet to the young they are replete with a subtle danger of the most pernicious character.
The National Magazine and Republican Review is designed and will be conducted with these and other high important considerations in view, calculated to correct political principles on which are based the views and practice of the great Republican Whig party, as well as for the encouragement and maintenance of genuine polite literature. The publishers will neither spare expense in the mechanical department of the work, nor their utmost efforts to render the Review useful to the public in a literary point of view, and honorable to the country and the cause which it is destined to espouse as a National work.
The period is fast arriving when the country will emerge from the dominion of a party which has come into power under the corrupt influence of a misled popular prejudice, and which has advocated and sailed under the broad and corrupt motto of office-seekers, "to the victors belong the spoils of the vanquished;" being alike anti-republican, unjust to the public and a foul stain upon the free institutions of the country, which can only be eradicated by the triumph of the principles which govern the Republican Whig party of the present day.
The advocates of the principles alluded to, who have stood foremost in defence of the Constitution and laws when they were as diminutive as a party could be, exerting the strength of a Leonidas battling with the host of Xerxes, and have nearly succeeded in vesting the government from the grasp of corruption, will deem it their imperative duty to continue their efforts, and it cannot better be done than by supporting a periodical of high standing for sound political principle and literary worth; and such one will be found in the National Magazine and Republican Review.
The success of the Magazine will therefore depend, in a measure, on the great body of the opponents of the present Administration, who are to be equally binding on the talented and patriotic band of leading Whigs to spare neither time nor labor to the explanation and advocacy of the true and only principles on which the government can prosper, and on the success of which depends the great experiment of Republican Government.
Having made these few remarks on the political cast of the publication, we feel confident that its utility will be readily perceived by the public, and fully appreciated. In addition to the political features, the following will be the principal subjects on which the Review will treat, from the pens of the most celebrated writers of the present day:
Reviews and Critical Notices will occupy a portion of its pages, thereby giving praise to genius and censure to such productions only as are richly deserving of it.
A Sketch of the proceedings of Congress will be given at the close of each session, in which will be explained the cause and effect in vetting the bills, and fully appreciated. MORE CONCLUSIVE PROOF
Of the extraordinary efficacy of
Dr. Wm. Evans'
CELEBRATED MEDICINES,
IN ALLEVIATING AFFLICTED MANKIND.

CASE OF DYSPEPSIA.
Mr. David Morris, 41 Suffolk street, N. York, had been severely afflicted with dyspepsia for upwards of three years, during which time he seldom experienced any relief. He was troubled with constant vomitings, and on some occasions raised blood an occasional cough, with pain in the chest and difficulty of breathing, drowsiness, uneasy sleep, loss of appetite, giddiness, unpleasant taste in the mouth, with furred tongue. All these distressing symptoms disappeared, after using Dr. Wm. Evans' celebrated medicines. Mr. M. called a day or two back, and stated the above; also, he is willing to afford any further information regarding the nature and cure of his case to those similarly afflicted Office No. 19 North eight st. Philadelphia.

Philadelphia, Dec. 21. 1838.
To Dr. Wm. Evans—Dear Sir, I am truly happy to write you this in token of thanks for the relief they have given me—I mean the CAMOMILE PILLS. About two years ago I was much troubled with Dyspepsia. My symptoms were very alarming, I was sometimes subject to fainting, great weakness; no rest at night and not able to eat anything, if I did it was sure to be thrown up. I could not keep any nourishment in my body. I at last gave up all hope and told my physicians that I could have no use for them—I must die, said I, 'so there is no use in paying more doctor's bills.' About a month ago, a cousin of mine came to see me; after talking awhile about my sickness I told him I had taken almost every medicine that was spoken of as good for any complaint. He said, 'Have you tried Dr. Evans' CAMOMILE PILLS?' I said 'No.' Well he then gave me a package he had bought the day before for his wife, and said he would get another for her. I commenced taking the pills and am happy to state, that in two weeks I was hearty and well, and able to write this letter, which I could not have done when I was sick, because my hands were nervous. I have written this in pure gratitude to you. I hope you will publish this and let it be known. I would publish it myself, but I am very poor and not able to pay in publishing it, I think you will gain an advantage, for I am well known among all those of the trade I am in, and to many of them, I fear are now near death's door, for want of some proper medicine to cure Dyspepsia. Any person wishing to see me can call at my house, No. 221 Poplar Lane; or at my shop in Front street, third door above Coates street.
I remain yours, &c.

To the Public.
THE public are hereby informed, that JACOB MILLER has been appointed agent for Huntingdon county, for the sale of Dr. Evans' Camomile and family aperient pills, where all those that need medicine, can be supplied as he intends always to have a supply on hand.
LIFE AND HEALTH.—Persons whose nerves have been injured by Calomine, or excessive grief, great loss of blood, the suppression of accustomed discharges or cutaneous eruptions, immoderate habits, or other causes which tend to relax and enervate the nervous system, will find a friend in Calomine and comfort them, in EVANS' CAMOMILE PILLS. Those afflicted with Epilepsy or Falling Sickness, Palsy, Serious Apoplexy, and organic affections of the heart, Nausea, Vomiting, pains in the side, breast, limbs, head, stomach or back, will find themselves immediately relieved, by using
EVANS' CAMOMILE AND APERIENT PILLS.
DR. EVANS does not pretend to say that his medicine will cure all diseases that flesh and blood are heir to, but he does say that in all Debilitated and Impaired Constitutions, in Nervous diseases of all kinds, particularly of the DIGESTIVE ORGANS, and in Incipient Consumption, whether of the lungs or liver, they will cure. That dreadful disease, CONSUMPTION, might have been checked in its commencement, and disappointed its prey all over the land, if the first symptoms of Nervous Debility had been counteracted by the CAMOMILE FLOWER chemically prepared; together with many other diseases, where other remedies have proved fatal.
How many persons do we daily find tortured with that dreadful disease, SICK HEADACHE, if they would only make trial of this invaluable medicine, they would perceive that life is a pleasure and not a course of misery and abhorrence. In conclusion I would warn nervous persons against the abstraction of BLOOD, either by leeches, cupping, or the employment of the lancet. Drastic purgatives in delicate habits are almost equally improper. Those are practices too often resorted to in such cases, but they seldom fail to prove highly injurious. Certificates of cures are daily received which add sufficient testimony of the great efficacy of this invaluable medicine, in relieving afflicted mankind. The above medicine is for sale at Jacob Miller's store, Huntingdon.
