NEW YORK WEEKLY WHIG.

The first number of the SEMI-WEEKLY edition of **THE NEW YORK WHIG** is therewith submitted to the public. It will be regularly published henceforth every WEDNESDAY and SATURDAY afternoons, on a sheet of the size of the DAILY WHIG and half the size of the Weekly, and forwarded by the earliest mails to its Patrons. It will contain all the matter of the Daily Whig except the Advertisements, and be afforded at the low price of THREE DOLLARS per annum in advance. It is believed that this is the cheapest Semi-Weekly paper in the country.

The character of **THE NEW YORK WHIG**—Daily and Weekly—is now widely known. It has been published about sixteen months, and in that brief period has acquired a wide circulation, and we trust, a fair standing among its contemporaries. It aims to present in a medium sheet an amount of reading matter fully equal to the average of the Great Dailies of New York and our other Commercial cities. Its contents will comprise Literature, Politics and General Intelligence, in about equal proportions. In the Literary Department, no great pretensions are made to originality, but the best repositories of Foreign and American Literature are open to its conduitors; and they endeavor to select therefrom a varied and interesting banquet. In General Intelligence, we hope to be neither behind nor inferior to our immediate contemporaries. In Politics, our journal will be all that its name purports—fearlessly, zealously, and we trust efficiently. Experienced pens are enlisted in its service, and we trust it will render good service to the Country in the advocacy of Sound Principles and Good Measures and the fearless exposure of the iniquities, corruptions and misnomer tendencies of Locofocism.

MORE CONCLUSIVE PROOFS

Of the extraordinary efficacy of **Dr. Wm. Evans' CELEBRATED MEDICINES, IN ALLEVIATING AFFLICTED MANKIND.**

CASE OE DYSPEPSIA.
Mr. David Morris, 41 Suffolk street, N. York, had been severely afflicted with dyspepsia for upwards of three years, during which time he seldom experienced any relief. He was troubled with constant vomitings, and on some occasions raised blood an occasional cough, with pain in the chest and difficulty of breathing, drowsiness, uneasy sleep, loss of appetite, giddiness, unpleasant taste in the mouth, with furred tongue. All these distressing symptoms disappeared, after using **Dr. Wm. Evans' celebrated medicines**. Mr. M. called a day or two back, and stated the above; also, he is willing to afford any further information regarding the nature and cure of his case to those similarly afflicted. Office No. 19 North eight st. Philadelphia.

Coughs and Colds.

How many sufferers do we daily behold afflicted with that common and distressing disease? Do we not find that almost every person or friend we meet with complains of a bad COLD or a distressing COUGH? We also find in assemblies of all kinds that there is a continual coughing, by which we perceive that there is one half of the human family afflicted with that troublesome disease. If those sufferers would only make a trial of **Dr. Swayne's Syrup or wild cherry** they would soon find themselves relieved, and by continuing the use of the same for a few days, it will effect a permanent cure. Hundreds can testify to this fact, as in the short space of two months, upwards of five hundred bottles have been sold. The syrup for sale at Jacob Miller's store Huntingdon Pa.

The article published below, concerning the new and popular doctrine advanced by the illustrious Goelicke of Germany, cannot fail of exciting a deep and thrilling interest throughout our country.

[Translated from the German.] **LOUIS OFFON GOELICKE, OF GERMANY, THE GREATEST OF HUMAN BENEFACTORS.**

Citizens of North and South America.

To **LOUIS OFFON GOELICKE, M. D.**, of Germany, [Europe] belongs the imperishable honor of adding a new and precious doctrine to the Sciences of Medicine—a doctrine which, though vehemently opposed by many of the faculty, (of which he is a valuable member,) he proves to be as well founded in truth as any doctrine of Holy Writ—a doctrine upon the variety of which are suspended the lives of millions of our race, and which he boldly challenges his opposers to refute, viz: Consumption is a disease always occasioned by a disordered state of Vis Vitæ (or life principle) of the human body: often secretly lurking in the system for years before there is the least complaint of the Lungs—and which may be as certainly though not so quickly, cured as a common cold or a simple headache. An invaluable precious doctrine this, as it imparts an important lesson to the apparently health of both sexes, teaching them that this insidious foe may be an unobserved inmate of their "clayey houses" even while they imagine themselves secure from its attacks, teaching them that the great secret in the art of preserving health is to pluck out the disease while in the blade, and not wait till the full grown ear.

This illustrious benefactor of man is also entitled to your unfeigned gratitude, and the gratitude of a world, for the invention of his matchless **Sanative**,—whose healing gift may justly claim for it such a title, since it has so signally triumphed over our great common enemy **consumption**, both in the first and last stages,—a medicine which has thoroughly filled the vacuum in the Materia Medica, and thereby proved itself the **Conqueror of Physicians**—a medicine, for which all mankind will have abundant cause to bless the beneficent hand of a kind Providence,—a medicine, whose wondrous virtues have been so glowingly portrayed even by some of our clergy, in their pastoral visits to the sick chamber; by which means they often become the happy instruments of changing despondency into hope, sickness into health, and sadness of friends into joyfulness.

GOELICKE'S MATCHLESS SANATIVE,

medicine of more value to man than the vast mines of Austria, or even the united treasures of our globe,—a medicine, which is obtained equally from the vegetable, animal and mineral kingdoms, and thus possesses a **three-fold power**,—a medicine, which though designed as a remedy for consumption solely, is possessed of a mysterious influence over many diseases of the human system,—a medicine, which begins to be valued by Physicians, who are daily witnessing its astonishing cure of many whom they had resigned to the grasp of the **Insatiable Grave**. Dose: of the Sanative, for adults, or drop; for children a half drop; and infants, a quarter drop; the directions explaining the manner of taking a half or a quarter drop. PRICE—Three and one third six dollars* (\$2.50) PER HALF OUNCE.

*A German coin, value 75 cents. A certificate from three members of the MEDICAL PROFESSION in Germany, in Europe.

We the undersigned, practitioners of medicine in Germany are well aware that, by our course, we may forfeit the friendship of some of the faculty, but not of its benevolent members, who are influenced by selfish motives. Though we shall refrain from an expression of our opinion, either of the soundness or unsoundness of **Dr. Goelicke's new doctrine**, we are happy to say that we deem his Sanative too valuable not to be generally known—for what our eyes behold and our ears hear, we must believe.

We hereby state, that when **Dr. Louis Offon Goelicke** first came before the German public, as the pretended discoverer of a new doctrine and a new medicine, we held him in the highest contempt, believing and openly pronouncing him to be a base impostor and the prince of quacks. But, on hearing so much said about the Sanative, against it and for it, we were induced, from motives of curiosity merely, to make trial of its reputed virtues, upon a number of our most hopeless patients; and we now deem it our bounden duty (even at the expense of our self interest) publicly to acknowledge its efficacy in curing not only consumption, but other fearful maladies, which we have heretofore believed to be incurable. O!

contempt for the discoverer of this medicine was at once swallowed up in our utter astonishment at these unexpected results; and, as amends for our abuse of him, we do frankly confess to the world, that we believe him a philanthropist who does honor to the profession, and to our country, which gave him birth. The recent adoption of this medicine into some of our European hospitals is a sufficient guaranty that it performs all its promises: It need not our testimony, for wherever it is used it is its own best witness.

HERMAN ETMULLER, M. D. WALTER VAN GAULT, M. D. ADOLPHUS WERNER, M. D. Germany, December 10, 1836. The above precious medicine (the original discovery of **Dr. LOUIS O. GOELICKE, of Germany**) is for sale, wholesale and retail, by **L. G. KESSLER, AGENT FOR MILL Creek.** **JAMES ENTRIKEN, Jr.** Agent for Coffey Run. **D. STEWART.** Agent for Colrain Forges. Huntingdon County, Pa. Philadelphia, Dec. 21, 1838.

To Dr. Wm. Evans—Dear Sir: I am truly happy to see you this in token of thanks for the relief they have given me—I mean the **CAMOMILE PILLS**. About two years ago I was much troubled with Dyspepsia. My symptoms were very alarming. I was sometimes subject to fainting, great weakness, no rest at night and not able to eat anything, if I did it was sure to be thrown up. I could not keep any nourishment in my body. I at last gave up all hope and told my physicians that I could have no use for them—I must die, said I, 'so there is no use in paying any more doctor's bills.' About a month ago, a cousin of mine came to see me; after talking awhile about my sickness I told him I had taken almost every medicine that was spoken of as good for any complaint. He said, 'Have you tried Dr. Evans' **CAMOMILE PILLS**?' I said 'No.' Well he then gave me a package he had bought the day before for his wife, and said he would get another for her. I commenced taking the pills and am happy to state, that in two weeks I was hearty and well, and able to write this letter, which I could not have done when I was sick, because my hands were nervous. I have written this in pure gratitude to you. I hope you will publish this and let it be known. I would publish it myself, but I am very poor and not able to pay. In publishing it, I think you will gain an advantage, for I am well known among all those of the trade I am in, and too many of them, I fear are now near death's door, for want of some proper medicine to cure Dyspepsia. Any person wishing to see me can call at my house, No. 221 Poplar Lane; or at my shop in Front street, third door above Coates street. I remain yours, &c. **GEO. C. MARVIN** Miller's store Huntingdon.

DISSOLUTION OF CO-PARTNERSHIP.

TAKE notice that the partnership heretofore existing under the firm of **D. P. Tussey, & Co.**, in Sinking Valley, Huntingdon county, Pa. was dissolved by mutual consent, in March last. **HENRY M'ULLEN, ARMSTRONG CRAWFORD, DAVID P. TUSSEY** Sinking Valley, May 29, 1839.

The books are now in the hands of Armstrong Crawford for settlement, and all those whom this notice may concern will do well to call on or before the first day of September next, and settle their respective accounts. 5t.

Case of Inflammatory Rheumatism.

Another positive proof of the extraordinary success of **Dr. Wm. Evans' practice**. Mr. Munson, at Mrs. Lewis', 21 Bowers, N. Y. was laboring under a violent inflammatory Rheumatism, being completely unable to move in his bed without assistance, with extreme pain in his legs and arms, which were swollen to an enormous size, with great heat, excessive thirst, dryness of skin, and violent pain in the head, &c., all of which has within forty-eight hours greatly by **Dr. EVANS' CAMOMILE PILLS**, and in a few days restored to perfect health. The Pills are for sale at Jacob Miller's store, Huntingdon, Pa.

A Case of Tic Doloreux.

Mrs. J. E. Johnson, wife of Capt. Joseph Johnson, of Lynn, Mass., was severely afflicted for ten years with **Tic Doloreux**, violent pain in the head, and vomiting, with burning heat in the stomach, and unable to leave her room. She could find no relief from the advice of several physicians, nor had commenced using **Dr. Evans' medicine**, and from that time she began to amend, and feels satisfied if she continues the medicine a few days longer, will be perfectly cured. Reference can be had as to the truth of the above, by calling at Mrs. Johnson's daughter's Store, 389 Grand street, N. Y. The Pills are for sale at Jacob Miller's Store, Huntingdon, Pa.

ANOTHER recent test of the unrivalled virtue of Dr. Wm. EVANS' CAMOMILE PILLS.

Dyspepsia of ten years' standing cured. I was afflicted with the above complaint for ten years, which incapacitated me at intervals for the period of six years, from attending to my business. I am now restored to perfect health by the frequent use of the above medicine. My symptoms were, a sense of oppression after eating, pain at the pit of the stomach, loss of appetite, giddiness, palpitation of the heart, and great debility. I am willing to give any information to the afflicted respecting the benefit I received from the use of **Dr. Evans' Camomile and Apertin Pills**. Stanton, Sept. 1, 1838. J. MCKENZIE. The above medicines for sale at Jacob Miller's store Huntingdon.

New Establishment. IMPORTANT TO Farmers.

THE undersigned begs leave respectfully to inform the farmers of Huntingdon, Bedford, and the adjoining counties, that he is manufacturing his newly improved

THRASHING MACHINES AND SCREWERS.

in Martinsburg, Bedford county, where he will be happy to furnish any who may want a superior article in that line. As the Horse Power is new, and materially different from any hitherto invented, and the undersigned a stranger to most of the farmers in this part of the State, he has been induced to procure a certificate from the following gentlemen who have purchased machines of him last winter, and have tried them to their own satisfaction. Their certificate will be sufficient to satisfy any reasonable person who may be disposed to doubt, that they are not a mere untried experiment, but that they have been well tested here as well as in other portions of the State. The character of the gentlemen whose names are attached to the following certificate (like that of the machine), needs no other recommendation **THAN TO BE KNOWN** N. B. No other person is authorized to sell the above Horse Power in this or any of the adjoining counties. **JAMES P. ROSS,** Patentee.

We the undersigned, farmers and citizens of Bedford and Huntingdon counties, do hereby certify, that we have thrashed our grain during the past winter with James P. Ross' improved patent Horse Power and Thrashing Machine. And in justice to the inventor, we cheerfully and unhesitatingly pronounce it in our estimation far superior to any machine for that purpose we have hitherto seen. We would therefore recommend them to any farmers who wish to avail themselves of the opportunity of getting machines in which we as yet have been unable to discover the smallest deception. John Stoner, David Stuckey, Isaac Bower, John Nidemann, George Povel, Maxwell Kinkead, George Gear, C. E. Kinkead.

To Markesmen. Gun Smith.

Respectfully informs his friends, and the public generally, that he still continues the above business in **M'CONN LILTOWN.**

And is prepared to manufacture all kind of guns or pistols, or to make any necessary repairs upon any article of the kind. If careful attention will merit success, he hopes to secure the patronage of the sharp shooters of this county. Any orders left with Isaac Davis will be punctually attended to, Huntingdon November 21, 1838.
