

portion of the well trained spaniels of the party joined in with the Governor, while the more refractory subordinates denounced him as a traitor to his party and principle, and openly insinuated that the itching palm of honest Davy had been touched by the golden wand of the Banks. A resolution was immediately introduced agreeing to pay interest, on the interest due, but, before they could even pass that, another message, also in another column, announced the fact, that the Banks had taken the loan. This constitutes nearly the whole business of the Session thus far. The resolution offered to repeal the charter of the U. S. Bank, remains under the table, we suppose, from the fact that the Monster really took the loan herself, at 5 per cent, though it called on, under her charter, she is bound to lend at 4 per cent. Thus the people can see the hollow hearted opposition of these Locos to Banks.

**A Whole Hog.**—We see in many of our exchange papers, notice take of some large hogs killed in their districts. We think we can beat them all. Mr John Alexander of Morris township, of this county, slaughtered a hog which weighed when clean 802 pounds. "Old Morris" knows how to do a big thing. There were also two other "chunks of pigs" killed in Walker township—Mr. A. San- grey killed one weighing 527; and Mr J. Patton another, weighing 520, can any of you beat that?

**THE FAMILY.**—If there are any joys on earth which harmonize with those of Heaven, they are the joys of a christian family. When the snowflakes fall fast in a winter's evening, what is so delightful as to see the happy little ones sporting around a blazing fire. Look at the little creature in her night dress, frolicking and laughing as though she never had known, and never would know a care! Now she rolls upon the carpet, and now she climbs the chair, and now she pursues her older sister around the room, while her little heart is overflowing full of happiness.—Who does not covet the pleasurable emotions with which the parents look upon the scene—and what sacrifices can be more acceptable to our Heavenly Father, than the incense of prayer and praise which ascends daily from our family altar.

Harlich's Compound Strengthening and German Aperient Pills, 161 85—such as Dyspepsia, Liver Complaints, Pain in the Side, Rheumatism, General Debility, Female Diseases, and all Diseases which human nature is subject, where the Stomach is affected. **DYSPEPSIA! DYSPEPSIA!!**  
More proofs of the efficacy of Dr. Harlich's Medicines.  
Mr. Jonas Hartman, of Sunnyside, Pa. entirely cured of the above disease, which he was afflicted with for six years. His symptoms were a sense of distension and oppression after eating, distressing pain in the pit of the stomach, nausea, loss of appetite, giddiness and dimness of sight, extreme debility, flatulency, acrid eructations, sometimes vomiting, and pain in the right side, depression of spirits, disturbed rest, faintness, and not able to pursue his business without causing immediate exhaustion and weariness.  
Mr. Hartman is happy to state to the public and is willing to give any information to the afflicted, with for six years. His benefit he received from the use of Dr. Harlich's Compound Strengthening and German aperient pills. Principal office No. 19 North Eighth street Philadelphia. Also for sale at the store of Jacob Miller, Huntingdon.

**IMPORTANT TO FEMALES.**  
Dr. O. P. Harlich's Compound Strengthening Tonic, and German Aperient Pills. These pills remove all those distressing diseases which Females are liable to be afflicted with. They remove those morbid secretions which when retained, soon induce a number of diseases and oftentimes render Females unhappy and miserable all their lives. These pills used according to directions, immediately create a new and healthy action throughout the whole system by purifying the blood, and giving strength to the stomach and bowels, at the same time relieving the pain in the side, back, and loins, giving appetite and invigorating the system, gain to its proper functions and restoring tranquil repose.

**TREATMENT.**  
The principal objects to be kept in view are 1st, to free the stomach and intestines from offending materials. 2d, to improve the tone of the digestive organs and energy of the system in removing noxious matters from the stomach, and obviating costiveness. Violent drastic purgatives should be avoided, and those aperients should be used which act gently, and rather by soliciting the peristaltic motions of the intestines to their regularity of health, than by irritating them to a laborious excitement. There is no medicine better adapted to the completion of this than Dr. O. P. HARLICH'S GERMAN APERIENT PILLS. To improve the functions of the debilitated organs and invigorate the system generally, no medicine has ever been so prominently efficacious as Dr. Harlich's Compound Tonic Strengthening Pills, whose salutary influence in restoring the digestive organs to a healthy action, and re-establishing health and vigor in enfeebled and dyspeptic constitutions; have gained the implicit confidence of the most eminent physicians, and unprecedented public testimony. Remember Dr. Harlich's Compound Tonic Strengthening Pills, they are put up in small packets with full directions for their use.
