To the Public.

THE public are hereby informed, that JACOB MILLER has been appointed agent for Huntingdon county, for the sale of Dr. Evans' Camomile and family aperient pills, where all those that need medicine, can be supplied as he intends always to have a supply on hand. LIFE AND HEALTH.—Persons whose nerves have been injured by Calomel, or excessive grief, great loss of blood, the suppression of accustomed discharges or cutaneous, intemperate habits, or other causes which tend to relax and enervate the nervous system, will find a friend to soothe and comfort them, in EVANS' CAMOMILE PILLS. Those afflicted with Epilepsy or Falling Sickness, Palsy, Serious Apoplexy, and organic affections of the heart, Nausea, Vomiting, pains in the side, breast, limbs, head, stomach or back, will find themselves immediately relieved, by using EVANS' CAMOMILE AND APERIENT PILLS.

DR. EVANS does not pretend to say, that his medicine will cure all diseases, that flesh and blood are heir to, but he does say, that in all Debilitate and Impaired Constitutions—in Nervous diseases of all kinds, particularly of the DIGESTIVE ORGANS, and in Incipient Consumption, whether of the lungs or liver, they will cure. That dreadful disease, CONSUMPTION, might have been checked in its commencement, and disappointed its prey all over the land, if the first symptoms of Nervous Debility had been counteracted by the CAMOMILE FLOWER chemically prepared; together with many other diseases, where other remedies have proved fatal.

How many persons do we daily find tortured with that dreadful disease, SICK HEADACHE, if they would only make trial of this invaluable medicine, they would perceive that life is a pleasure and not a course of misery and abhorrence. In conclusion I would warn nervous persons against the abstraction of BLOOD, either by leeches, cupping, or the employment of the lancet. Drastic purgatives in delicate habits are almost equally improper. These are practices too often resorted to in such cases, but they seldom fail to prove highly injurious. Certificates of cures are daily received which add sufficient testimony of the great efficacy of this invaluable medicine, in relieving afflicted mankind. The above medicine is for sale at Jacob Miller's store, Huntingdon.

DR Swayne's Compound Syrup of Prunes of Virginia or Wild Cherry.

This syrup is highly beneficial in all pectoral affections; also, in diseases of the chest in which the lungs do not perform their proper office from want of due nervous energy; such as asthma, pulmonary consumption, recent or chronic coughs, hoarseness, whooping cough, wheezing and difficulty of breathing, croup and spitting of blood, &c. How many sufferers do we daily behold approaching to an untimely grave, wrested in the bloom of youth from their dear relatives and friends, afflicted with that common and destructive ravager, called consumption, which soon wastes the miserable sufferer until they become beyond the power of human skill; if such sufferers would only make a trial of Dr. Swayne's invaluable medicine, they would soon find themselves benefited; than by gulping the various ineffective certain remedies of which our newspapers daily abound. This syrup immediately begins to heal the ulcerated lungs, stopping profuse night sweats, mitigating the distressing cough at the same time inducing a healthy and natural expectation, also relieving the shortness of breath and pain in the chest, which harass the sufferer on the slightest exercise, and finally the hectic flash in the pallid and emaciated cheek will soon begin to vanish, and the sufferer will here perceive himself snatched from a premature grave, into the enjoyment again of comfortable health.

Coughs and Colds.

How many sufferers do we daily behold afflicted with that common and distressing disease! Do we not find that almost every person or friend we meet with complains of a bad COLD, or a distressing COUGH? We also find in assemblies of all kinds that there is a continual coughing, by which we perceive that there is one half of the human family afflicted with that troublesome disease. If those sufferers would only make a trial of Dr. Swayne's Syrup of wild cherry they would soon find themselves relieved, and by continuing the use of the same for a few days, it will effect a permanent cure. Hundreds can testify to this fact, as in the short space of two months, upwards of five hundred bottles have been sold. The syrup for sale at Jacob Miller's store, Huntingdon, Pa.

RICHES NOT HEALTH.

Those who enjoy Health, must certainly feel blessed when they compare themselves to those sufferers, that have been afflicted for years with various diseases which the human family are all subject to be troubled with.— Diseases present themselves in various forms and from various circumstances, which, in the commencement, may all be checked by the use of Dr. O. P. Harlich's Compound Strengthening and German Aperient Pills, such as Dyspepsia, Liver Complaints, Pain in the Side, Rheumatism, General Debility, Female Diseases, and all Diseases to which human nature is subject, where the stomach is affected. Directions for using these Medicines can be taken with perfect safety by the most delicate Female, as they are mild in their operation and pleasant in their effects.

Principal Office for the United States, No. 19 North Eighth Street, Philadelphia. Also for sale at the store of Jacob Miller, who is agent for Huntingdon county.

DYSPEPSIA! DYSPYPSIA!!

More proofs of the efficacy of Dr. Harlich's Medicine. Mr. Jonas Hartman, of Summerville, Pa. entirely cured of the above disease, which he was afflicted with for six years. His symptoms were a sense of distension and oppression after eating, distressing pain in the pit of the stomach, nausea, loss of appetite, giddiness and dimness of sight, extreme debility, flatulency, acrid eructations, sometimes vomiting, and pain in the right side, depression of spirits, disturbed rest, faintness, and not able to pursue his business without causing immediate exhaustion and weariness.

Mr. Hartman is happy to state to the public and is willing to give any information to the afflicted, respecting the wonderful benefit he received from the use of Dr. Harlich's Compound Strengthening and German aperient pills. Principal office No. 19 North Eighth street Philadelphia. Also for sale at the store of Jacob Miller, Huntingdon.

TREATMENT.

The principal objects to be kept in view are 1st. To free the stomach and intestines from offending materials. 2d. To improve the tone of the digestive organs, and energy of the system in removing noxious matters from the stomach, and obviating costiveness. Violent drastic purgatives should be avoided and those aperients should be used which act gently, and rather by soliciting the peristaltic motions of the intestines to their regularity of health, than by irritating them to a laborious excitement. There is no medicine better adapted to the completion of this than Dr. O. P. HARLICH'S GERMAN APERIENT PILLS. To improve the functions of the debilitated organs and invigorate the system generally, no medicine has ever been so prominently efficacious as Dr. Harlich's Compound Tonic Strengthening Pills, whose salutary influence in restoring the digestive organs to a healthy action, and re-establishing health and vigor in enfeebled and dyspeptic constitutions, have gained the implicit confidence of the most eminent physicians, and unprecedented testimonials. Remember Dr. Harlich's Compound Tonic Strengthening Pills are put up in small packets with full directions.

COUGH, ASTHMA AND SPITTING BLOOD Cured By

JAYNE'S EXPECTORANT. PHILADELPHIA, Aug. 16, 1838 Mr. Atkinson—Dear Sir:

A few weeks ago I noticed in your paper, an account of the surprising effects of Jayne's Expectorant, in restoring a great number of passengers on board of a Mississippi steamer to perfect health, who were affected by violent Bowel Complaint.—I was glad to see you notice it so kindly; you may rest assured it deserves the praise bestowed upon it. The benefit I have received from his medicine, more especially his EXPECTORANT induces me to state my case to you, for the benefit of those who are afflicted in the same way. It has been my misfortune, sir, to labor under a Cough and Asthmatic oppression, for more than half a century. When a soldier in the American Camp, in 1778, I with many others, (owing to great exposure,) had a violent attack of disease of the lungs, by which I was disabled from duty for a long time. Since that period, until recently, I have never been free from a violent cough and difficulty of breathing. Year after year, I have expectorated over a gill a day. Often much more, and sometimes mixed with blood. For months together, night after night, I have had to sit or be bolstered up to obtain my breath. The weakness and debility caused by such constant expectation, frequently brought me to a state bordering on death. It has been a matter of astonishment to my family and friends, that I am here to write this to you. I have had skillful physicians to attend me, and every thing done that was thought likely to give me relief, without any beneficial effect. Last winter I had another very severe attack of inflammation of the lungs, which I fully expected would be the last. I then considered my case as past the aid of medicine. When I was persuaded to call in Doctor Jayne—with the assistance of Divine Providence, through him I was once more raised from my bed; but the cough and wheezing wearied me day and night. He advised me to use his Expectorant. I did so, with a strong hope, that, as it had cured many of my acquaintances of various diseases of the lungs, it might, at least mitigate my sufferings. Need I say how satisfied I feel—IT HAS EFFECTUALLY CURED ME. As soon as I commenced taking it, I found it reached my case, and I began to breathe with more freedom. My expectation became easy, and my cough entirely left me. I now feel as well as I ever did in my life, and better than I have been for the last six years. Last summer I spit a great deal of blood; now thank God I am perfectly cured. Now sir, after suffering so long, and finding at last, such signal relief from Doctor Jayne's Expectorant, I feel anxious to inform my fellow citizens where relief may be had. If you think this worthy a place in your paper, you will oblige me by noticing it.

The article published below concerning the new and popular doctrine advanced by the illustrious Goelicke of Germany, cannot fail of exciting a deep and thrilling interest throughout our country.

[Translated from the German.]

LOUIS OFFON GOELICKE, OF GERMANY, THE GREATEST OF HUMAN BENEFACTORS.

Citizens of North and South America.

To LOUIS OFFON GOELICKE, M. D., of Germany, [Europe] belongs the imperishable honor of adding a new and precious doctrine to the Sciences of Medicine—a doctrine which, though vehemently opposed by many of the faculty, (of which he is a valuable member,) he proves to be as well founded in truth as any doctrine of Holy Writ—a doctrine upon the variety of which are suspended the lives of millions of our race, and which he boldly challenges his opposers to refute, viz: Consumption is a disease always occasioned by a disordered state of Vis Vita (or life principle) of the human body: often secretly lurking in the system for years before there is the least complaint of the Lungs—and which may be as certainly though not so quickly, cured as a common cold or a simple headache. An invaluable precious doctrine this, as it imparts an important lesson to the apparently health of both sexes, teaching them that this insidious foe may be an unobserved inmate of their "clayey houses" even while they imagine themselves secure from its attacks, teaching them that the great secret in the art of preserving health is to pluck out the disease while in the blade, and not wait till the full grown ear.

This illustrious benefactor of man is also entitled to your unfeigned gratitude, and the gratitude of a world, for the invention of his matchless sanative,—whose healing fiat may justly claim for it such a title, since it has so signally triumphed over our great common enemy consumption, both in the first and last stages,—a medicine which has thoroughly filled the vacuum in the Meteria Medica, and thereby proved itself the Conqueror of Physicians—a medicine, for which all mankind will have abundant cause to bless the beneficent hand of a kind Providence,—a medicine, whose wondrous virtues have been so glowingly portrayed even by some of our clergy, in their pastoral visits to the sick chamber; by which means they often become the happy instruments of changing despondency into hope, sickness into health, and sadness of friends into joyfulness.

GOELICKE'S MATCHLESS SANATIVE,

medicine of more value to man, than the vast mines of Austria, or even the united treasures of our globe,—a medicine, which is obtained equally from the vegetable, animal and mineral kingdoms, and thus possesses a three fold power,—a medicine, which though designed as a remedy for consumption solely, is possessed of a mysterious influence over many diseases of the human system,—a medicine, which begins to be valued by Physicians, &c. are daily witnessing its astonishing cure of many whom they had resigned to the grasp of the Insatiable Grave.

Dose of the Sanative, for adults, or drop; for children a half drop; and infants, a quarter drop; the directions explaining the manner of taking a half or a quarter drop.

Price—Three and one third six dollars* (\$2.50) PER HALF OUNCE.

*A German coin, value 75 cents.

A certificate from three members of the MEDICAL PROFESSION in Germany, in Europe.

We the undersigned, practitioners of medicine in Germany, are well aware that, by our course, we may forfeit the friendship of some of the faculty, but not of its benevolent members, who are uninfluenced by selfish motives. Though we shall refrain from an expression of our opinion, either of the soundness or unsoundness of Dr. Goelicke's new doctrine, we are happy to say that we deem his Sanative too valuable not to be generally known—for what our eyes behold and our ears hear, we must believe.

We hereby state, that when Dr. Louis Offon Goelicke first came before the German public, as the pretended discoverer of a new doctrine and a new medicine, we held him in the highest contempt, believing and openly pronouncing him to be a base impostor and the prince of quacks. But, on hearing so much said about the Sanative, against it and for it, we were induced, from motives of curiosity merely, to make trial of its reputed virtues, upon a number of our most hopeless patients; and we now deem it our bounden duty (even at the expense of our self interest) publicly to acknowledge its efficacy in curing not only consumption but other fearful maladies, which we have heretofore believed to be incurable. O attempt for the discoverer of this medicine was at once swallowed up in our utter astonishment at these unexpected results; and, as amends for our abuse of him, we do frankly confess to the world, that we believe him a philanthropist who does honor to the profession, and to our country, which gave him birth.

The recent adoption of this medicine into some of our European hospitals is a sufficient guaranty that it performs all its promises: It need not our testimony, for wherever it is used it is its own best witness.

HERMAN ETMULLER, M. D. WALTER VAN GAULT, M. D. ADOLPHUS WERNER, M. D. Germany, December 10, 1836.

Important Discovery.

The public are hereby directed to the medical advertisements of Dr. HARLICH'S Celebrated COMPOUND STRENGTHENING TONIC, and GERMAN APERIENT PILLS, which are a Medicine of great value to the afflicted, discovered by O. P. HARLICH, a celebrated physician at Aldorf, Germany, which has been used with unparalleled success throughout Germany.

The Medicine consists of two kinds, viz: THE GERMAN APERIENT PILLS, and the COMPOUND STRENGTHENING TONIC PILLS. They are each put up in small packets, and should both be used to effect a permanent cure. Those who are afflicted would do well to make a trial of this invaluable Medicine, as they never produce sickness or nausea while using. A safe and effectual remedy for

DYSPEPSIA OR INDIGESTION, and all Stomach Complaints; pain in the SIDE, LIVER COMPLAINTS, Loss of Appetite, Flatulency, Palpitation of the Heart, General Debility, Nervous Irritability, SICK HEADACHE, Female Diseases, Spasmodic Affections, RHEUMATISM, Asthma, CONSUMPTION, &c. The GERMAN APERIENT PILLS are to cleanse the stomach and purify the BLOOD. The Tonic or STRENGTHENING PILLS are to STRENGTHEN and invigorate the nerves and digestive organs and give tone to the Stomach, as all diseases originate from the impurities of the BLOOD and disordered Stomach. This mode of treating diseases is pursued by all practical PHYSICIANS, which experience has taught them to be the only remedy to effect a cure. They are not only recommended and prescribed by the most experienced Physicians in their daily practice, but also taken by those gentlemen themselves whenever they feel the symptoms of those diseases, in which they know to be efficacious. This is the case in all large cities in which they have an extensive sale. It is not to be understood that

these medicines will cure all diseases met by purifying the blood—this they will not do; but they certainly will, and sufficient authority of daily proof, asserting that these medicines, taken as recommended by the directions which accompany them, will cure a great majority of diseases of the stomach, lungs and liver, by which impurities of the blood are occasioned.

SYMPTOMS.

Dyspepsia may be described from a want of appetite or an unnatural and voracious appetite, sometimes bilious vomiting, sudden and transient distensions of the stomach, re-erecting, acid and putrescent eructations, water brash, pains in the region of the stomach, costiveness palpitation of the heart, slowness and dimness of sight, disturbed rest, nervous irritability, flatulency, spasms, nervous irritability, chilliness, sleeplessness, general debility, oppression after eating, general languor and debility; this disease will also very often produce the sick headache, as proved by the experience of the whole who have suffered of it.

DR. JAYNE'S EXPECTORANT. We consider it a duty to call public attention to this admirable preparation for Pulmonary Diseases—Especially Coughs, Colds, Consumptions, Spitting Blood, Asthma, Bronchial Affections, Hooping Cough, &c. It is used and very highly approved by persons of the first respectability, but we are confident in saying that a trial of its efficacy will be its best recommendation.

DR. JONATHAN GOING, PRESIDENT OF THE GRANVILLE COLLEGE, Ohio (late of New York), in a letter to Dr. Jayne dated New York, December, 1836, says: "He was laboring under a severe cold, cough and hoarseness, and that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using Expectantant.—Mrs. Deeks, of Salem, was cured of Asthma of twenty years standing, by using two bottles of this medicine. Mrs. Ward, also of Salem, was cured of the same complaint by one bottle.—A young lady, also of Salem, who was believed by friends to be far gone with consumption, was perfectly restored by three bottles of Hamilton of St. James, South Carolina, which she was greatly affected by a cough, hoarseness and soreness of the lungs, and on using a bottle of this medicine found permanent relief.

Mr. Nicholas Harris, sen., one of the Deacons of the First Baptist Church in this city, has been perfectly cured by it—after having suffered for sixty years with Cough, Asthma, and Spitting of Blood, which no remedy before could relieve.

The Rev. C. C. Crosby, writes as follows: New York, June 15, 1838.

To Dr. Jayne—Dear Sir,—I have made use of your Expectorant, personally and in my family for the last six years, with great benefit. Indeed I may consider my life prolonged by the use of this valuable medicine, under the blessing of God, for several years. I may say almost as much in the case of my wife, and also of the Rev. Mr. Jenson, of the Island of Jamaica. For all cases of cough, inflammation of the chest, lungs, and throat, I do most unhesitatingly recommend this as the best medicine I have ever tried. My earnest wish is, that others afflicted as I have been, may experience the same relief, which I am persuaded they will by using your Expectorant.

C. C. P. CROSBY. The following Certificate is from a practicing PHYSICIAN and a much respected Clergyman of the Methodist society—dated Modest Town, Va. August 27, 1838.
