Vermifuge Syrup.

This preparation is confidently recommended to the public, as an effectual remedy for expelling and destroying worms. It has been extensively used for some time and has never failed to give relief where worms have been present; and in many cases where all other medicines have failed, this medicine has given immediate relief. It is preferable to all other medicines, on account of the mildness of its operation, being easy to administer, requiring but few and small doses, and attended by no bad consequences. This highly valuable medicine is a safe and sure remedy for expelling all worms, to which many of the most respectable certificates can be obtained. It is unnecessary to give any further detail of its goodness, as a fair trial will prove its efficacy.

Prepared and sold wholesale and retail at the Drug, Chemical and Fancy store of Thomas Read, which is under the superintendence of Dr. Jacob Hofman.
