To his Excellency Major General William H. Harrison Commander-in-chief of the North Western Army.

SIR,

We feel it a particular duty and pleasure to acknowledge to you and our countrymen, the confidence we have ever entertained of your excellency as our General and Commander-in-chief of the North Western Army. Fifteen days since we were prepared to return home, our six months tour of duty having expired; but by your solicitations in a letter addressed to General Crooks, and that of the State Government of which we are citizens, together with the impending dangers that appeared to threaten all around, by our hostile foes, we again engaged in the service of the United States for the fifteen days last past, and tomorrow we expect again to be discharged from the service, the danger threatened appearing principally to be abated. Reinforcements having arrived, and the preparations of defence much increased, we shall retire from the field with peculiar satisfaction, asking of heaven its protection for you, your army and our country; trusting that our western enemies may be taught a lesson of submission not to be forgotten, and that the inhabitants of our western frontier will again enjoy the peaceful pleasures of their homes.

Most respectfully your excellency's humble servants,

Taxes Taxes!

The people of our State have for years been fed by the Locos, with their abuse of the wicked (as they called it) poll tax; and they launched out in the vilest denunciations against Ritner and his party, for a partial support of it. Now let us examine what kind of Taxes we now have!

| |
|---------------------------------|
| County Tax! |
| Road Tax! |
| Borough Tax! |
| School Tax! |
| Poor Tax! |
| Land Tax! |
| House and Cattle Tax! |
| Household Tax! |
| Furniture Tax! |
| Watch Tax! |
| Carriage Tax! |
| Tax on Mortgages, &c.! |
| Tax on money at interest! |
| Tax on Stocks! |
| Tax on Dividends!!!!!! |
| Tax on good debts!!!!!!!!!!!!!! |

This is a pretty good list, farmers.—What do you think of all this? Yet this is not all. If Van Buren is re-elected, we shall have a

GOVERNMENT TAX,
and a

STANDING ARMY TAX.

Are you willing to add these to the already mighty catalogue? If you are, vote for, and advocate Van Buren, and his lumbering party. They now have

MORE OFFICE HOLDERS

That was ever known in the United States, or this State; and the Sub Treasury Bill gives them still more.

The Loco Foco papers dare not attempt a defence of Van Buren's being in favor of the right of a RICH GREASY NEGRO voting, and of his opposing the POOR OLD SOUVIER OF THE REVOLUTION voting.

We ask every honest American citizen to call at our office, and examine the evidence!

The Loco Foco Association has not yet appointed a committee to come and examine, and report the facts.

Don't you think Martin is a pretty Democrat, he has such love for a RICH DARKEY, and hatred for the old fighting cocks of '76? It is no wonder he hates Honest Old Tip.

FOR THE JOURNAL.

"He who trades on borrowed capital ought to fail."

A. JACKSON.

Little did General Jackson think when, in his vindictive message to Congress, he gave utterance to this favorite project of the wealthy capitalist, and denunciation against the poor enterprising man who had

occasionally to borrow money to "set up in life" or "to help along," that its application would so soon be visited politically on the head of his successor.

Upon whose capital is Van Buren now trading? Not on his own most certainly. Let his warmest advocate (friend he has none) point to a single act of his life, public or private, from his opposition to Madison, which is admitted and attempted to be justified by his partisans, down to the present day, that can or ought to give a claim to the suffrage of enlightened freemen. It must be admitted that he has hitherto been a successful trader on the "borrowed fund" of Jackson's popularity, so far as regards his own interest; how far his administration has benefited any, except office holders, let greedy disappointed expectants, and their silly dupes who are satisfied with a "mouthful of moonshine" answer.—Let the farmer, mechanic and laborer answer. If the people will, regardless of honor and their best interests, worship at the shrine of "party," we would say, as the prophet of old said to the deluded Israelites, "Ephraim is joined to his Idols let him alone." But we cannot, in view of impending national judgments against national transgressions, in which the innocent suffer with the guilty, withhold a warning voice.

We return to the text. If the people turn out and do their duty at the next presidential election, the doctrine of General Jackson, "that traders on borrowed capital ought to fail," will be established, notwithstanding the additional loan he has given Van Buren in the shape of recommendatory "letters of credit." Van Buren is a shrewd gambler in politics, this gives him a show of popularity with people of that caste. The unthinking do not reflect, that they are bribed by the money wrang, indirectly, from their own hard earnings; and acting thus he knows full well that his own "unendorsed" note must and should be "dishonored" by the people—so much for trading on borrowed capital.

Hays' Liniment.

Those only who know by trial or immediate observation, can form any idea of the effects, of the perfect relief, of the almost charm-like cures effected in cases of the Piles Rheumatism, all Swellings, and all external pains, no matter how severe, by the use of Hays' Liniment. Find one who has used it that will not laud it above all things ever used, and you will find—what cannot be found.

For the relief of suffering human beings who may be afflicted, I beg you to ask—ask of those who know—ask the Hon. Alfred Conklin, U. S. Judge for that district, residing near Auburn; ask Matthew J. Myers, Esq., Athens, N. Y.; ask Gen. Duff Green, late of Washington city, each of these gentlemen know of cases unacquainted by all other remedies or physicians, though tried for many years, that have been cured by the use of the genuine Hays' Liniment. Thousands of other persons know similar cures. We appeal to their sense of justice—their human feelings.

It is but a duty you owe to your suffering fellow-beings to let this great remedy be known. Speak of it then to all your friends. This will save much pain where the newspapers are not read, or where the newspapers are read, because so many worthless articles are advertised for the same purpose. I buyers we say, if all who have used it do not say it is beyond all praise, then do not take it. The proprietor will not allow this article to be paid for unless it cures, when all the directions are fully followed. Will any one suffering refuse to try it? He does, he ought to be pitied more for his obstinacy than his suffering.

Mr. Hays would never consent to offer this article, were he not compelled by his sense of moral—of religious duty—to do all in his power for the victims of distress and misery. For this purpose he would sooner devote a fortune, than secure a dollar for any worthless article.

LOOK OUT.—Some swindlers have counterfeited this article, and put it up with various devices. Do not be imposed upon. One thing only will protect you—it is the name of CONSTOCK & Co.; that name must be all ways on the wrapper; or you are cheated. Do not forget it. Take this direction with you, and test by that, or never buy; for it is impossible for any other to be true or genuine.

WORMS! WORMS!!

SUPERIOR Vermifuge Syrup.

This preparation is confidently recommended to be used as an effectual remedy for expelling and destroying worms. It has been extensively used for some time and has never failed to give relief where worms have been present; and in many cases where all other medicines have failed, this medicine has given immediate relief. It is preferable to all other medicines, on account of the mildness of its operation, being easy to administer, requiring but few and small doses, and attended by no bad consequences. This highly valuable medicine is a safe and sure remedy for expelling all worms, to which many of the most respectable certificates can be obtained. It is unnecessary to give any further detail of its goodness, as a fair trial will prove its efficacy.

Prepared and sold wholesale and retail at the Drug, Chemical and Fancy store of Thomas Read, which is under the superintendence of Dr. Jacob Hoffman.
