

cer or soldier who shall behave himself with contempt or disrespect towards his commanding officer, shall be punished according to the nature of his offence, by the judgment of a court martial.

Art. 7. Any officer or soldier who shall begin, excite, cause, or join in any mutiny or sedition in any troop or company in the service of the U. S. or in any party, post, detachment, or guard shall suffer death, or such other punishment as shall be inflicted.

Art. 8. Any officer, non-commissioned officer or soldier, who, being present at any mutiny or sedition, does not use his utmost endeavor to suppress the same, or coming to the knowledge of any intended mutiny, does not, without delay, give information thereof to his commanding officer shall be punished by the sentence of a court martial with death, or otherwise, according to the nature of the offence.

Art. 9. Any officer or soldier who shall strike his superior officer, or draw his sword, or lift up any weapon, or offer any violence, or execute any order of his office, or any pretence whatever, or shall disobey any lawful command of his superior officer, SHALL SUFFER DEATH, or such punishment as shall be inflicted upon him by the sentence of a court martial.

You have seen by the message, that Van Buren approves the Bill; and you see by the bill, that the articles of war are part of the government of the militia; and in these articles you can see that the private soldier who speaks DISRESPECTFULLY of Martin Van Buren, shall be fined and imprisoned. It matters not, even if the disrespectful words are true; still the poor private must be punished. This is worse than the old Sedition Laws, punished only for "false, scandalous, and malicious" words; while Van Buren is for putting the screws to a man who dare speak disrespectfully of him.

The poor soldier must suffer under these "rules and articles," according to the sentence of a court martial; and who compose that court martial? Why the officers of this army, above a captain, all of whom are commissioned by the President. So that, in truth, the very tools of his own creation, sentence the poor soldier to the dungeon cell. Fellow citizens, what do you think would be your case, if some of the serfs of the present Administration could take part in a drum head court martial against you, because you think both the master and the man deserve the execrations of all honest men.

Suppose, that some of our canal officers should happen to be a part of such a court martial—for some of them are very tall captains in the party—and that some one of the hundreds who have seen fit to quit the ranks of Loco Foco Humbug; what do you think would be the kind of justice he would get? Do you not believe that DEATH, in accordance with the 9th section, would be his portion?

Farmers and mechanics, look carefully, and see if it be not the silent, slow, and measured steps of despotism, which is creeping upon you. Freemen, watch well the temple of your freedom. Tyrants are logging you in letters. Awake!

Hays' Lintiment.

Those who know by trial or immediate observation, can form any idea of the effects, of the perfect relief, of the almost pain-like cures effected in cases of the Piles Rheumatism, all Swellings, and all external pains, no matter how severe, by the use of Hays' Lintiment. Find one who has used it that will not laud it above all things ever used, and you will find—what cannot be found.

For the relief of suffering human beings who may be afflicted, I beg you to ask—ask of those who know—ask the Hon. Alfred Conklin, U. S. Judge for that district, residing near Auburn; ask Mathew J. Myers, Esq., Athens, N. Y.; ask Gen. Duff Green, late of Washington city, each of these gentlemen know of cases unconquerable by all other remedies or physicians, though tried for many years, that have been cured by the use of genuine Hays' Lintiment. Thousands of other persons know similar cures. We appeal to their sense of justice—their human feelings.

It is but a duty you owe to your suffering fellow-beings to let this great remedy be known. Speak of it then to all your friends. This will save much pain where the newspapers are not read, or where readers are incredulous, because so many worthless articles are advertised for the same purpose. To buyers we say, if all who have used it do not say it is beyond all praise, then do not take it. The proprietor will not allow this article to be paid for unless it cures, when all the directions are fully followed. Will any one suffering refuse to try it? If he does, he ought to be pitied more for his obstinacy than his suffering.

Mr. Hays would never consent to offer this article, were he not compelled by his sense of moral—of religious duty—to do all in his power for the victims of distress and misery. For this purpose he would sooner devote a fortune, than secure a dollar for any worthless article.

LOOK OUT.—Some swindlers have counterfeited this article, and put it up with various devices. Do not be imposed upon. One thing only will protect you—it is the name of Comstock & Co.; that name must be always on the wrapper, or you are cheated. Do not forget it. Take this direction with you, and test by that, or never buy; for it is impossible for any other to be true or genuine.

WORMS! WORMS!!

SUPERIOR

Vermifuge Syrup.

This preparation is confidently recommended to the public, as an effectual remedy for expelling and destroying worms. It has been extensively used for some time and has never failed to give relief where worms have been present; and in many cases where all other medicines have failed, this medicine has given immediate relief. It is preferable to all other medicines, on account of the mildness of its operation, being easy to administer, requiring but few and small doses, and attended by no bad consequences. This highly valuable medicine is a safe and sure remedy for expelling all worms, to which many of the most respectable certificates can be obtained. It is unnecessary to give any further detail of its goodness, as a fair trial will prove its efficacy.

Prepared and sold wholesale and retail at the Drug, Chemical and Fancy store of Thomas Read, which is under the superintendence of Dr. Jacob Hoffman.
