### DR. JAYNE'S EXPECTORANT

We consider it a duty to call public attention to this admirable preparation for Pulmonary Diseases—Especially Coughs, Colds, Consumption, Spitting blood, Asthma, Bronchial Affections, Hooping Cough, &c. It is used and very highly approved by persons of the first respectability, but we feel confident in saying, that a trial of its efficacy will be its best recommendation.

Dr. JONATHAN GOING, PRESIDENT OF THE GRANVILLE COLLEGE, Ohio (late of New York), in a letter to Dr. Jayne dated New York, December, 1836, says:—He was laboring under a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using the Expectorant. Mrs. DeLis, of Salem, N.J. was cured of Asthma of twenty years standing, by using two bottles of this medicine. Mrs. Ward, also of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, who was believed by her friends to be far gone with consumption was perfectly restored by three bottles. Dr. Hamilton of St. James, South Carolina, was greatly affected by a severe cold, hoarseness and soreness of the throat, and on using a bottle of this medicine found permanent relief. Mr. Nicholas Harris, sen., one of the Deacons of the First Baptist Church in this city, has been perfectly cured by it—after having suffered for sixty years with Cough, Asthma, and Spitting of Blood, which no remedy before could relieve.

The Rev. C. C. Crosby, writes as follows:

New York, June 15, 1838. To Dr. Jayne:—Dear Sir, I have made use of your Expectorant, personally and in my family for the last six years, with great benefit. Indeed I may consider my life prolonged by the use of this valuable medicine, under the blessing of God, for several years. I may say almost as much in the case of my wife, and also of the Rev. Mr. Tinsou, of the Island of Jamaica. For all cases of cough, inflammation of the chest, lungs, and throat, I most unhesitatingly recommend this as the best medicine I have ever tried. My earnest wish is, that others afflicted as I have been, may experience the same relief, which I am persuaded they will by using your Expectorant.

C. C. P. CROSBY. The following Certificate is from a practicing Physician and a much respected Clergyman of the Methodist society—dated Modest Town, Va. August 27, 1838. Dr. JAYNE. Dear Sir:—I have been using your Expectorant extensively in my practice for the last three months, and for attacks of Colds, Coughs, Inflammation of the Lungs, Consumption, Asthma, Pains and weakness of the Breast, it is decidedly the best medicine I have ever tried.

Very respectfully yours, R. W. WILLIAMS. Dr. Jayne's Office is No. 20 South Third Street, Philadelphia, where all orders will be promptly attended to. Sold also by JACOB MILLER, agent Huntingdon, Pa.—Price 51.

### COUGHS AND COLDS.

How many sufferers do we daily behold afflicted with that common and distressing disease! Do we not find that almost every person or friend we meet with complains of a bad COLD or a distressing COUGH? We also find in assemblies of all kinds that there is a continual coughing, by which we perceive that there is one half of the human family afflicted with that troublesome disease. If these sufferers would only make a trial of Dr. Swayne's Syrup or wild cherry they would soon find themselves relieved, and by continuing the use of the same for a few days, it will effect a permanent cure. Hundreds can testify to this fact, as in the short space of two months, upwards of five hundred bottles have been sold.

The syrup for sale at Jacob Miller's store Huntingdon Pa.

### DR. Swayne's Compound Syrup of p r

nus of Virginia or wild Cherry This syrup is highly beneficial in all pectoral affections; also, in diseases of the chest in which the lungs do not perform their proper office from want of due nervous energy: such as asthma, pulmonary consumption, recent or chronic coughs, hoarseness, whooping cough, wheezing and difficulty of breathing, croup and spitting of blood, &c. How many sufferers do we daily behold approaching to an untimely grave, wrested in the bloom of youth from their dear relatives and friends, afflicted with that common and destructive razer, called consumption, which soon wastes the miserable sufferer until they become beyond the power of human skill; if such sufferers would only make a trial of Dr. Swayne's invaluable medicine, they would soon find themselves benefited; than by gulping the various ineffective certain remedies of which our newspapers daily abound. This syrup immediately begins to heal the ulcerated lungs, stopping profuse night sweats, mitigating the distressing cough at the same time inducing a healthy and natural expectoration, also relieving the shortness of breath and pain in the chest, which harass the sufferer on the slightest exercise, and finally the hectic flash in the pallid and emaciated cheek will soon begin to vanish, and the sufferer will here perceive himself snatched from a premature grave, into the enjoyment again of comfortable health.

### TO THE PUBLIC.

THE public are hereby informed, that JACOB MILLER has been appointed agent for Huntingdon county, for the sale of Dr. Evans' Camomile and family aperient pills, where all those that need medicine, can be supplied as he intends always to have a supply on hand.

LIFE AND HEALTH.—Persons whose nerves have been injured by Calomel, or excessive grief, great loss of blood, the suppression of accustomed discharges or cutaneous, intemperate habits, or other causes which tend to relax and enervate the nervous system, will find a friend to soothe and comfort them, in EVANS' CAMOMILE PILLS. Those afflicted with Epilepsy or Falling Sickness, Palsy, Serious Apoplexy, and organic affections of the heart, Nausea, Vomiting, pains in the side, breast, limbs, head, stomach or back, will find themselves immediately relieved, by using, EVANS' CAMOMILE NDA APERIENT PILLS.

Dr. EVANS does not pretend to say that his medicine will cure all diseases that flesh and blood are heir to, but he does say that in all Debilitated and Impaired Constitutions, in all Nervous diseases of all kinds, particularly of the DIGESTIVE ORGANS, and in Incipient Consumption, whether of the lungs or liver, they will cure. That dreadful disease, CONSUMPTION, might have been checked in its commencement, and disappointed its prey all over the land, if the first symptoms of Nervous Debility had been counteracted by the CAMOMILE FLOWERS (chemically prepared) together with many other diseases, where other remedies have proved fatal.

How many persons do we daily find tortured with that dreadful disease, SICK HEADACHE. If they would only make a trial of this invaluable medicine, they would perceive that life is a pleasure and not a course of misery and abhorrence. In conclusion I would warn nervous persons against the abstraction of BLOOD, either by leeching, cupping, or the employment of the lancet. Drastic purgatives in delicate habits are almost equally improper. Those who are subject to often resort to in such cases, but they seldom fail to prove highly injurious. Certificates of cures are daily received which add sufficient testimony of the great efficacy of this invaluable medicine, in relieving afflicted mankind. The above medicine is for sale at Jacob Miller's store, Huntingdon.

### LIVER COMPLAINT,

Ten years standing, cured by the use of Dr. Harlick's Compound Strengthening and German Aperient Pills. Mrs. Sarah Boyer, wife of William Boyer, North Fourth Street, Callowhill, Philadelphia, entirely cured of the above distressing disease. Her symptoms were, habitual costiveness of the bowels, total loss of appetite, excruciating pain in the side, stomach and back, depression of spirits, extreme debility, could not lie on symptoms indicating great derangement in the functions of the liver. Mrs. Boyer was attended by several of the best Physicians, but received little relief from the medicine. At last, a friend of hers procured a package of Dr. Harlick's Strengthening and German Aperient Pills, which, by the use of one package, induced her to continue with the medicine, which resulted in effecting a permanent cure beyond the expectations of her friends. Principal Office for this Medicine is at No. 20 North Eighth Street, Philadelphia. Also for sale at the store of Jacob Miller, agent for Huntingdon county.

### DYSPEPSIA AND HYPOCHONDRIAISM.

Cured by Dr. Harlick's Celebrated Medicines. Mr. Wm Morrison, of Schuylkill Sixth Street, Philadelphia, afflicted for several years with the above distressing disease—loss of the stomach, headache, palpitation of the heart, impaired appetite, acid eructations, coldness and weakness of the extremities, emaciation and general debility, disturbed rest, a pressure and weight at the stomach after eating, severe flying pains in the chest, back and sides, costiveness, a dislike for society or conversation, languor and lassitude upon the least occasion. Mr. Morrison had applied to the most eminent power of human skill to restore him to health; however, as his afflictions had reduced him to a deplorable condition, having been induced by a friend of his to try Dr. Harlick's Medicines, as they being highly recommended, by which he procured two packages, he found himself greatly relieved, and by continuing the use of them the disease entirely disappeared—he is now enjoying all the blessings of perfect health. Principal Office, 19 North Eighth Street, Philadelphia.

### GREAT ARRIVAL FROM NEW YORK

We have just received a fresh supply of DR. JAS. P. PETERS' CELEBRATED VEGETABLE ANTIBILIOUS PILLS.

More than seven millions of boxes of these celebrated pills have been sold in the United States since January 1835.

Hundreds and thousands bless the day they became acquainted with Peters' Vegetable Pills, which, in consequence of their extraordinary goodness, have attained a popularity unprecedented in the history of medicine. When taken according to the directions accompanying them, they are highly beneficial in the prevention and cure of Bilious Fever; Fever and Ague; dyspepsia, Liver Complaints, Sick-head-ache, Jaundice, Aethia, Dropsy, Rheumatism, Enlargement of the Spleen, Piles, Colic, Female Obstruction, Heartburn, Furred Tongue, Nausea, Distension of the Stomach and Bowels, Incipient Diarrhea, Flatulence, habitual Constiveness, Loss of Appetite, Bloating or Sal low Complexion, and in all cases of Torpor of the Bowels; where a cathartic or an operation is needed. They are exceedingly mild in their operation, producing neither nausea, griping, nor debility.

Extract of a letter written by Dr. Francis Bogart, of Providence, R. I. Dec. 17, 1828.—Peters' pills are an excellent aperient and cathartic medicine, those effects being produced by the differences of the quantity taken, and are decided superior to Lee's, Brandreth's or Morrison's Pills.

Extract from a letter by Dr. Hopson of Bangor, Me. Jan. 9, 1839. They are a peculiarly mild, yet efficient purgative medicine, and produce little, of any griping or nausea. I have prescribed them with much success in sick headache or right bilious fever.

Extract of a letter by Dr. Joseph Williams of Burlington, Vt. July 9, 1837.—I cordially recommend Peters' Pills as a mildly effective, and in no case dangerous, family medicine. They are peculiarly in costiveness and all the usual diseases of the digestive organs.

Extract of a letter from Dr. Edw. Smith of Montreal, U. C. Sept. 27, 1836.—I never knew a single patient medicine that I could put the least confidence in but Dr. Peters Vegetable Pills, which are really a valuable discovery. I have no hesitation in having it known that I use them extensively in my practice, for all complaints, (and they are not a few) which have their source in the impurity of the blood.

Extract of a letter from Dr. Dye of Quebec, L. C., March 6, 1837. For bilious fevers, sick head-ache, torpidity of the bowels, and enlargement of the spleen Dr. Peters' Pills are an excellent medicine.

Extract of a letter from Dr. Gurney N Orleans, La., Oct. 9, 1837; I have received much assistance in my practice; especially in jaundice and yellow fever, from the use of Peters' Pills. I presume that, on an average, I prescribe 100 boxes in a month.

Extract of a letter from Dr. Prichard of Hudson N. Y. June 3, 1836; I was aware that Dr. Peters' was one of the best chemists in the U. States, and felt assured that he would some day (from his intimate knowledge of the properties of herbs and drugs) produce an efficient medicine, and I must acknowledge that his Vegetable Pills fully respond to my expectations. They are indeed a superior medicine, and reflect credit alike upon the Chemist, the Physician, and Philosopher.

Extract of a letter from Dr. Wains of Cincinnati, Feb. 2, 1838; your Pills are the mildest in their operations, and yet most powerful in their effect, of any that I have. Their action on the chyle, and hence on the impurities of the blood is evidently very surprising.

Extract of a letter from Dr. Scott of Baltimore, Dec. 17, 1836; I am in the daily habit of prescribing them (Peters' Pills) and they in nearly all cases answer my purposes. I have directed other medicines, some of them very good ones, in their favor.

Charlotte, N.C., June, 1, 1837 Dear Sir: I have frequent use of your Pills in the incipient stage of bilious fever and obstinate consumption of the bowels, or, in the enlargement of the spleen, chronic disease of the liver, sick head-ache, general debility, and in all cases have found them to be very effective. J. D. Boyd Mecklenburg Co., Va. Feb. 7, 1837. Having used Dr. Peters' Pills in my practice the last 13 months, I take pleasure in giving my testimony of their good effects in cases of dyspepsia, sick head-ache, bilious fevers, and other diseases, produced by inactivity of the liver. They are a safe and mild aperient, being the best article of the kind I ever used.

G. C. SHOTT M. D. These Valuable Pills are for sale by JACOB MILLER—Huntingdon, PA. & J. MILLER—Mill Creek, HENRY NEFF—Alexandria, HERMAN TUSSEY & CO.—Shafersville, G. CONDON & GOOD—Canoe Creek, AND BRADSHAW & CO.—Hollidaysburg.

The article published below concerning the new and popular doctrine advanced by the illustrious Goelicke of Germany, cannot fail of exciting a deep and thrilling interest throughout our country.

[Translated from the German.] LOUIS OFFON GOELICKE, OF GERMANY, THE GREATEST OF HUMAN BENEFACTORS.

Citizens of North and South America.

To LOUIS OFFON GOELICKE, M. D., of Germany, [Europe] belongs the imperishable honor of adding a new and precious doctrine to the Sciences of Medicine—a doctrine which, though vehemently opposed by many of the faculty, (of which he is a valuable member,) he proves to be as well founded in truth as any doctrine of Holy Writ—a doctrine upon the variety of which are suspended the lives of millions of our race, and which he boldly challenges his opposers to refute, viz: Consumption is a disease always occasioned by a disordered state of Vis Vitæ (or life principle) of the human body: often secretly lurking in the system for years before there is the least complaint of the Lungs—and which may be as certainly though not so quickly, cured as a common cold or a simple headache. An invariably precious doctrine this, as it imparts an important lesson to the apparently health of both sexes, teaching them that this insidious foe may be an unobserved inmate of their "clayey houses" even while they imagine themselves secure from its attacks, teaching them that the great secret in the art of preserving health is to pluck out the disease while in the bud, and not wait till the full grown ear.

This illustrious benefactor of man is also entitled to your unfeigned gratitude, and the gratitude of a world, for the invention of his matchless Sanative,—whose healing fiat may justly claim for it such a title, since it has so signally triumphed over medicine which has thoroughly filled the vacuum in the Materia Medica, and thereby proved itself the Conqueror of Physicians—a medicine, for which all mankind will have abundant cause to bless the beneficent hand of a kind Providence,—a medicine, whose wondrous virtues have been so gloriously portrayed even by some of our clergy, in their pastoral visits to the sick chamber; by which means they often become the happy instruments of changing despondency into hope, sickness into health, and sadness of friends into joyfulness.

GOELICKE'S MATCHLESS SANATIVE, medicine of more value to man than the vast mines of Austria, or even the united treasures of our globe,—a medicine, which is obtained equally from the vegetable, animal and mineral kingdoms, and thus possesses a three fold power,—a medicine, which though designed as a remedy for consumption solely, is possessed of a mysterious influence over many diseases of the human system,—a medicine, which begins to be valued by Physicians, who are daily witnessing its astonishing cures of many whom they had resigned to the grasp of the Insatiable Grave.

Dose of the Sanative, for adults, or drop; for children a half drop; and infants, a quarter drop; the directions explaining the manner of taking a half or a quarter drop.

PRICE—Three and one third six dollars \*(\$2.50) per HALF OUNCE. \*A German coin, value 75 cents. A certificate from three members of the MEDICAL PROFESSION in Germany, in Europe. We the undersigned, practitioners of medicine in Germany are well aware that, by our course, we may forfeit the friendship of some of the faculty, but not of its benevolent members, who are uninfluenced by selfish motives. Though we shall refrain from an expression of our opinion, either of the soundness or unsoundness of Dr. Goelicke's new doctrine, we are happy to say that we deem his Sanative too valuable not to be generally known—for what our eyes behold and our ears hear, we must believe.

We hereby state, that when Dr. Louis Offon Goelicke first came before the German public, as the pretended discoverer of a new doctrine and a new medicine, we held him in the highest contempt, believing and openly pronouncing him to be a base impostor and the prince of quacks. But, on hearing so much said about the Sanative, against it and for it, we were induced, from motives of curiosity merely, to make trial of its reputed virtues, upon a number of our most hopeless patients; and we now deem it our bounden duty (even at the expense of our self interest) publicly to acknowledge its efficacy in curing not only consumption but other fearful maladies, which we have heretofore believed to be incurable. O attempt for the discoverer of this medicine was at once swallowed up in our utter astonishment at these unexpected results; and, as an ends for our abuse of him we do frankly confess to the world, that

we believe him a philanthropist who does honor to the profession, and to our country, which gave him birth.

The recent adoption of this medicine into some of our European hospitals is a sufficient guaranty that it performs all its promises: It need not our testimony, for wherever it is used it is its own best witness.

HERMAN ETMULLER, M. D. WALTER VAN GAULT, M. D. ADOLPHUS WERNER, M. D. Germany, December 10, 1839.

INTERESTING CURE PERFORMED BY DR. SWAYNE'S COMPOUND SYRUP OF PRUNES, VIRGINIANA, OR WILD CHERRY. Having made use of this invaluable Syrup in my family, which entirely cured my child. The symptoms were Wheezing and choking of the chest, difficulty of Breathing, attended with constant Cough, Spasms, Convulsions, &c. of which I had given up all hopes of its recovery, until I was advised to make trial of this invaluable medicine. After seeing the wonderful effects it had upon my child, I concluded to make the same trial upon myself, which entirely relieved me of a cough that was afflicted with for many years my house in Bench street, where you can call at Kensington, Phila. JOHN WILLIAMS. OBSERVE—The only place where this medicine can be obtained, is at Jacob Miller's store Huntingdon.

### COUGH, ASTHMA AND SPITTING BLOOD

Cured By JAYNE'S EXPECTORANT. PHILADELPHIA, AUG. 16, 1838.

Mr. Atkinson—Dear Sir: A few weeks ago I noticed in your paper, an account of the surprising effects of Jayne's Expectorant, in restoring a great number of passengers on board of a Mississippi steamer to perfect health, who were affected by violent Bowel Complaint. I was glad to see you notice it so kindly; you may rest assured it deserves the praise bestowed upon it. The benefit I have received from his medicine, more especially his EXPECTORANT induces me to state my case to you, for the benefit of those who are afflicted in the same way. It has been my misfortune, sir, to have been under a Cough and Asthmatic operation, for more than half a century. When a soldier in the American Camp, in 1778, I, with many others, (owing to great exposure,) had a violent attack of disease of the lungs, by which I was disarmed from duty for long time. Since that period, until recently, I have never been free from a violent cough and difficulty of breathing. Year after year, I have expectorated over a gill a day. Often much more, and sometimes mixed with blood. For months together, night after night, I have had to sit or be bolstered up to obtain my breath. The weakness and debility caused by such constant expectoration, frequently brought me to a state bordering on death. It has been a matter of astonishment to my family and friends, that I am here to write this to you. I have had skillful physicians to attend me, and every thing done that was thought likely to give me relief, without any beneficial effect. I was wintered in another very severe attack of inflammation of the lungs, which I fully expected would be the last. I then considered my case as past the aid of medicine. When I was persuaded to call on Dr. Jayne—with the assistance of Divine Providence, through him I was once more raised from my bed; but the cough and wheezing wearied me day and night. He advised me to use his Expectorant. I did so, with a strong hope, that, as it had cured many of my acquaintances of various diseases of the lungs, it might, at least, afford me some relief. Need I say how satisfied I feel—IT HAS EFFECTUALLY CURED ME. As soon as I commenced taking it, I found it reached my case, and I began to breathe with more freedom. My expectoration became easy, and my cough entirely left me. I now feel as well as I ever did in my life, and better than I have been for the last six years. Last summer I spit a great deal of blood; now thank God I am perfectly cured. Now sir, after suffering so long, and finding at last, such signal relief from Doctor Jayne's Expectorant, I feel anxious to inform my fellow citizens where relief may be had. If you think this worth a place in your paper, you will oblige me by noticing it.

NICHOLAS HARRIS, Sen. No. 35 Lombard street. The above valuable medicine may be had wholesale and retail at Jayne's Drug and Chemical Store, No. 20, South Third Street Philadelphia. Price \$1. Sold, also, by JACOB MILLER, Agent Huntingdon Pa.

### MORE PROOF.

This is to certify that I received a severe bruise in my shoulder, by a fall from a tree. Medical aid, and every thing I could hear of being tried, I tried for a long time, but all failed. I at length used one bottle of Ryan's Rheumatic Nephente, which restored the flesh and strength to the shoulder and arm, and perfectly cured me. JOHN DUFFIELD. Huntingdon Furnace, Pa. The above, with many other certificates, go to establish the fact, that Ryan's Rheumatic Nephente is one of the best Liniments before the public. Not only for Rheumatism but for sprains, bruises, pains of the back, sore-throat, croup, mumps, frost-bites, scalds, and in fact for every thing a liniment may be wanted for; and not a family should be without it. ### TO THE SICK AND AFFLICTED.

The public are hereby directed to the medical advertisements of Dr. HARLICH'S Celebrated COMPOUND STRENGTHENING TONIC, and GERMAN APERIENT PILLS, which are a Medicine of great value to the afflicted, discovered by O. P. HARLICH, a celebrated physician at Altdorf, Germany, which has been used with unparalleled success throughout Germany. This Medicine consists of two kinds, viz: the GERMAN APERIENT, and the COMPOUND STRENGTHENING TONIC PILLS. They are each put up in small packages, and should both be used to effect a permanent cure. Those who are afflicted would do well to make a trial of this invaluable Medicine, as they never produce sickness or nausea while using. A safe and effectual remedy for DYSPEPSIA OR INDIGESTION, and all Stomach Complaints; pain in the SIDE, LIVER COMPLAINTS, Loss of Appetite, Flatulency, Palpitation of the Heart, General Debility, Nervous Irritability, SICK HEADACHE, Female Diseases, Spasmodic Affections, RHEUMATISM, Asthma, and CONSUMPTION, &c. The GERMAN APERIENT PILLS are to cleanse the stomach and purify the BLOOD. The Tonic or STRENGTHENING PILLS are to STRENGTHEN and invigorate the nerves and digestive organs and give tone to the Stomach, as all diseases originate from impurities of the BLOOD and disordered Stomach. This mode of treating diseases is pursued by all practical PHYSICIANS, which experience has taught them to be the only remedy to effect a cure. They are not only recommended and prescribed by the most experienced Physicians in their daily practice, but also taken by those gentlemen themselves whenever they feel the symptoms of those diseases, in which they know them to be efficacious. This is the case in all large cities in which they have an extensive sale. It is not to be understood that these medicines will cure all diseases mere by purifying the blood—this they will not do; but they certainly will, and sufficient authority of daily proofs asserting that these medicines, taken according to the directions which accompany them, will cure a great majority of diseases of the stomach, lungs and liver, by which impurities of the blood are occasioned.

Ask for Dr. HARLICH'S COMPOUND STRENGTHENING TONIC, and GERMAN APERIENT PILLS. Principal Office for the sale of this Medicine, is at No. 19 North EIGHTH Street, Philadelphia. Also—For sale at the Store of JACOB MILLER, in the Borough of Huntingdon, Pa., who is agent for Huntingdon county.
