

Congressional candidates. We have a right to claim States that have already announced their determination to give "old Tip" the reins of Government.

### Crow Chapman!

Was the order of an office holder, to one of his party; and they have all commenced crowing, as fast as they got returns of elections. Even every State they have raised a "cock-a-doodle do," whether successful or no.

"Show the Lady a large 'em." His (Wilson's) vote is the highest EVER GIVEN to ANY Democrat, by the resident voters of this county, as will be shown by the returns.

Readers, is not the writer of that article a precious fellow? He tells what he knows is untrue, and points you to the very thing that will convict him of untruth.

### MORE THUNDER!

### Ohio, O. K. K.

"Old Koming in for Korwin." The Buckeye state has added another "O'ful Katsastrophe" to Van Barenism.

### Maryland O. K.

Notwithstanding a temporary triumph was obtained by the Locos in Maryland a year or two ago, owing to local causes.

### New Jersey's Broad Seal

Has been placed upon the corruptions of Loco Focoism. The people of that State have gloriously resented the oppressions of the tyrant and his tools, they have sent their insulted members back to sneer at the political knaves, who were base enough to refuse that State her representatives.

New Jersey's election was on the same day as ours, and the cause of the people and Harrison, triumphed signally.

BRANDRETH'S PILLS.—This medicine is acknowledged to be one of the most valuable ever discovered, as a purifier of the blood and fluids. It is superior to Sarsaparilla whether as a sudorific or alterative, and stands infinitely before all the preparations and combinations of Mercury. Its purgative properties are alone of incalculable value, for these pills may be taken daily for any period, and instead of weakening by the cathartic effect, they add strength by taking away the cause of weakness. They have none of the miserable effects of that deadly specific Mercury. The teeth are not injured—the bones and limbs are not paralyzed;—no; but instead of these distressing symptoms, new life and consequent animation is evident in every movement of the body. Brandreth's Pills are indeed a universal remedy; because they cleanse and purify the blood. Five years this medicine has been before the public in the United States wherever it has been introduced, it has superseded all other remedies. Dr. B. Brandreth, No. 8 North 8th St Philadelphia, Pa. Purchase them in HUNTINGDON, of Wm STEWART, and only in the county of agents published in another part of this paper. Remember every agent has a certificate of agency, dated within the last twelve months. If of an earlier date do not purchase.
