

**FIRE!**—We regret to learn that the new house built in Hollidaysburg, by S. Calvin, Esq. was on Friday morning last, entirely consumed by fire. The house was nearly finished, and it is supposed the fire originated from a spark flying from the fire, among the shavings, during the absence of the workmen. We have been told that the loss will fall upon the builder.

This week we occupy a considerable portion of our paper with the opinion given by the Supreme Court of this State in the case of the Associate Judges appointed by Porter, to oust those previously appointed by Ritner. We trust it will receive a careful perusal by the citizens of our county, as Judge Ker was one of the ousted judges, who since this decision, has again taken his seat on the Bench.

Answer to the Enigma last week,  
GENERAL ANDREW JACKSON.

**ORIGIN OF EVERY DISEASE, AND THE MEANS OF CURE.**—In the year 1795, Le-Roy clearly demonstrated that every disease originated from impure or undigested particles becoming mixed with the blood and fluids. And also, that to cure every disease, it was only requisite to open the natural outlets of the body, and allow them to remain open, by which means the blood and other fluids would release themselves from these undigested and impure particles, and a state of health would be certain to ensue.

The Royal Institute of France awarded to him for this discovery, the Gold Medal of the Institute.

This is the historical fact. And which the *Brandreth Vegetable Universal Pills* profess to do it, to carry out this principle and experience has fully established them capable of it. When therefore, a bad state of health exists in the body, all that has to be done is to continue to purge it effectually with them, and the more virulent the disease, the more powerful the dose.

The *Brandreth Pills* are made entirely of Vegetable Extracts, known by long experience to be perfectly innocent, and yet of more power as a purgative, or cleaner of the alimentary canal, than any other medicine. Their effect on the system is so easy that it is a remarkable fact that the same dose may be given to an infant or adult, without the possibility of doing any injury—but on the contrary good. Therefore, in costiveness, either habitual or otherwise, and in bilious fevers, and all bilious affections, they are of the greatest possible benefit.

Purchase them in HUNTINGDON of W. STEWART, and only in the county, of agents published in another part of this paper. Remember every agent has a certificate of agency, dated within the last twelve months. If of an earlier date do not purchase.

**DR. Swayne's Compound Syrup of Prunus of Virginia or wild Cherry**  
This syrup is highly beneficial in all pectoral affections; also, in diseases of the chest in which the lungs do not perform their proper office from want of due nervous energy: such as asthma, pulmonary consumption, recent or chronic coughs, hoarse-ness, whooping cough, wheezing and difficulty of breathing, croup and spitting of blood, &c. How many sufferers do we daily behold approaching to an untimely grave, wrested in the bloom of youth from their dear relatives and friends, afflicted with that common and destructive ravager, called consumption, which soon wastes the miserable sufferer until they become beyond the power of human skill; it such sufferers would only make a trial of Dr. Swayne's invaluable medicine, they would soon find themselves benefited; than by gulping the various ineffective certain remedies of which our newspapers daily abound. This syrup immediately begins to heal the ulcerated lungs, stopping pre-vious night sweats, mitigating the distressing cough at the same time inducing a healthy and natural expectoration, also relieving the shortness of breath and pain in the chest, which harass the sufferer in the slightest exercise, and finally the hectic flash in the pallid and emaciated cheek will soon begin to vanish, and the sufferer will here perceive himself snatched from a premature grave, into the enjoyment again of comfortable health.
