

Citizens of the United States.—Let it be remembered that Brandreth's Vegetable Universal Pills have now been before the citizens of the United States for nearly six years, and used by hundreds of thousands. They are so well known that it need scarcely be mentioned that they are a "purgative medicine," so "justly balanced" that the "experience of a century" has proved that they may be taken in any dose, according to nature's requirements—and this rule refers to both sexes and all ages. They have been used in every variety of derangements of the human body, and yet, when properly used, never failed to restore to health, except in those cases where nature was exhausted before the pills were commenced with. Experience has taught that Brandreth's Vegetable Universal Pills remove all corrupt humors from the body, in an easy, safe and effectual manner; producing no effect but what will finally conduce to the perfect purification of the blood, and thereby cure the disease, (whatever name it may be called) and give perfect health to the whole system.

Remember, Druggists are not permitted to sell my pills—if you purchase of them you will obtain a counterfeit.

Purchase them in **HUNTINGDON** of **W. STEWART**, and only in the county, of agents published in another part of this paper. Remember every agent has a certificate of agency, dated within the last twelve months. If an earlier date do not purchase.
