

JUDGE BANKS.

The nomination of Judge Banks was received with the warmest demonstrations of popular approbation. His name will be a tower of strength. Whenever it is mentioned in the Convention the large and crowded concourse of "lookers on" burst forth in enthusiastic cheers. The union, harmony and good feeling that prevailed throughout the entire action of the Convention, was hailed as auguring full and ardent co-operation throughout the entire ranks of his friends, and full confidence of triumphant success. The speeches of Messrs Stevens, Brown, Pearson, and neither last or least, that of Mr Bear, the "Buckeye Blacksmith," delivered during the recess of the Convention, aroused the strongest impulses of popular enthusiasm. The speech of Mr Stevens, drove from the minds of the Loco focus, if any was present, all hope that they may have had of disunion in our party.—*Tel. egraph.*

One of the most active and distinguished supporters of the administration of Gen Jackson and Mr Van Buren in Northern Pennsylvania writes to the editor of the Sentinel, under date of the 29th ult.

"The interest of the people of our State is to sustain Pennsylvania institutions against the assaults of banks and brokers and shavers of New York especially, and other States. The 'Bank of the United States' should be sustained if her memorial to the Legislature is true. I have no hesitation in saying so, and if I was in Harrisburg, I would so express myself not only to my particular representative, but also to the Governor.—*American Sentinel.*

THE JOURNAL.

One country, one constitution, one destiny.

Huntingdon, March 17, 1841.

Democratic Candidate FOR GOVERNOR.

JOHN BANKS,
OF BERRS COUNTY.

Huntingdon Female Seminary.

An examination of the pupils in this Institution, under the care of Miss Phillips, took place on last Thursday, being the end of the second quarter. It was gratifying to the friends of literature to see the large school room crowded with an attentive audience, thus affording a proof of the interest felt in the education of females. As it is conceded by all writers on the subject, that "ladies give tone to society," it is therefore highly important that they should possess well cultivated minds.

The examination was highly creditable both to the teacher and pupils. It was delightful to observe the progress made by children of eight and ten years of age, who answered questions propounded, on Grammar, Arithmetic, Geography, &c with as much ease as some of those of riper years. It would be invidious to make a selection, by name, of those who acquitted themselves best. It was easily perceived, however, that some had been much more attentive than others. The facility with which the class in Astronomy explained the celestial Globe, was surprising. The class in Arithmetic, were able to give the reason of the rules, by which an operation was performed, a matter too much neglected in common schools.

The whole exhibition was so satisfactory, that it seemed to be admitted by all present, that there was now no necessity for the citizens of Huntingdon county to send their daughters abroad to receive an education.

A SPECTATOR.

March 8, 1841.

TO THE PATRONS OF THE BRANDRETH VEGETABLE UNIVERAL PILLS.—I have often found persons desirous to know how soon this medicine will cure them. It is impossible to say—it altogether depends upon the state of the blood and humors. One thing may be relied upon—that if the pills are preserved with according to the printed direction which accompanies each box, the cure will be effected much sooner than the patient could have expected. Tee many lingering chronic diseases we daily see, are owing either to murrity or bleeding, or to not having been properly purged in Fevers, Inflamations, Cold, Measles, Small Pox, or Lying in, it is utterly impossible for us to attain or keep health without sound purging. We may fasten up the disorder by borks and onics, but if it be in the body, it must

come out before health can be enjoyed, and sooner or later it will break out of itself, worse than ever, if this method of purifying the body is delayed too long. No danger can arise from purging with *Brandreth's Vegetable Pills*. It has been proved, beyond doubt, that these celebrated Pills and the human body are adapted one for the other. By the use of this glorious medicine the contents or humors of the body can be entirely evacuated; altered, and completely regenerated; and in a manner so simple as to give every day ease and pleasure.

Purchase them in HUNTINGDON of WM. STEWART, and only in this county, of agents published in another part of this paper. Remember every agent has a certificate of agency, dated within the last twelve months. If an earlier date do not purchase.

OBITUARY RECORD.

"In the midst of life we are in death."

DIED, on the 12th inst, near Mill Creek, Mrs. DARCUS wife of Mr. Alexander Jacobs, aged about 46 years.

[COMMUNICATED.]

Mrs. Jacobs had been, for a number of years, a member of the Presbyterian church in Millin county, where she formerly resided. And, it is believed, that from the time she avowed herself to be a follower of Christ her deportment was in a high degree ornamental to her profession. From the commencement of the sickness which terminated her earthly existence, she was deeply impressed with the belief that she was about to be called away. And, sensible of the solemnity of the event, she addressed herself with great diligence to the work of preparation. Nor was her efforts unavailing. For, although her mind was, during some part of her illness, much disquieted in view of her unfaithfulness to her Lord and Master, yet, as her end drew near, it became, apparently, calm and submissive. And relying on "the blood of the atonement," she expressed a readiness to depart—not doubting but that to her, "death would be gain."

The amount of tax every district must levy to entitle itself to its share of the State appropriation, is a sum equal to at least 60 cents for every taxable inhabitant in the district, according to the last triennial enumeration made in the spring of 1839. A list of taxables in each district is hereto appended.

Districts that have already accepted the Common School system, and received their share of the appropriation for former years will, on levying the proper amount of tax, be entitled under the existing laws to receive for the Scholl year 1842, which commences on the first Monday of next June, one dollar for every taxable.

Districts which have not received any part of the appropriation of former years, but which accept the system for the first time, at the annual election in March next, and levy the proper amount of tax will under the existing laws receive \$4.50 for every taxable in the district in 1835, and \$3.00 for every taxable in 1839, according to the above list. These sums, by a resolution passed April 13th, 1840, will remain in the State Treasury for the use of nonaccepting districts, until the first of November, 2841, and no longer.
