TO THE PUBLIC.

THE public are hereby informed, that JACOB MILLER has been appointed agent for Huntingdon county, for the sale of Dr. Evans' Camomile and family aperient pills, where all those that need medicine, can be supplied as he intends always to have a supply on hand.

LIFE AND HEALTH.—Persons whose nerves have been injured by Calomel, or excessive grief, great loss of blood, the suppression of accustomed discharges or cutaneous, intertemperate habits, or other causes which tend to relax and enervate the nervous system, will find relief and comfort from the **EVANS' CAMOMILE PILLS.** Those afflicted with Epilepsy or Falling Sickness, Palsy, Serious Apoplexy, and organic affections of the heart, Nausea, Vomiting, pains in the side, breast, limbs, head, stomach or back, will find themselves immediately relieved, by using

EVANS' AMOMILE NDA APERIENT PILLS.

Dr. EVANS does not pretend to say that his medicine will cure all diseases that flesh and blood are heir to, but he does say that in all debilitated and Impaired Constitutions—in Nervous diseases of all kinds, particularly of the DIGESTIVE ORGANS, and in Incipient Consumption, whether of the lungs or liver, they will cure. That dreadful disease, CONSUMPTION, might have been checked in its commencement, and disappointed its progress, had the first symptoms of Nervous Debility had been counteracted by the CAMOMILE PILL, which is chemically prepared; together with many other diseases, where other remedies have proved fatal.

How many persons do we daily find tortured with that dreadful disease, SICK HEADACHE, if they would only make trial of this invaluable medicine, they would perceive that life is a pleasure and not a scene of misery and abhorrence. In conclusion I would warn nervous persons against the abstraction of BLOOD, either by leeches, cupping, or the employment of blisters. Drastic purgatives in delicate habits are almost equally improper. Those who practice too often resorted to in such cases, but they seldom fail to prove highly beneficial. Circumstances of cure are daily received which add sufficient testimony of the great efficacy of this invaluable medicine, in relieving afflicted mankind. The above medicine is for sale at Jacob Miller's store, Huntingdon.

The article published below concerning the new and popular doctrine advanced by the illustrious Goelicke of Germany, cannot fail of exciting a deep and thrilling interest throughout our country.

[Translated from the German.]

LOUIS OFFON GOELIKE, OF GERMANY, THE GREATEST OF HUMAN BENEFACTORS.

Citizens of North and South America.

To LOUIS OFFON GOELIKE, M. D., of Germany, [Europe] belongs the imperishable honor of adding a new and precious doctrine to the Sciences of Medicine—a doctrine which, though vehemently opposed by many of the faculty, (of which he is a valuable member,) he proves to be well founded in truth as any doctrine of Holy Writ—a doctrine upon the variety of which are suspended the lives of millions of our race, and which he boldly challenges his opposers to refute, viz: Consumption is a disease always occasioned by a disordered state of Vis Vitæ (or life principle) of the human body: often secretly lurking in the system for years before there is the least complaint of the Lungs—and which may be as certainly though not so quickly, cured as a common cold or a simple headache. An invaluable precious doctrine this, as it imparts an important lesson to the apparently health of both sexes, teaching them that this insidious foe may be an unobserved inmate of their "clay houses" even while they imagine themselves secure from its attacks, teaching them that the great secret in the art of preserving health is to pluck out the disease while in the blade, and not wait till the full grown ear.

This illustrious benefactor of man is also entitled to your unfeigned gratitude, and the gratitude of a world, for the invention of his matchless sanative,—whose healing faith may justly claim for it such a title, since it has so signally triumphed medicine which has thoroughly filled the vacuum in the Materia Medica, and thereby proved itself the Conqueror of Physicians—a medicine, for which all mankind will have abundant cause to bless the beneficent hand of a kind Providence,—a medicine, whose wondrous virtues have been so glowingly portrayed even by some of our clergy, in their pastoral visits to the sick chamber; by which means they often become the happy instruments of changing despondency into hope, sickness into health, and sadness of friends into joyfulness.

GOELICKE'S MATCHLESS SANATIVE,

medicine of more value to man than the vast mines of Austria, or even the united treasures of our globe,—a medicine, which is obtained equally from the vegetable, animal and mineral kingdoms, and thus possesses a three-fold power,—a medicine, which though designed as a remedy for consumption solely, is possessed of a mysterious influence over many diseases of the human system,—a medicine, which begins to be valued by Physicians, who are daily witnessing its astonishing cures of many whom they had resigned to the grasp of the Insatiable Grave.

Dose of the Sanative, for adults, or drop; for children a half drop; and infants, a quarter drop; the directions explaining the manner of taking a half or quarter drop.

Price—Three and one-third rix dollars* (\$2.50) per HALF OUNCE.

*A German coin, value 75 cents.

A certificate from three members of the MEDICAL PROFESSION in Germany, in Europe.

We the undersigned, practitioners of medicine in Germany are well aware that, by our course, we may forfeit the friendship of some of the faculty, but not of its benevolent members, who are uninfluenced by selfish motives. Though we shall refrain from an expression of our opinion, either of the soundness or unsoundness of Dr. Goelicke's new doctrine, we are happy to say that we deem it a Sanative too valuable not to be generally known—for what our eyes behold and our ears hear, we must believe.

We hereby state, that when Dr. Louis Offon Goelicke first came before the German public, as the pretended discoverer of a new doctrine and a new medicine, we held him in the highest contempt, believing and openly pronouncing him to be a base impostor and the prince of quacks. But, on hearing so much said about the Sanative, against it and for it, we were induced, from motives of curiosity merely, to make trial of its reputed virtues, upon a number of our most hopeless patients; and we now deem it our bounden duty (even at the expense of our self-interest) publicly to acknowledge its efficacy in curing not only consumption, but other fearful maladies, which we heretofore believed to be incurable. We attempt for the discoverer of this medicine was at once swallowed up in our utter astonishment at these unexpected results; and, as amends or our abuse of him we do frankly confess to the world, that we believe him a philanthropist does who hour to the profession, and to our country, which gave him birth.

The recent adoption of this medicine into some of our European hospitals is a sufficient guaranty that it performs all its promises: It need not our testimony, for wherever it is used it is its own best witness.

HERMAN ETMULLER, M. D. WALTER VAN GAULT, M. D. ADOLPHUS WERNER, M. D. Germany, December 10, 1836.

HEWE'S Nerve and Bone Liniment.

This article is offered to the public as a never-failing cure for the Rheumatism, and it has for a number of years sustained its reputation, and accomplished cures which had defied the power of every other article. In acute and recent cases, the relief is invariably, after one or two applications of the Liniment, and in Chronic Rheumatism, the cases of cure are numerous. It is truly a remedy that reaches the nerve and bone with the most happy effect. For sale at the Drug Store of THOMAS READ, Huntingdon, Pa. May 12, 1841.

A GREAT PRIZE!

THE RESURRECTION, OR PERSIAN PILLS.

In order that this valuable medicine should not be counterfeited, we have a plate representing a Persian scene, that is struck on each bill, one of which accompanies each box. We deem it unnecessary to publish a long list of Certificates, as it will neither add to nor diminish the virtues of this admirable compound.

Superior to the Hygean, Brandreth's, Evans', Tomato, the Matchless (priced) Sanative, or any other Pills or Compound before the public, as certified to by physicians and others. Let none condemn them until they have tried them, and then we are certain they will not.

It is now a settled point with all those who have used the Vegetable Persian Pills, that they are pre-eminently the best and most efficacious Family Medicine that has yet been used in America. If every family would become acquainted with their sovereign power over disease, they would keep them and be prepared with a sure remedy to apply on the first appearance of disease, and then how much distress would be avoided and money saved, as well as the lives of thousands who are hurried out of time by neglecting disease in its first stages, or by being in possession of a remedy which they can place dependence upon. All who wish to guard against sickness, should use the Persian Pills freely, when needed; no injury can ensue, if used from youth to old age, when taken according to the directions.

The Resurrection, or Persian Pills.—These pills raise from the greatest weakness, distress and suffering, to a state of strength, health and happiness. The name of these pills originated from the circumstance of the medicine being found only in the cemeteries of Persia. This vegetable production being of a peculiar kind, led to experiments as to its medical qualities and virtues. In half a century it became an established medicine for the diseases of that country. The extract of this singular production was introduced into some parts of Europe in the year 1783, and used by many celebrated physicians in curing certain diseases, where all other medicines had been used in vain. Early in the year 1792, the extract was combined with a certain vegetable medicine imported from Dura Baca, in the East Indies, and formed into pills. The admirable effect of this compound upon the human system, led physicians and families into its general use. Their long established character, their universal and healing virtues, the detergent and cleansing qualities of their specific action upon the glandular part of the system, are such as will sustain their reputation and general use in the American Republic.

CERTIFICATE.—I certify that I have, by way of experiment, used the Hygean, and most of the various kinds of Pills in practice, which have borne the highest reputation in the public estimation, that have been offered for sale in this vicinity for the last five years, including those called the Resurrection or Persian Pills; and the public mind has been assured that none among the whole catalogue has answered a better purpose, as an easy and an effectual remedy, than the Resurrection or Persian Pills, in most cases of disease.

TO THE SICK AND AFFLICTED

The public are hereby directed to the medical advertisements of Dr. HARLICH'S Celebrated COMPOUND STRENGTHENING TONIC, and GERMAN APERIENT PILLS, which are a Medicine of great value to the afflicted, discovered by O. P. HARLICH, a celebrated physician at Altdorf, Germany, which has been used with unparalleled success throughout Germany. This Medicine consists of two kinds, viz: the GERMAN APERIENT, and the COMPOUND STRENGTHENING TONIC PILLS. They are each put up in small packs, and should both be used to effect a permanent cure. Those who are afflicted would do well to make a trial of this invaluable Medicine, as they never produce sickness or nausea while using. A safe and effectual remedy for

DYSPEPSIA OR INDIGESTION.

and all Stomach Complaints; pain in the SIDE, LIVER COMPLAINTS, Loss of Appetite, Flatulency, Palpitation of the Heart, General Debility, Nervous Irritability, SICK HEADACHE, Female Diseases, Spasmodic Affections, RHEUMATISM, ASTHMA, CONSUMPTION, &c. &c. GERMAN APERIENT PILLS are to cleanse the stomach and purify the BLOOD. The Tonic or STRENGTHENING PILLS are to STRENGTHEN and invigorate the nerves and digestive organs, and give tone to the Stomach, as all diseases originate from impurities of the BLOOD and disordered Stomach. This mode of treating diseases pursued by all practical PHYSICIANS, which experience has taught them to be the only remedy to effect a cure. They are not only recommended and prescribed by the most experienced Physicians in their daily practice, but also taken by those gentlemen themselves whenever they feel the symptoms of those diseases, in which they knew them to be efficacious. This is the case in all large cities in which they have an extensive sale. It is not to be understood that these medicines will cure all diseases mere by purifying the blood—this they will not do; but they certainly will, and sufficient authority of daily proofs asserting that those medicines, when accompanied by the directions which accompany them, will cure a great majority of diseases of the stomach, lungs and liver, by which impurities of the blood are occasioned.

Ask for DR. HARLICH'S COMPOUND STRENGTHENING TONIC, AND GERMAN APERIENT PILLS. Principal Office for the sale of this Medicine, is at No. 19 NORTH EIGHTH STREET, Philadelphia. Also—For sale at the Store of JACOB MILLER, in the Borough of Huntingdon, Pa., who is agent for Huntingdon county.

JEW DAVID'S OR HEBREW PLASTER.

THE peculiarities of this Chemical Compound, are owing to its extraordinary effects upon the animal fibre or nerves, ligaments and muscles, its virtues being carried by them to the seat of disease or of pain and weakness.

However good any internal remedy may be, this, as an external application, will prove a powerful auxiliary in removing the disease and facilitating the cure, in cases of local inflammation, schrofulous affections, king's evil, gout, inflammatory, and chronic rheumatism, and in all cases where a seated pain or weakness exist.

A gentleman traveling in the south of Europe and Palestine, in 1830, heard so much said in the latter place, in praise of Jew David's or Hebrew Plaster, and of the (as he considered) miraculous cures had performed that he was induced to try it on his own person, for a lung and liver affection, the removal of which had been the chief object of his journey, but which had resisted the general influence of that balmy and delicious climate. He soon found his health improving, and in a few weeks his cough left him the salowness of his skin disappeared, his pain was removed, and his health became permanently reinstated. Since that time he has been recommending it to his friends and acquaintances, for all fixed pains whatever; such as rheumatism, gout, head ache, nervous teeth ache, pain in the side, back and limbs, schrofulous humors, knots, wens, white swelling, hard tumors, stiff joints, ague's cakes, ague in the breast, weakness and pain in the stomach, weak limbs, lameness, affections of the spine, female weaknesses, &c. No female subject to pain or weakness in back or side, should be without it.

COUGH, ASTHMA AND SPITTING BLOOD

Cured By JAYNE'S EXPECTORANT. PHILADELPHIA, Aug. 16, 1838

Mr. Atkinson—Dear Sir: A few weeks ago I noticed in your paper, an account of the surprising effects of Jayne's, Carminative, in restoring a great number of passengers on board of a Mississippi steambot to perfect health, who were affected by violent Bowel Complaint. I was glad to see you notice it so kindly; you may rest assured I deserve the praise bestowed upon it.

The benefit this EXPECTORANT induces me to state my case to you, for the benefit of those who are afflicted in the same way. It has been my misfortune, sir, to labor under a Cough and Asthmatical oppression, for more than half a century. When a soldier in the American Camp, in 1778, I, with many others, (owing to great exposure,) had a violent attack of disease of the lungs, by which I was disabled from duty for a long time. Since that period, until recently, I have never been free from a violent cough and difficulty of breathing. Year after year, I have expectorated over a gallon a day. Often much more, and sometimes mixed with blood. For months together, night after night, I have had to sit or be bolstered up to obtain my breath. The weakness and debility caused by such constant expectoration, frequently brought me to a state bordering on death. It has been a matter of astonishment to my family and friends, that I am here to write this to you. I have had skillful physicians to attend me, and every thing done that was thought likely to give me relief, without any beneficial effect. Last winter I had another very severe attack of inflammation of the lungs, which I fully expected would be the last. I then considered my case as past the aid of medicine. When I was persuaded to call in Doctor Jayne—with the assistance of Divine Providence, through him I was once more raised from my bed; but the cough and wheezing wearied me day and night. He advised me to use his Expectorant. I did so, with a strong hope, that, as it had cured many of my acquaintances of various diseases of the lungs, it might, at least mitigate my sufferings. Need I say how satisfied I feel—IT HAS EFFECTUALLY CURED ME. As soon as I commenced taking it, I found it reached my case, and I began to breathe with more freedom. My expectoration became easy, and my cough entirely left me. I now feel as well as I ever did in my life, and better than I have been for the last six years. Last summer I spit a great deal of blood; now thank God I am perfectly cured. Now, sir, after suffering so long, and finding at last, such signal relief from Doctor Jayne's Expectorant, I feel anxious to inform my fellow citizens where relief may be had. If you think the case worth a line in your paper, you will oblige me by noticing it.

DR. JAYNE'S EXPECTORANT

We consider it a duty to call public attention to this admirable preparation for Pulmonary Diseases—Especially Coughs, Colds, Consumptions, Spitting blood, Asthma, Bronchial affections, Hooping Cough, &c. It is used and very highly approved by persons of the first respectability, but we feel confident in saying that a trial of its efficacy will be the best recommendation.

DR. JONATHAN G. GOSSETT, PRESIDENT OF THE GRANVILLE COLLEGE, Ohio (late of New York), in a letter to Dr. Jayne dated New York, December, 1836, says:—He was laboring under a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using the Expectorant. Mrs. Delks, of Salem, N.J. was cured of Asthma of twenty years standing, by using two bottles of this medicine. Mrs. Ward, also of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, who was believed by her friends to be far gone with consumption was perfectly restored by three bottles.—Dr. Hamilton of St. James, South Carolina, was greatly affected by a cough, hoarseness and soreness of the lungs, and on using a bottle of this medicine found permanent relief.

Mr. Nicholas Harris, sen., one of the Deacons of the First Baptist Church in this city, has been perfectly cured by it—after having suffered for sixty years with Cough, Asthma, and Spitting of Blood, which no remedy before could relieve.

The Rev. C. C. P. Crosby, writes as follows: New York, June 15, 1838.

To Dr. Jayne—Dear Sir,—I have made use of your Expectorant, personally and in my family for the last six years, with great benefit. Indeed I may consider my life prolonged by the use of this valuable medicine, under the blessing of God, for several years. I may say almost as much in the case of my wife, and also of the Rev. Mr. Toulson, of Philadelphia, the President of the University of Pennsylvania, who has used it for many years. I am most unhesitatingly recommending this as the best medicine I have ever tried. I wish, sir, that others afflicted as I have been, may experience the same relief, which I am persuaded they will by using your Expectorant.

C. C. P. CROSBY. The following Certificate is from a practicing PHYSICIAN and a much respected Clergyman of the Methodist society—

Dr. JAYNE, Dear Sir:—I have been using your Expectorant extensively in my practice for the last three months, and for attacks of Colds, Coughs, Inflammation of the Lungs, Consumption, Asthma, Pains and weakness of the Breast, it is decidedly the best medicine I have ever tried.

Very respectfully yours, R. W. WILLIAMS. Dr. Jayne's Office, No. 20 South Third street, Philadelphia, where all orders will be promptly attended to.

Sold also by JACOB MILLER, agent Huntingdon, Pa.—Price \$1.

Dr. Swayne's Compound Syrup of Prunes of Virginiana or Wild Cherry. This syrup is highly beneficial in all pectoral affections; also, in diseases of the chest in which the lungs do not perform their proper office: such as asthma, pulmonary consumption, recent or chronic coughs, hoarseness, whooping cough, wheezing and difficulty of breathing, croup and spitting of blood, &c. How many sufferers do we daily behold approaching to an untimely grave, wreathed in the bloom of youth from their dear relatives and friends, afflicted with that common and destructive ravager, called consumption, which soon wastes the miserable sufferer until they become beyond the power of human skill; if such sufferers would only make a trial of Dr. Swayne's invaluable medicine, they would soon find themselves benefited; than by gulping the various ineffective certain remedies of which our newspapers daily abound. This syrup immediately begins to heal the ulcerated lungs, stopping profuse night sweats, mitigating the distressing cough at the same time inducing a healthy and natural expectoration, also relieving the shortness of breath and pain in the chest, which harass the sufferer in the slightest exercise, and finally the hectic flash in the pallid and emaciated cheek, will soon begin to vanish, and the sufferer will here perceive himself snatched from a premature grave, into the enjoyment again of comfortable health.

The symptoms were Wheezing and choking of Phlegm, difficulty of breathing, attended with constant cough, Spasms, Convulsions, &c. of which I had given up all hopes of its recovery, until I was advised to make trial of this invaluable medicine. After seeing the wonderful effects it had upon my child, I concluded to make the same trial upon my self, which entirely relieved me of a cough that I was afflicted with for many years. Dr. Bartholomew's Pink Expectorant Syrup.

The cases of consumption are so numerous all the northern latitudes, that some remedy as a preventive should be kept by every family constantly on hand, to administer on the first appearance of so direful a disease. This Expectorant Syrup will in every case prevent the complaint. It is quite impossible for any person ever to have consumption who will use this remedy on the first approach of cough and pain in the side, and in many instances it has cured where physicians had given up the case as incurable.
