Sheriffalty.
To the Electors of the county of Huntingdon:
GENTLEMEN:—Having been solicited by a number of my acquaintances to become a candidate for the office of Sheriff, at the ensuing General Election, I submit the question to your consideration. If nominated at the Whig delegate convention when assembled to form a ticket for the support of the party, I shall be thankful for your support. Should, however, another person be selected by the delegates, I shall consider it my duty to decline and support the ticket that may be agreed upon &c.

A cure and Preventive of Disease.
Brandreth's Universal Vegetable Pills are no less a cure than a preventive of diseases. When we feel dull, pain in the head, back, or side, weary on the least exertion it is then we ought to take a dose of these Pills. This will always have a good effect; because it is impossible for pain to be in the body without the presence of those humors which produce it—it is only by their being forced out by purging that health can be restored.
It is at all times easier to prevent than to cure disease; because by taking a preventive course we do not debilitate the natural functions of the body, but rather assist and strengthen them. The peculiar action of Brandreth's Vegetable Pills is to cleanse the blood from all impurities, remove every cause of pain or weakness, and restore the constitution to perfect health and vigor.
Brandreth's Vegetable Universal Pills. These Pills, which I very much doubt can ever be equalled, and I am sure that it is utterly impossible to surpass them in their extraordinary curative properties, are made on such unerring principles that they are not only the proper but the only medicine which ought to be used from infancy to the most remote pension of human life.
The public may not be aware that I have made this valuable medicine nearly seven years, and I feel happy in being able to state, that during the whole of that period it has been done otherwise than give the greatest possible satisfaction. No complaint has ever been made—on the contrary, every one who has been so fortunate as to become acquainted with them, has invariably considered it a duty continually to recommend them to all their acquaintances. Whoever uses this medicine may assuredly expect a healthful and vigorous old age.
Said in Philadelphia, at my own office, 8 North Eighth street.

VALUABLE PROPERTY FOR SALE.
That valuable property known as the **GAYSPOUT FOUNDRY AND MACHINE SHOP**, Situate in the west end of HOLLIDAYSBURG, HUNTINGDON COUNTY, consisting of
Two Air Furnaces, capable of melting at one heat ten tons;
ONE CUPOLA FURNACE; one Machine shop, containing 4 turning lathes, and all tools necessary to manufacture Steam Engines on other machinery; one Smith shop, with a full supply of tools; a large and valuable stock of
Patterns and Flasks; One Steam Engine to blow Cupola and turn Lathes. The Foundry house is 45 by 30ft. The house around the air furnaces 60 by 45 feet. The other buildings are, one Engine house, Pattern shop, Core and Coke Oven. Hollidaysburg is one of the best locations for an establishment of this kind in Pennsylvania. The whole surrounding country abounds in Rolling Mills, Nail Factories, Forges, and other manufacturing establishments, always requiring castings and machinery; add to this, the facilities of transportation afforded by the Pa. canal and Rail Road, cheapness of coal, metal &c. which will enable the manufacturer to furnish castings and machinery cheaper than they can be procured in any part of Pennsylvania. This establishment is now in full and successful operation; it has a regular run of steady custom, and has never since its commencement (4 years) been idle one day for want of work. A very fair steam engine has lately been finished at this establishment, and there is no doubt but as much of this kind of work could be had as would keep a number of hands steadily employed. The proprietor's only reason for wishing to dispose of this property is, that he cannot superintend its operations.
If this property be not sold at private sale before the 22nd of June, it will on that day, at 10 o'clock A. M. in the borough of Huntingdon, be sold at
PUBLIC SALE
At which time and place attendance will be given.
Terms can be made to suit purchasers. Nearly the whole purchase money may remain by securing it by Mortgage on Real Estate, and paying interest annually.
Any application for information, made to the subscribers, will be attended to.

CONSUMPTION AND LIVER COMPLAINT.
As a general remedy for these diseases, I am fully satisfied, from long experience, there is no medicine equal to Dr. Taylor's Balsam of Liverwort. Being purely vegetable, it can be used with the utmost safety by all persons in every condition. It cleanses the lungs by expectoration, relieves difficult breathing, and seems to heal the chest. There can be no question, but this medicine is a certain cure for chronic coughs and colds. I have used it for four years in my practice, and always with success.

CONSUMPTION!
The following remarks were taken from the last number of the Magazine:—
"The surprising effect produced by Dr. Taylor's Balsam of Liverwort, in consumptive cases, cannot fail exciting a deep and thrilling interest throughout the world. We have so long believed this disease (consumption) incurable, that it is difficult to credit our senses when we see persons evidently consumptive, restored to health. Yet that is a fact of daily occurrence: how then can we question the virtue of the above medicine?"
TO FEMALES.—The number of females in delicate health in this city is truly surprising. Weakness, loss of appetite, liver complaints, and many other diseases prey upon them, making them pale and lean of flesh. All this can be remedied by the use of strengthening medicine, that will assist nature in all her movements, restore tone to the nerves and muscular organs. Of this kind is Dr. Taylor's Balsam of Liverwort, which being mild and purely vegetable, answers females admirably. It will use it, we are confident an elastic step, good appetite, and ruddy cheeks will follow.
SPITTING OF BLOOD.—This disease consists of a discharging of blood, often frothy from the mouth, brought up with hawking and coughing, and is usually accompanied with difficulty of breathing, and some pain in the chest, a dry tickling cough and slight shooting pains. This disease is always more or less dangerous. The great danger is that these symptoms may terminate in consumption, and immediate remedies can alone save this end. But Dr. Taylor's Balsam of Liverwort is a sure remedy, and to show its unparalleled success, certificates of cures from 421 citizens, and many physicians, will be published in a few days.
NERVOUS DISEASES & WEAKNESS.—Dr. Taylor's Balsam of Liverwort, made at 375 Bowery, is assuredly an excellent remedy for these diseases. My wife has been more or less ill for ten years. She was extremely nervous, and at times so weak that she could not attend to her domestic duties. By the use of this medicine, her strength is wholly restored, and she is as healthy as I can wish her to be. My address is at Dr. Taylor's office.
