

MOFFAT'S LIFE MEDICINES.
THE PHOENIX BITTERS are so called, because they possess the power of restoring the expiring embers of health, to a glowing vigor throughout the constitution. The Phoenix is said to be restored to life from the ashes of an entire dissolution. The Phoenix Bitters are entirely vegetable, composed of roots found only in certain parts of the western country, which will infallibly cure FEVERS AND ACUES of all kinds; will never fail to eradicate entirely all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla, and will immediately cure the determination of BLOOD TO THE HEAD; never fail in the sickness incident to young females; and will be found a certain remedy in all cases of nervous debility and weakness of the most impaired constitutions. As a remedy for Chronic and Inflammatory Rheumatism, the efficacy of the Phoenix Bitters will be demonstrated by the use of a single bottle. The proprietor rejoices in the opportunity afforded by the universal diffusion of the press, for placing his VEGETABLE LIFE MEDICINES within the knowledge and reach of every individual in the community. Unlike the host of pernicious quackeries, which boast of vegetable ingredients, the Life Pills are purely and SOLELY VEGETABLE, and contain neither Mercury, Antimony, Arsenic, nor any other mineral, in any form whatever.

The following are among the distressing varieties of human diseases, to which the vegetable Life Pills are well known to be infallible:
DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure and healthy bile, instead of the stale and acrid kind.—Flatulency, Palpitation of the Heart, Loss of Appetite, Heartburn and Headache, Restlessness, Irritability, Anxiety, Langour and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure. Costiveness, by cleansing the whole length of the intestines with a solvent process, and without violence. Diarrhoea and Cholera, by removing the sharp acrid fluids by which these complaints are occasioned. The Life Medicines have been known to cure Rheumatism permanently in three weeks, and Gout in half that time. Dropsies of all kinds, by freeing and strengthening the kidneys and bladder. A certain remedy for the worst cases of Gravel. Also Worms, by dislodging from the turnings of the bowels the slimy matters to which these creatures adhere; Ashma and Consumption, by relieving the vessels of the lungs from the mucus; Scourvy, Ulcers, and Inverete Sores, by the perfect purity of these Life Pills give to the blood, and all the humors; Scorbatic Eruptions and Bad Complexions, by their alternative effect upon the fluids that feed the skin. The use of these Pills for a very short time, will effect an entire cure of Salt Rheum, Erysipelas, and a striking improvement in the clearness of the Skin. Common Colds and Influenza, will always be cured by one dose, or by two, even in the worst cases. Piles,—as a remedy for this most distressing and obstinate malady, the Vegetable Life Pills deserve a distinct and emphatic recommendation. It is well known to hundreds in this country, that the use of these Life Pills was himself afflicted with this complaint for upwards of thirty-five years, and that he tried in vain every remedy prescribed within the compass of the Materia Medica. He however, at length, tried the medicine which he now offers to the public and he was cured in a very short time.

All that Mr. Miller requires of his patients is to be particular in taking the Life Medicines strictly according to the directions. **ADVICE TO FEMALES.**—Females who value good health should never be without the Life Medicines, as they purify the blood, remove obstructions, and give the skin a beautiful, clear, healthy, and blooming appearance.

TO PARENTS AND OTHERS.—Persons of a plethoric habit, who are subject to fits, headache, giddiness, dimness of sight, or drowsiness, from too great a flow of blood to the head, should take it frequently. Children, and persons of all ages, may take them at any time, as they do not contain mercury, or any ingredient that requires confinement or restriction of diet.

TO ELDERLY PERSONS.—Many healthy aged individuals, who know the value of Moffat's Life Medicines, make it a rule to take them two or three times a week, by which they remove the causes that produce disease, preserve their health, and keep off the infirmities of age.

HEADS OF FAMILIES should always keep a quantity of the Life Medicines in the house, as a remedy in cases of sudden illness; for by their prompt administration, Cholera Morbus, Gout in the stomach, Cramps, Spasms, Fevers, and other alarming complaints, which too often prove fatal may be speedily cured or prevented.

FACTS FOR MOTHERS & NURSES.—It is a fact established by the annual bills of mortality, that one half of the children born are cut off before attaining seven years of age, and the fruitful source of this mortality is found to exist in that fatal disease of the stomach and bowels which produces the generation of Worms. As the safe restorer of Infinite Health, in this critical state, the Life Medicines have long held a distinguished reputation; and for foulness of the stomach and bowels, and convulsions, although Worms may not exist, it is allowed to be superior to any other.

TO THE PUBLIC.
THE public are hereby informed, that JACOB MILLER has been appointed agent for Huntingdon county, for the sale of Dr. Evans' Camomile and family aperient pills, where all those that need medicine, can be supplied as he intends always to have a supply on hand.

LIFE AND HEALTH.—Persons whose nerves have been injured by Calomel, or excessive grief, great loss of blood, the suppression of accustomed discharges or cutaneous, intemperate habits, or other causes which tend to relax and enervate the nervous system, will find a friend to soothe and comfort them, in EVANS' CAMOMILE PILLS. Those afflicted with Epilepsy or Falling Sickness, Palsy, Serious Apoplexy, and organic affections of the heart, Nausea, Vomiting, pains in the side, breast, limbs, head, stomach or back, will find themselves immediately relieved, by using

EVANS' AMOMILE AND APERIENT PILLS.
Dr. Evans does not pretend to say that his medicine will cure great loss of blood, and blood are heirs to, but he does say that in all Debilitated and Impaired Constitutions—in Nervous diseases of all kinds, particularly of the DIGESTIVE ORGANS, and in Incipient Consumption, whether of the lungs or liver, they will cure. That dreadful disease, CONSUMPTION, might have been checked in its commencement, and disappointed its prey all over the land, if the first symptoms of Nervous Debility had been counteracted by the CAMOMILE FLOWER chemically prepared; together with many other diseases, where other remedies have proved fatal.

How many persons do we daily find tortured with that dreadful disease, SICK HEADACHE, if they would only make trial of this invaluable medicine, they would perceive that life is a pleasure and not a course of misery and abhorrence. In conclusion I would warn nervous persons against the abstraction of BLOOD, either by leeches, cupping, or the employment of the lancet. Drastic purgatives in delicate habits are almost equally improper. Those are practices too often resorted to in such cases, but they seldom fail to prove highly injurious. Certificates of cures are daily received which add sufficient testimony of the great efficacy of this invaluable medicine, in relieving afflicted mankind. The above medicine is for sale at Jacob Miller's store, Huntingdon.

HEWES' Nerve and Bone Liniment.
This article is offered to the public as a never-failing cure for the Rheumatism, and for a number of years sustained its reputation, and accomplished cures which had defied the power of every other article. In acute and recent cases, the relief is invaluable, after one or two applications of the Liniment, and in Chronic Rheumatism, the cases of cure are numerous. It is truly a remedy that reaches the nerve and bone with the most happy effect.

A GREAT PRIZE!
THE RESURRECTION,
OR
PERSIAN PILLS.

In order that this valuable medicine should not be counterfeited, we have a plate representing a Persian scene, that is struck on each bill, one of which accompanies each box. We deem it unnecessary to publish a long list of Certificates, as it will neither add to nor diminish the virtues of this admirable compound.

Superior to the Hygean, Brandreth's, Evans', Tomato, the Matchless (priced) Sarsaparilla, or any other Pills or Compound before the public, as certified to by physicians and others. Let none condemn them until they have tried them, and then we are certain they will not.

It is now a settled point with all those who have used the Vegetable Persian Pills, that they are pre-eminently the best and most efficacious Family Medicine that has yet been used in America. If every family would become acquainted with their sovereign power over disease, they would keep them and be prepared with a sure remedy to apply on the first appearance of disease, and then how much distress would be avoided and money saved, as well as the lives of thousands who are hurried out of time by neglecting diseases in their first stages, or not being in possession of a remedy which they can place dependence upon. All who wish to guard against sickness, should use the Persian Pills freely, when needed; no injury can ensue, if used from youth to old age, when taken according to the directions.

The Resurrection, or Persian Pills.—These pills raise from the greatest weakness, distress and suffering, to a state of strength, health and happiness. The name of these pills originated from the circumstance of the medicine being found only in the country of Persia. This vegetable production being of a peculiar kind, led to experiments as to its medical qualities and virtues. In half a century it became an established medicine for the diseases of that country. The extract of this singular production was introduced into some parts of Europe in the year 1783, and used by many celebrated physicians in curing certain diseases, where all other medicines had been used in vain.

Early in the year 1792, the extract was combined with a certain vegetable medicine imported from Dara Baga, in the East Indies, and formed into pills. The admirable effect of this compound upon the human system, led physicians and families into its general use. Their long established character, their universal and healing virtues, the detergent and cleansing qualities of their specific action upon the glandular part of the system, are such as will sustain their reputation and general use in the American Republic.

CERTIFICATE.—I certify that I have, by way of experiment, used the Hygean, and most of the various kinds of Pills, in my practice, which have borne the highest reputation in the public estimation, that have been offered for sale in this vicinity for the last five years, including those called the Resurrection or Persian Pills; and the public may rest assured that none among the whole catalogue was answered to a better purpose, as an easy and an effectual remedy, than the Resurrection or Persian Pills, in most cases of disease.

INTERESTING CURE PERFECTED BY DR. SWAYNE'S COMPOUND SYRUP OF PRUNES, VIRGINIANA, OR WILD CHERRY. Having made use of this invaluable Syrup in my family, which entirely cured my child, the symptoms were Wheezing and choking of the Lungs, difficulty of Breathing, attended with constant cough, Spasms, Convulsions, &c. of which I had given up all hopes of recovery, until I was advised to make trial of this invaluable medicine. After seeing the wonderful effects it had upon my child, I concluded to make the same trial upon myself, which entirely relieved me of a cough that I was afflicted with for many years. Any persons wishing to see me can call at my house in Beach street, above the market in Kensington, Phila.

Dr. Bartholomew's Pink Expectorant Syrup.
The cases of consumption are so numerous in all the northern latitudes, that some remedy as a preventive should be kept by every family constantly on hand, to administer on the first appearance of so direful a disease. This Expectorant Syrup will in every case prevent the complaint. It is quite impossible for any person ever to have consumption who will use this remedy on the first approach of cough and pain in the side, and in many instances it has cured when physicians had given up the case as incurable.

JEW DAVID'S OR HEBREW PLASTER.

THE peculiarities of this Chemical Compound, are owing to its extraordinary effects upon the animal fibre, nerves, ligaments and muscles, its virtue being carried by them to the seat of disease or of pain and weakness.

However good any internal remedy may be, this, as an external application, will prove a powerful auxiliary in removing the disease and facilitating the cure, in cases of local inflammation, schrofulous affections, King's evil, gout, inflammatory, and chronic rheumatism, and in all cases where a seated pain or weakness exist.

A gentleman traveling in the south of Europe and Palestine, in 1850, heard so much said in the latter place, in praise of Jew David's or Hebrew Plaster, and of the (as he considered) miraculous cures had performed that he was induced to try it on his own person, for a lung and liver affection, the removal of which had been the chief object of his journey, but which had resisted the general influence of that balmy and delicious climate. He soon found his health improving, and in a few weeks his cough left him the sallowness of his skin disappeared, his pain was removed, and his health became permanently reinstated. Since that time he has been recommending it to his friends and acquaintances, for all fixed pains whatever; such as rheumatism, gout, head ache, nervous teeth ache, pain in the side, back and limbs, schrofulous humors, knots, wens, white swelling, hard tumors, stiff joints, ague, cures, ague in the breast, weakness and pain in the stomach, weak limbs, lameness, affections of the spine, female weaknesses, &c. No female subject to pain or weakness in back or side, should be without it.

COUGH, ASTHMA AND SPITTING BLOOD
Cured By
JAYNE'S EXPECTORANT
PHILADELPHIA, Aug. 16, 1838
Mr. Atkinson—Dear Sir:

A few weeks ago I noticed in your paper, an account of the surprising effects of Jayne's Expectorant, in restoring a great number of passengers on board of a Mississippi steam boat to perfect health, who were affected by violent Bowel Complaint. I was glad to see you notice so kindly; you may rest assured it deserves the praise bestowed upon it. The benefit I have received from his medicine, more especially his EXPECTORANT induces me to state my case to you, for the benefit of those who are afflicted in the same way. It has been my misfortune, sir, to labor under a Cough and Asthmatic oppression, for more than half a century. When a soldier in the American Camp, in 1778, I, with many others, (owing to great exposure,) had a violent attack of disease of the lungs, by which I was disarmed from duty for a long time. Since that period, until recently, I have never been free from a violent cough and difficulty of breathing. Year after year, I have expectorated over a gill a day. Often much more, and sometimes mixed with blood. For months together, night after night, I have had to sit or be bolstered up to obtain my breath. The weakness and debility caused by such constant expectoration, frequently brought me to a state bordering on death. It has been a matter of astonishment to my family and friends, that I am here to write this to you. I have had skillful physicians to attend me, and every thing done that was thought likely to give me relief, without any beneficial effect. Last winter I had another very severe attack of inflammation of the lungs, which I fully expected would be the last. I then considered my case as past the aid of medicine. When I was persuaded to call in Doctor Jayne—with the assistance of Divine Providence, through him I was once more raised from my bed; but the cough and wheezing were long to stay and night. He advised me to use his Expectorant. I did so, with strong hope, that as it had cured many of my acquaintances of various diseases of the lungs, it might, at least mitigate my sufferings. Need I say how satisfied I feel—IT HAS EFFECTUALLY CURED ME. As soon as I commenced taking it, I found it reached my case, and I began to breathe with more freedom. My expectoration became easy, and my cough entirely left me. I now feel as well as I ever did in my life, and better than I have been for the last six years. Last summer I sent a great deal of blood; now than God I am perfectly cured. Now sir, after suffering so long, and finding at last, such signal relief from Doctor Jayne's Expectorant, I feel anxious to inform my fellow citizens where relief may be had. I think this worth a place in your paper, you will oblige me by noticing it.

DR. JAYNE'S EXPECTORANT
We consider it a duty to call public attention to this admirable preparation for Pulmonary Diseases—Especially Coughs, Colds, Consumptions, Spitting blood, Asthma, Bronchial Affections, Hooping Cough, &c. It is used and very highly approved by persons of the first respectability, but we feel confident in saying that a trial of its efficacy will be its best recommendation.

DR. JONATHAN GOING, President of the New York College, Ohio (late of New York), in a letter to Dr. Jayne dated New York, December, 1836, says:—He was laboring under a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using the Expectorant.—Mrs. DeLks, of Salem, N.J. was cured of Asthma of twenty years standing, by using two bottles of this medicine. Mrs. Ward, also of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, who was believed by her friends to be far gone with consumption was perfectly restored by three bottles.—Dr. Hamilton of St. James, South Carolina, was greatly affected by a cough, hoarseness and soreness of the lungs, and on using a bottle of this medicine found permanent relief.

Mr. Nicholas Harris, sen., one of the Deacons of the First Baptist Church in this city, has been perfectly cured by it—after having suffered for sixty years with Cough, Asthma, and Spitting of Blood, which no remedy before could relieve.
The Rev. C. C. P. Crosby, writes as follows:
New York, June 13, 1838.

To Dr. Jayne:—Dear Sir,—I have made use of your Expectorant, personally and in my family for the last six years, with great benefit. Indeed I may consider myself prolonged by the use of this valuable medicine, under the blessing of God, for several years. I may say almost as much in the case of my wife, and also of the Rev. Mr. Tinsion, of the Island of Jamaica. For all cases of cough, inflammation of the chest, lungs, and throat, I most unhesitatingly recommend this as the best medicine I have ever tried. My earnest wish is, that others afflicted as I have been, may experience the same relief, which I am persuaded they will by using your Expectorant.

C. C. P. CROSBY.
The following Certificate is from a practicing Physician and a much respected Clergyman of the Methodist society—dated Modest Town, Va. August 27, 1838.
Dr. JAYNE, Dear Sir:—I have been using your Expectorant extensively in my practice for the last three months, and for all attacks of Colds, Coughs, Inflammation of the Lungs, Consumption, Asthma, Pains and weakness of the Breast, it is decidedly the best medicine I have ever tried.

Very respectfully yours,
R. W. WILLIAMS.

COUGHS & COLDS.

DR. SWAYNE'S Compound Syrup of Prunes of Virginia or Wild Cherry
This syrup is highly beneficial in all pleuritic affections; also, in diseases of the chest in which the lungs do not perform their proper office from want of due nervous energy: such as asthma, pulmonary consumption, recent or chronic coughs, hoarseness, whooping cough, wheezing and difficulty of breathing, croup and spitting of blood, &c. How many sufferers do we daily behold approaching to an untimely grave, wrested in the bloom of youth from their dear relatives and friends, afflicted with that common and destructive ravager, called consumption, which soon wastes the miserable sufferer until they become beyond the power of human skill; if such sufferers would only make a trial of Dr. Swayne's invaluable medicine, they would soon find themselves benefited; than by gulping the various ineffective certain remedies of which our newspapers daily abound. This syrup immediately begins to heal the ulcerated lungs, stopping profuse night sweats, mitigating the distressing cough at the same time inducing a healthy and natural expectoration, also relieving the shortness of breath and pain in the chest, which harass the sufferer at the slightest exercise, and finally the hectic flash in the pallid and emaciated cheek will soon begin to vanish, and the sufferer will here perceive himself snatched from a premature grave, into the enjoyment again of comfortable health.

CONSUMPTION AND LIVER COMPLAINT.
DR. TAYLOR'S BALSAM OF LIVERWORT

HAS been used successfully for eight years as the Cure of these Diseases. Remember! the original and genuine is made only at 375 Bowers, N. Y. ALL others are spurious and unauthorized!
CONSUMPTION AND LIVER COMPLAINT.
As a general remedy for these diseases, I am fully satisfied, from long experience, there is no medicine equal to Dr. Taylor's Balsam of Liverwort. Being purely vegetable, it can be used with the utmost safety by all persons in every condition. It cleanses the lungs by expectoration, relieves difficult breathing, and seems to heal the chest. There can be no question, but this medicine is a certain cure for chronic coughs and colds. I have used it for four years in my practice, and always with success.
A. F. ROGERS, M. D.
CONSUMPTION!

The following remarks were taken from the last number of the Magazine:—
"The surprising effect produced by Dr. Taylor's Balsam of Liverwort, in consumptive cases, cannot fail exciting a deep and thrilling interest throughout the world. We have so long believed our disease (consumption) incurable, that it is difficult to credit our senses when we see persons evidently consumptive, restored to health. Yet that is a fact of daily recurrence; how then can we question the virtue of the above medicine?"

TO FEMALES.—The number of females in delicate health in this city is truly surprising. Weakness, loss of appetite, liver complaints, and many other diseases prey upon them, making them pale and lean of flesh. All this can be remedied by the use of strengthening medicine, that will assist nature in all her movements, restore tone to the nerves and muscular organs. Of this kind is Dr. Taylor's Balsam of Liverwort, which being mild and purely vegetable, answers females admirably. If all will use it, we are confident an elastic step, good appetite, and ruddy cheeks will follow.

SPITTING OF BLOOD.—This disease consists of a discharging of blood, often frothy from the mouth, brought up with hawking and coughing, and is usually accompanied with difficulty of breathing, and some pain in the chest, a dry tickling cough and slight shooting pains. This disease is always more or less dangerous. The great danger is that these symptoms may terminate in consumption, and immediate remedies can alone save this end. But Dr. Taylor's Balsam of Liverwort is a sure remedy, and to show is unparalleled success, certificates of cures from 421 citizens, and many physicians, will be published in a few days.

NERVOUS DISEASES & WEAKNESS.—Dr. Taylor's Balsam of Liverwort, made at 375 Bowers, is assuredly an excellent remedy for these diseases. My wife has been more or less ill for ten years. She was extremely nervous, and at times so weak that she could not attend to her domestic duties. By the use of this medicine, her strength is wholly restored, and she is as healthy as I can wish her to be. My address is at Dr. Taylor's office.

OBSERVE! Buy only that which is made at the Old Office, 375 Bowers, N. Y. and which is sold at the Drug and Chemical store of THOMAS READ, Huntingdon, Pa.
