

MORFAT'S LIFE MEDICINES.
THE PHOENIX BITTERS are so called, because they possess the power of restoring the expiring embers of health, to a glowing vigor throughout the constitution, as the Phoenix is said to be restored to life from the ashes of its own dissolution. The Phoenix Bitters are entirely vegetable, composed of roots found only in certain parts of the western country, which will infallibly cure FEVERS AND ACUES of all kinds; will never fail to eradicate entirely all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla, and will immediately cure the determination of BLOOD TO THE HEAD; never fail in the sickness incident to young females; and will be found a certain remedy in all cases of nervous debility and weakness of the most impaired constitutions. As a remedy for Chronic and Inflammatory Rheumatism, the efficacy of the Phoenix Bitters will be demonstrated by the use of a single bottle.

The proprietor rejoices in the opportunity afforded by the universal diffusion of the Bitters, for placing his VEGETABLE LIFE MEDICINES within the knowledge and reach of every individual in the community. Unlike the host of pernicious quackeries, which boast of vegetable ingredients, the Life Pills are purely and SOLELY VEGETABLE, and contain neither Mercury, Antimony, Arsenic, nor any other mineral, in any form whatever.

The following are among the distressing varieties of human ailments to which the vegetable Life Pills are well known to be infallible:

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure and healthy bile, instead of the stale and acrid kind.—Flatulency, Palpitation of the Heart, Loss of Appetite, Heartburn and Headache, Restlessness, Irritability, Anxiety, Langor and Coma, the temporary or permanent symptoms of Dyspepsia, will be the general consequence of its use. Costiveness, by cleansing the whole length of the intestines with a solvent process, and without violence. Diarrhea and Cholera, by removing the sharp acrid fluids by which these complaints are occasioned. The Life Medicines have been known to cure Rheumatism permanently in three weeks, and Gout in half that time. Dropsies of all kinds, by freeing and strengthening the kidneys and bladder.

The worst cases of Gravel, Also Worms, by dislodging from the turnings of the bowels the slimy matters to which these creatures adhere; Ashma and Consumption, by relieving the vessels of the lungs from the mucus; Scurvy, Ulcers, and Invertebrate Sores, by the perfect purity of these Life Pills give to the blood, and all the humors; Scorbutic Eruptions and Bad Complexions, by their alterative effect upon the fluids that feed the skin. The use of these Pills for a very short time, will effect an entire cure of Salt Rheum, Erysipelas, and a striking improvement in the clearness of the Skin. Common Colds and Influenza, will always be cured by one dose, or by two, even in the worst cases. Piles, as a remedy for this most distressing and obnoxious malady, the Vegetable Life Pills deserve a distinct and emphatic recommendation. It is well known to hundreds in this city, that the originator of this invaluable Pills was himself afflicted with this complaint for upwards of thirty-five years, and that he tried in vain every remedy prescribed within the compass of the Materia Medica. He however, at length, tried the medicine which he now offers to the public and he was cured in a very short time.

All that Mr. Morfat requires of his patients is to be particular in taking the Life Medicines strictly according to the directions ADVICE TO FEMALES.—Females who value good health should never be without the Life Medicines, as they purify the blood, remove obstructions, and give the skin a beautiful, clear, healthy, and blooming appearance.

TO PARENTS AND OTHERS.—Persons of a plethoric habit, who are subject to fits, headache, giddiness, dimness of sight, or drowsiness, from too great a flow of blood to the head, should take it frequently. Children, and persons of all ages, may take them at any time, as they do not contain mercury, or any ingredient that requires confinement or restriction of diet.

TO THE PUBLIC.
THE public are hereby informed, that JACOB MILLER has been appointed agent for Huntingdon county, for the sale of Dr. Evans' Camomile and family aperient pills, where all those that need medicine, can be supplied as he intends always to have a supply on hand.

LIFE AND HEALTH. Persons whose nerves have been injured by Calomel, or excessive grief, great loss of blood, the oppression of accustomed habits, or other causes which tend to relax and enervate the nervous system, will find a friend to soothe and comfort them, in EVANS' CAMOMILE PILLS. Those afflicted with Epilepsy or Falling Sickness, Palsy, Serious Apoplexy, and organic affections of the heart, Nausea, Vomiting, pains in the side, breast, limbs, head, stomach or back, will find themselves immediately relieved, by using

EVANS' AMOMILE NDA APERIENT PILLS.

Dr. EVANS does not pretend to say that his medicine will cure all diseases that flesh and blood are heir to, but he does say that in all debilitated and impaired Constitutions, in all Nervous diseases of all kinds, particularly of the DIGESTIVE ORGANS, and in Incipient Consumption, whether of the lungs or liver, they will cure. That dreadful disease, CONSUMPTION, might have been checked in its commencement, and disappointed its prey all over the land, if the first symptoms of Nervous Disease had been counteracted by the CAMOMILE FLOW-ER chemically prepared, together with many other diseases, where other remedies have proved fatal.

How many persons do we daily find tormented with that dreadful disease, SICK HEADACHE, if they would only make trial of this invaluable medicine, they would perceive that life is a pleasure and not a course of misery and abhorrence. In conclusion I would warn nervous persons against the abstraction of BLOOD, either by leeching, or the employment of blanchet.

Dr. Evans' Camomile Pills are practiced too often resorted to in such cases, but they seldom fail to prove highly injurious. Certificates of cures are daily received which afford sufficient testimony of the great efficacy of this invaluable medicine, in relieving afflicted mankind. The above medicine is for sale at Jacob Miller's store, Huntingdon.

HEWES' Nerve and Bone Liniment.
This article is offered to the public as a never-failing cure for the Rheumatism, and it has for a number of years sustained its reputation, and accomplished cures which had defied the power of every other article. In acute and recent cases, the relief is invariably, after one or two applications of the Liniment, and in Chronic Rheumatism, the cases of cure are numerous. It is truly a remedy that reaches the nerve and bone with the most happy effect.

THE RESURRECTION, OR PERSIAN PILLS.
In order that this valuable medicine should not be counterfeited, we have a plate representing a Persian scene, that is struck on each bill, one of which accompanies each box. We deem it unnecessary to publish a long list of Certificates, as it will neither aid nor diminish the virtues of this admirable compound.

Superior to the Hygean, Brandreth's, Evans', Tomato, the Mitchell's (priced) Sarsaparilla, or any other Pills or Compound before the public, as certified to by physicians and others. Let none condemn them until they have tried them, and then we are certain they will not.

It is now a settled point with all those who have used the Vegetable Persian Pills, that they are pre-eminently the best and most efficacious Family Medicine that has yet been used in America. If every family would become acquainted with their virtues, their power over disease, they would keep them and be the first appearance of disease, to apply to them, how much distress would be avoided, and how much money saved, as well as the lives of thousands who are hurried out of time by neglecting disease in its first stages, or by not being in possession of a remedy which they can place dependence upon. All who wish to guard against sickness, should use the Persian Pills freely, from youth to old age, when taken according to the directions.

The Resurrection, or Persian Pills—These pills raise from the greatest weakness, dispiritedness and suffering, to a state of strength, health and happiness. The name of these pills originated from the circumstance of the medicine being found only in the cemeteries of Persia. This vegetable production being of a peculiar kind, led to experiments as early as 1793, and used by many celebrated physicians in curing certain diseases, where all other medicines had been used in vain. Early in the year 1792, the extract was combined with a certain vegetable medicine imported from Dura Baca, in the East Indies, and formed into pills. The admirable effect of this compound upon the human system, led physicians and families into its general use, and the long established character, cerebral use. The healing virtues, the delicate and cleansing qualities of their specific action upon the glandular part of the system, are such as will sustain their reputation and general use in the American Republic.

INTERESTING CURE PERFORMED BY DR. SWAYNE'S COMPOUND SYRUP OF PRUNES; VIRGINIANA, OR WILD CHERRY.
Having made use of this invaluable Syrup in my family, which entirely cured my child. The symptoms were Wheezing and choking of Pleura, difficulty of Breathing, attended with constant cough, Spasms, Convulsions, &c. of which I had given up all hopes of its recovery, until I was advised to make trial of this invaluable medicine. After seeing the wonderful effects it had upon my child, I concluded to make the same trial upon myself, which entirely relieved me of a cough that I was afflicted with for many years. Any persons wishing to see me call at my house in Beachstreet, above the marked Kensington, Phila. JOHN WILLCOX
Ossay—The only place where this medicine can be obtained, is at Jacob Miller's store Huntingdon.

JEW DAVID'S OR HEBREW PLASTER.
THE peculiarities of this Chemical Compound, are owing to its extraordinary effects upon the animal fibre of nerves, ligaments and muscles, its virtues being carried by them to the seat of disease or of pain and weakness.

However good any internal remedy may be, this, as an external application, will prove a powerful auxiliary in removing the disease and facilitating the cure, in cases of local inflammation, schrofulous affections, king's evil, gout, inflammatory and chronic rheumatism, and in all cases where a seated pain or weakness exist.

A gentleman traveling in the south of Europe and Palestine, in 1830, heard so much said in the latter place, in praise of Jew David's or Hebrew Plaster, and of the (as he considered) miraculous cures had performed that he was induced to try it on his own person, for a lung and liver affection, the removal of which had been the chief object of his journey, but which had resisted the genial influence of that balmy and delicious climate. He soon found his health improving, and in a few weeks his cough left him the salowness of his skin disappeared, his pain was removed, and his health became permanently re-established. Since that time he has been recommending it to his friends and acquaintances, for all fixed pains whatever; such as rheumatism, gout, head ache, nervous teeth ache, pain in the side, back and limbs, schrofulous humors, knots, wens, white swelling, hard tumors, stiff joints, ague cakes, ague in the breast, weakness and pain in the stomach, weak limbs, lameness, affections of the spine, female weaknesses, &c. No female subject to pain or weakness in back or side, should be without it.

COUGHS & COLDS.
DR. SWAYNE'S Compound Syrup of Prunus of Virginiana or Wild Cherry. This syrup is highly beneficial in all plethoric affections; also, in diseases of the chest in which the lungs do not perform their proper office from want of due nervous energy: such as asthma, pulmonary consumption, recent or chronic coughs, hoarseness, whooping cough, wheezing and difficulty of breathing, croup and spitting of blood, &c. How many sufferers do we daily behold approaching to an untimely grave, wrested in the bloom of youth from their dear relatives and friends, afflicted with that common and destructive ravager, called consumption, which soon wastes the miserable sufferer until they become beyond the power of human skill; if such sufferers would only make a trial of Dr. Swayne's invaluable medicine, they would soon find themselves benefited; than by gulping the various ineffective certain remedies of which our newspapers daily abound. This syrup immediately begins to heal the ulcerated lungs, stopping profuse night sweats, mitigating the distressing cough at the same time inducing a healthy and natural expectoration, also relieving the shortness of breath and pain in the chest, which harass the sufferer at the slightest exercise, and finally the hectic flash in the pallid and emaciated cheek will soon begin to vanish, and the sufferer will here perceive himself snatched from a premature grave, into the enjoyment again of comfortable health.

DR. JAYNE'S EXPECTORANT
We consider it a duty to call public attention to this admirable preparation for Pulmonary Diseases—Especially Coughs, Colds, Consumptions, Spitting blood, Asthma, Bronchial Affections, Hooping Cough, &c. It is used and very highly approved by persons of the first respectability, but we feel confident in saying that a trial of its efficacy will be its best recommendation.

DR. JONATHAN GOING, PRESIDENT OF THE GRANVILLE COLLEGE, Ohio (late of New York, December, 1836, says:—He was laboring under a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using the Expectorant."—Mrs. DUKAS, of Salem, N.J. was cured of Asthma of twenty years standing, by using two bottles of this medicine. Mrs. WARD, also of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, who was believed by her friends to be far gone with consumption was perfectly restored by three bottles.—Dr. Hamilton of St. James, South Carolina, was greatly affected by a cough, hoarseness and soreness of the lungs, and on using a bottle of this medicine found permanent relief.

Mr. Nicholas Harris, sen., one of the Deacons of the First Baptist Church in this city, has been perfectly cured by it—after having suffered for sixty years with Cough, Asthma, and Spitting of Blood, which no remedy before could relieve.

The Rev. C. C. P. Crosby, writes as follows:
New York, June 15, 1838.

To Dr. Jayne, Dear Sir,—I have made use of your Expectorant, personally and in my family for the last six years, with great benefit. Indeed I may consider my life prolonged by the use of this valuable medicine, under the blessing of God, for several years. I may say almost as much in the case of my wife, and also of the Rev. Mr. Tonson, of the Island of Jamaica. For all cases of cough, inflammation of the chest, lungs, and throat, I most unhesitatingly recommend this as the best medicine I have ever tried. My earnest wish is, that others afflicted as I have been, may experience the same relief, which I am persuaded they will by using your Expectorant.

C. C. P. CROSBY,
The following Certificate is from a practicing PHYSICIAN and a much respected Clergyman of the Methodist society—dated Modest Town, Va. August 27, 1838.

Dr. JAYNE, Dear Sir,—I have been using your Expectorant extensively in my practice for the last three months, and for all attacks of Coughs, Inflammation of the Lungs, Consumption, Asthma, Pains and weakness of the Breast, it is decidedly the best medicine I have ever tried.

Very respectfully yours,
R. W. WILLIAMS,
Dr. Jayne's Office is No. 20 South Third Street, Philadelphia, where all orders will be promptly attended to.

CONSUMPTION AND LIVER COMPLAINT.
DR. JAYNE'S BALSAM OF LIVERWORT
HAS been used successfully for eight years in the Cure of these Diseases. Remember! the original and genuine is made ONLY at 375 Bovey, N. Y. ALL others are spurious and unauthorized! CONSUMPTION AND LIVER COMPLAINT.

As a general remedy for these diseases, I am fully satisfied, from long experience, there is no medicine equal to Dr. Taylor's Balsam of Liverwort. Being purely vegetable, it can be used with the utmost safety by all persons in every condition. It cleanses the lungs by expectoration, relieves difficult breathing, and seems to heal the chest. There can be no question, but that this medicine is a certain cure for chronic coughs and colds. I have used it for four years in my practice, and always with success.

A. F. ROGERS, M. D.
CONSUMPTION!

The following remarks were taken from the last number of the Magazine:—
"The surprising effect produced by Dr. Taylor's Balsam of Liverwort, in consumptive cases, cannot but excite a deep and thrilling interest throughout the world. We have so long believed this disease (consumption) incurable, that it is difficult to credit our senses when we see persons evidently consumptive, restored to health. Yet that is a fact of daily occurrence: how then can we question the virtue of the above medicine?"

TO FEMALES.—The number of females in delicate health in this city is truly surprising. Weakness, loss of appetite, liver complaints, and many other diseases prey upon them, making them pale and lean of flesh. All this can be remedied by the use of strengthening medicine, that will assuage nature in all her movements, restore tone to the nerves and muscular organs. Of this kind is Dr. Taylor's Balsam of Liverwort, which being mild and purely vegetable, answers females admirably. It will use it, we are confident an elastic step, good appetite, and ruddy cheeks will follow.

SPITTING OF BLOOD.—This disease consists of a discharging of blood, often frothy from the mouth, brought up with hawking and coughing, and is usually accompanied with difficulty of breathing, and some pain in the chest, a dry tickling cough and slight shooting pains. This disease is always more or less dangerous. The great danger is that these symptoms may terminate in consumption, and immediate remedies can alone save this end. But Dr. Taylor's Balsam of Liverwort is a sure remedy, and to show its unparalleled success, certificates of cures from 421 citizens, and many physicians, will be published in a few days.

NERVOUS DISEASES & WEAKNESS.—Dr. Taylor's Balsam of Liverwort, made at 375 Bovey, is assuredly an excellent remedy for these diseases. My wife has been more or less ill for ten years. She was extremely nervous, and at times so weak that she could not attend to her domestic duties. By the use of this medicine, her strength is wholly restored, and she is as healthy as I can wish her to be. My address is at Dr. Taylor's office.

COUGHS & COLDS.
DR. SWAYNE'S Compound Syrup of Prunus of Virginiana or Wild Cherry. This syrup is highly beneficial in all plethoric affections; also, in diseases of the chest in which the lungs do not perform their proper office from want of due nervous energy: such as asthma, pulmonary consumption, recent or chronic coughs, hoarseness, whooping cough, wheezing and difficulty of breathing, croup and spitting of blood, &c. How many sufferers do we daily behold approaching to an untimely grave, wrested in the bloom of youth from their dear relatives and friends, afflicted with that common and destructive ravager, called consumption, which soon wastes the miserable sufferer until they become beyond the power of human skill; if such sufferers would only make a trial of Dr. Swayne's invaluable medicine, they would soon find themselves benefited; than by gulping the various ineffective certain remedies of which our newspapers daily abound. This syrup immediately begins to heal the ulcerated lungs, stopping profuse night sweats, mitigating the distressing cough at the same time inducing a healthy and natural expectoration, also relieving the shortness of breath and pain in the chest, which harass the sufferer at the slightest exercise, and finally the hectic flash in the pallid and emaciated cheek will soon begin to vanish, and the sufferer will here perceive himself snatched from a premature grave, into the enjoyment again of comfortable health.

THE RESURRECTION, OR PERSIAN PILLS.
In order that this valuable medicine should not be counterfeited, we have a plate representing a Persian scene, that is struck on each bill, one of which accompanies each box. We deem it unnecessary to publish a long list of Certificates, as it will neither aid nor diminish the virtues of this admirable compound.

Superior to the Hygean, Brandreth's, Evans', Tomato, the Mitchell's (priced) Sarsaparilla, or any other Pills or Compound before the public, as certified to by physicians and others. Let none condemn them until they have tried them, and then we are certain they will not.

It is now a settled point with all those who have used the Vegetable Persian Pills, that they are pre-eminently the best and most efficacious Family Medicine that has yet been used in America. If every family would become acquainted with their virtues, their power over disease, they would keep them and be the first appearance of disease, to apply to them, how much distress would be avoided, and how much money saved, as well as the lives of thousands who are hurried out of time by neglecting disease in its first stages, or by not being in possession of a remedy which they can place dependence upon. All who wish to guard against sickness, should use the Persian Pills freely, from youth to old age, when taken according to the directions.

The Resurrection, or Persian Pills—These pills raise from the greatest weakness, dispiritedness and suffering, to a state of strength, health and happiness. The name of these pills originated from the circumstance of the medicine being found only in the cemeteries of Persia. This vegetable production being of a peculiar kind, led to experiments as early as 1793, and used by many celebrated physicians in curing certain diseases, where all other medicines had been used in vain. Early in the year 1792, the extract was combined with a certain vegetable medicine imported from Dura Baca, in the East Indies, and formed into pills. The admirable effect of this compound upon the human system, led physicians and families into its general use, and the long established character, cerebral use. The healing virtues, the delicate and cleansing qualities of their specific action upon the glandular part of the system, are such as will sustain their reputation and general use in the American Republic.

CONSUMPTION AND LIVER COMPLAINT.
DR. JAYNE'S BALSAM OF LIVERWORT
HAS been used successfully for eight years in the Cure of these Diseases. Remember! the original and genuine is made ONLY at 375 Bovey, N. Y. ALL others are spurious and unauthorized! CONSUMPTION AND LIVER COMPLAINT.

As a general remedy for these diseases, I am fully satisfied, from long experience, there is no medicine equal to Dr. Taylor's Balsam of Liverwort. Being purely vegetable, it can be used with the utmost safety by all persons in every condition. It cleanses the lungs by expectoration, relieves difficult breathing, and seems to heal the chest. There can be no question, but that this medicine is a certain cure for chronic coughs and colds. I have used it for four years in my practice, and always with success.

CONSUMPTION!

The following remarks were taken from the last number of the Magazine:—
"The surprising effect produced by Dr. Taylor's Balsam of Liverwort, in consumptive cases, cannot but excite a deep and thrilling interest throughout the world. We have so long believed this disease (consumption) incurable, that it is difficult to credit our senses when we see persons evidently consumptive, restored to health. Yet that is a fact of daily occurrence: how then can we question the virtue of the above medicine?"
