Huntingdon Academy.

THIS Institution was again opened on Monday, the 15th inst., under the care of Mr. THOMAS C. MASSEY, a graduate of Washington College. Mr. Massey's testimonials, as regards capacity and experience in teaching, as well as piety and morality, are highly respectable.

All the branches preparatory to a collegiate course will be taught. The terms of tuition are placed extremely low, in order that all may be afforded an opportunity of receiving a good education at a very moderate expense, viz:

Greek & Roman Classics, per quarter, \$4.00
Philosophy, Geography, Surveying, &c. do. per quarter, 3.00
Arithmetic, English Grammar, &c. do. 2.50
As the number of scholars must be limited, it will be advisable to make an early application.

DR. JAYNE'S EXPECTORANT

We consider it a duty to call public attention to this admirable preparation for Pulmonary Diseases—Especially Coughs Colds, Consumptions, Spitting blood, Asthma, Bronchial Affections, Hooping Cough, &c. It is used and very highly approved by persons of the first respectability, but we feel confident in saying that a trial of its efficacy will best recommend it.

DR. JONATHAN GOING, PRESIDENT OF THE GRANVILLE COLLEGE, Ohio (late of New York), in a letter to Dr. Jayne dated New York, December, 1836, says:—He was laboring under a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using the Expectorant. Mrs. DeLks, of Salem, N. J. was cured of Asthma, after twenty years stand, by using two bottles of this medicine. Mrs. Ward, also of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, who was believed by her friends to be far gone with consumption was perfectly restored by three bottles.—Dr. Hamilton of St. James, South Carolina, was greatly affected by a cough, hoarseness and soreness of the lungs, and on using a bottle of this medicine found permanent relief.

Mr. Nicholas Harris, sen., one of the Deacons of the Baptist Church in this city, was cured of Asthma, after having suffered for sixty years with Cough, Asthma, and Spitting of Blood, which no remedy before could relieve.

The Rev. C. C. P. Crosby, writes as follows: New York, June 15, 1838. To Dr. Jayne: Dear Sir,—I have made use of your Expectorant, personally and in my family for the last six years, with great benefit. Indeed I may consider my life prolonged by the use of this valuable medicine, under the blessing of God, for several years. I may say almost as much in the case of my wife, and also of the Rev. Mr. Toulson, of the Island of Jamaica. For all cases of cough, inflammation of the chest, lungs, and throat, I most unhesitatingly recommend this as the best medicine I have ever tried. My earnest wish is, that others afflicted as I have been, may experience the same relief, which I am persuaded they will by using your Expectorant.

C. C. P. CROSBY. The following Certificate is from a practicing PHYSICIAN and a much respected Clergyman of the Methodist society—dated Modest Town, Va. August 27, 1838. Dr. JAYNE, Dear Sir:—I have been using your Expectorant extensively in my practice for the last three months, and for all attacks of Colds, Coughs, Inflammation of the Lungs, Consumption, Asthma, Pains and weakness of the Breast, it is decidedly the best medicine I have ever tried.

Very respectfully yours, R. W. WILLIAMS. Dr. Jayne's Office is No. 20 South Third Street, Philadelphia, where all orders will be promptly attended to. Sold also by JACOB MILLER, agent Huntingdon, Pa.—Price 81.

COUGHS & COLDS

DR. Swayne's Compound Syrup of Prunus of Virginia or wild Cherry This syrup is highly beneficial in all pectoral affections; also, in diseases of the chest in which the lungs do not perform their proper office: such as asthmas, pulmonary consumption, recent or chronic coughs, hoarseness, whooping cough, wheezing and difficulty of breathing, croup and spitting of blood, &c. How many sufferers do we daily behold approaching to an untimely grave, wrested in the bloom of youth from their dear relatives and friends, afflicted with that common and destructive ravager, called consumption, which soon wastes the miserable sufferer until they become beyond the power of human skill; if such sufferers would only make a trial of Dr. Swayne's invaluable medicine, they would soon find themselves benefited; than by gulping the various inefficacious certain remedies of which our newspapers daily abound. This syrup immediately begins to heal the ulcerated lungs, stopping profuse night sweats, mitigating the distressing cough at the same time inducing a healthy and natural expectation, also relieving the shortness of breath and pain in the chest, which harass the sufferer in the slightest exercise, and finally the hectic flush in the pallid and emaciated cheek will soon begin to vanish, and the sufferer will here perceive himself snatched from a premature grave, into the enjoyment again of comfortable health.

For sale at Jacob Miller's store Huntingdon, Pa.

ROCKDALE FOUNDRY.

THE subscribers would respectfully inform the citizens of Huntingdon and the adjoining counties, that they have repaired and newly fitted up the Rockdale Foundry, on Clover Creek, two miles from Williamsburg, where they are now prepared to execute all orders in their line, of the best materials and workmanship, and with promptness and despatch.

STEVEENS & KENNEDY. January 1, 1841.

CONSUMPTION AND LIVER COMPLAINT.

DR. TAYLOR'S BALSAM OF LIVERWORT HAS been used successfully for eight years in the Cure of these Diseases. Remember! the original and genuine is made only at 375 Bowery, N. Y. ALL others are spurious and unauthorized.

CONSUMPTION AND LIVER COMPLAINT.

As a general remedy for these diseases, I am fully satisfied, from long experience, there is no medicine equal to Dr. Taylor's Balsam of Liverwort. Being purely vegetable, it can be used with the utmost safety by all persons in every condition. It cleanses the lungs by expectoration, relieves difficult breathing, and seems to heal the chest. There can be no question, but this medicine is a certain cure for chronic coughs and colds. I have used it for four years in my practice, and always with success.

A. F. ROGERS, M. D. CONSUMPTION!

The following remarks were taken from the last number of the Magazine:—The surprising effect produced by Dr. Taylor's Balsam of Liverwort, in consumptive cases, cannot excite the surprise of those who have so long believed this disease (consumption) incurable, that it is difficult to credit our senses when we see persons evidently consumptive, restored to health. Yet that is a fact of daily occurrence: how then can we question the virtue of the above medicine?

TO FEMALES.—The number of females in delicate health in this city is truly surprising. Weakness, loss of appetite, liver complaint, and many other diseases prey upon them, making them pale and lean of flesh. All this can be remedied by the use of strengthening medicine, that will assist nature in all her movements, restore tone to the nerves and muscular organs. Of this kind is Dr. Taylor's Balsam of Liverwort, which being mild and purely vegetable, answers females admirably. It will use it, we are confident an elastic step, good appetite, and ruddy cheeks will follow.

SPITTING OF BLOOD.—This disease consists of a discharging of blood, often frothy from the mouth, brought up with hawking and coughing, and is usually accompanied with difficulty of breathing, and some pain in the chest, a dry tickling cough and slight shooting pains. This disease is always more or less dangerous. The great danger is that the symptoms may terminate in consumption, and immediate remedies cannot save this end. But Dr. Taylor's Balsam of Liverwort is a sure remedy, and to show it is unparalleled success, certificates of cures from 421 citizens, and many physicians, will be published in a few days.

NERVOUS DISEASES & WEAKNESS.—Dr. Taylor's Balsam of Liverwort, made at 375 Bowery, is assuredly an excellent remedy for these diseases. My wife has been more or less ill for ten years. She has been extremely nervous, and at times so weak that she could not attend to her domestic duties. By the use of this medicine, her strength is wholly restored, and she is as healthy as I can wish her to be. My address is at Dr. Taylor's office.

OBSERVE! Buy only that which made at the Old Office, 375 Bowery, N. Y. and which is sold at the Drug and Chemical store of THOMAS READ, Huntingdon, Pa.

JEW DAVID'S

HEBREW PLASTER

THE peculiarities of this Chemical Compound, are owing to its extraordinary effects upon the animal fibre or nerves, ligaments and muscles, its virtues being carried by them to the seat of disease or of pain and weakness.

However good any internal remedy may be, this, as an external application, will prove a powerful auxiliary in removing the disease and facilitating the cure, in cases of local inflammation, schrofulous affections, king's evil, gout, inflammatory, and chronic rheumatism, and in all cases where a seated pain or weakness exist.

A gentleman traveling in the south of Europe and Palestine, in 1830, heard so much said in the latter place, in praise of Jew David's or Hebrew Plaster, and of the (as he considered) miraculous cures had performed that he was induced to try it on his own person, for a lung and liver affection, the removal of which had been the chief object of his journey, but which had resisted the gentle influence of that balmy and delicious climate. He soon found his health improving, and in a few weeks his cough left him the salowness of his skin disappeared, his pain was removed, and his health became permanently reinstated. Since that time he has been recommending it to his friends and acquaintances, for all fixed pains whatever; such as rheumatism, gout, head ache, nervous teeth ache, pain in the side, back and limbs, schrofulous humors, knots, wens, white swelling, hard tumors, stiff joints, ague cakes, ague in the breast, weakness and pain in the stomach, weak limbs, lameness, affections of the spine, female weaknesses, &c. No female subject to pain or weakness in back or side, should be without it.

MOFFAT'S LIFE MEDICINES.

THE PHOENIX BITTERS are so called, because they possess the power of restoring the expiring embers of health, to a glowing fire, through the constitution, as the Phoenix is said to be restored from the ashes of its own dissolution. The Phoenix Bitters are entirely vegetable, composed of roots found only in certain parts of the western country, which will infallibly cure FEVERS AND ACUES of all kinds; will never fail to eradicate entirely all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla, and will immediately cure the determination of BLOOD TO THE HEAD; never fail in the sickness incident to young females; and will be found a certain remedy in all cases of nervous debility and weakness of the most impaired constitutions. As a remedy for Chronic and Inflammatory Rheumatism, the efficacy of the Phoenix Bitters will be demonstrated by the use of a single bottle.

The proprietor rejoices in the opportunity afforded by the universal diffusion of the press, for placing his VEGETABLE LIFE MEDICINES within the knowledge and reach of every individual in the community. Unlike the host of pernicious quackeries, which boast of vegetable ingredients, the Life Pills are purely and solely VEGETABLE, and contain neither Mercury, Antimony, Arsenic, nor any other mineral, in any form whatever.

The following are among the distressing varieties of human diseases, to which the vegetable Life Pills are well known to be infallible: **DYSPEPSIA**, by thoroughly cleansing the first and second stomachs, and creating a flow of pure and healthy bile, instead of the stale and acid kind.—**Flatulency**, **Palpitation of the Heart**, **Loss of Appetite**, **Heartburn and Headache**, **Restlessness**, **Impatience**, **Anxiety**, **Languor** and **Melancholy**, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure. Costiveness, by cleansing the whole length of the intestines with a solvent process, and without violence. **Diarrhea** and **Cholera**, by removing the sharp acrid fluids by which these complaints are occasioned. The Life Medicines have been known to cure Rheumatism permanently in three weeks, and Gout in half that time. Dropsical affections, by freeing and strengthening the kidneys and bladder. A certain remedy for the worst cases of Gravel. Also Worms, by dislodging from the turnings of the bowels the slimy matters to which these creatures adhere; As Hma and Consumption, by relieving the vessels of the lungs from the mucus; Scourvey, Ulcers, and Inverterate sores, by the perfect purity of these Life Pills given to the blood, and all the humors; Scorbatic Eruptions and Bad Complexions, by their alternative effect upon the blood that feeds the skin. The use of these Pills for a very short time, will effect an entire cure of Salt Rheum, Erysipelas, and a striking improvement in the clearness of the Skin. Common Colds and Influenza, will always be cured by one dose, or by two, even in the worst cases.—Piles,—as a remedy for this most distressing and obstinate malady, the Vegetable Life Pills deserve a distinct and emphatic recommendation. It is well known to hundreds in this country, that the originator of these invaluable Pills was himself afflicted with this complaint for upwards of thirty-five years, and that he tried in vain every remedy prescribed within the compass of the Materia Medica. He however, at length, tried the medicine which he now offers to the public and he was cured in a very short time.

All that Mr. Moffat requires of his patients is to be particular in taking the Life Medicines strictly according to the directions given. **ADVICE TO FEMALES.**—Females who value good health should never be without the Life Medicines, as they purify the blood, remove obstructions, and give the skin a beautiful, clear, healthy, and blooming appearance.

TO PARENTS AND OTHERS.—Persons of a plethoric habit, who are subject to fits, headache, giddiness, dimness of sight, or drowsiness, from too great a flow of blood to the head, should take it frequently. Children, and persons of all ages, may take them at any time, as they do not contain mercury, or any ingredients that requires confinement or restriction of diet.

Sold at the Store of JACOB MILLER Huntingdon, Pa. June 30, 1841.

A GREAT PRIZE!

THE RESURRECTION, OR PERSIAN PILLS.

In order that this valuable medicine should not be counterfeited, we have a plate representing a Persian scene, that is struck on each bill, one of which accompanies each box. We deem it unnecessary to publish a long list of Certificates, as it will neither add to nor diminish the virtues of this admirable compound.

Superior to the Hygean, Brandreth's, Evans', Tomato, the Matchless (priced) Sensitive, or any other Pills or Compound before the public, as certified by physicians and others. Let none condemn them until they have tried them, and then we are certain they will not.

It is now a settled point with all those who have used the Vegetable Persian Pills, that they are pre-eminently the best and most efficacious Family Medicine that has yet been used in America. If every family would become acquainted with their sovereign power over disease, they would keep them and be prepared with a sure remedy to apply on the first appearance of disease, and then how much distress would be avoided and money saved, as well as the lives of thousands who are hurried out of time by neglecting disease in its first stages, or by not being in possession of a remedy which they can place dependence upon. All who wish to guard against sickness, should use the Persian Pills freely, when needed; no injury can ensue, if used from youth to old age, when taken according to the directions.

The Resurrection, or Persian Pills.—These pills raise from the greatest weakness, distress and suffering, to a state of strength, health and happiness. The name of these pills originated from the circumstance of the medicine being found only in the cemeteries of Persia. This vegetable production being of a peculiar kind, led to experiments as to its medicinal qualities and virtues. In half a century it became an established medicine for the diseases of that country. The extract of this singular production was introduced into some parts of Europe in the year 1783, and used by many celebrated physicians in curing certain diseases, where all other medicines had been used in vain. Early in the year 1792, the extract was combined with a certain vegetable medicine imported from Dura Bacia, in the East Indies, and formed into pills. The admirable effect of this compound upon the human system, led physicians and families into its general use. Their long established character, their universal and healing virtues, the detergent and cleansing qualities of their specific action upon the glandular part of the system, are such as will sustain their reputation and general use in the American Republic.

CERTIFICATE.—I certify that I have, by way of experiment, used the Hygean, and most of the various kinds of Pills, in my practice, which have become the highest repute in the public eye, and that have been offered for sale in this vicinity for the last five years, including those called the Resurrection or Persian Pills; and the public may rest assured that none among the whole catalogue has answered a better purpose, as an easy and an effectual remedy, than the Resurrection or Persian Pills, in most cases of disease.

Dr. Bartholomew's Pink Expectorant Syrup.

The cases of consumption are so numerous in all the northern latitudes, that some remedy as a preventive should be kept by every family constantly on hand, to administer on the first appearance of so direful a disease. This Expectorant Syrup will in every case prevent the complaint. It is quite impossible for any person ever to have consumption who will use this remedy on the first approach of cough and pain in the side, and in many instances it has cured when physicians had given up the case as incurable.
