READ WHAT IT HAS DONE.

Any one who has a friend, relation, or know any one that is afflicted with that distressing disease, "CONSUMPTION," persuade them, without delay to try that famous and unrivalled medicine, the "BALSAM OF WILD CHERRY," which has cured thousands of this complaint after every thing else had failed. Read the following undoubted proofs of its efficacy.

Roxborough, Sept. 1841.
Dear Sir,—Please send me two bottles more of your Balsam of Wild Cherry, like that you sent me before. I have taken nearly all of the first two, and confidently believe this medicine will cure me. I have used a great many remedies within the last year, but have never found any thing that has relieved me so much. It has stopped my cough entirely, checked my night sweats, and I sleep better at night and feel better in every way than I have for many months.

Yours, respectfully, JAMES KELLY.
Holmesburg, Sept. 12, 1841.

Friend Wistar,—I must again trouble thee to send me two bottles more of thy invaluable Balsam. I have now taken three bottles in all, and can assure thee that it has done me more good than all the medicine I have ever taken before. Send by the stage as soon as possible, and oblige thy friend,
Bristol, September 8, 1841.

Dear Doctor,—Hearing so many people talk about the wonderful cures your Balsam of Wild Cherry has made in consumption, I sent to one of your agents the other day for a bottle, and have found it to relieve me so much, that I want three bottles more sent soon, as I believe it will cure me too. I have used a great many balsams of different kinds have tried Jane's Expectorant and other medicines besides, but nothing has done me so much good as yours has. Send by the steamboat Bolivar.

Yours truly, W. M. THOMAS.
Besides its astonishing efficacy, in Consumption, it is also the most effectual remedy ever discovered for Liver Complaints, Asthma, Bronchitis, Coughs, Croup, Whooping Cough, &c., as hundreds will testify who have been cured by it after all other remedies had failed.

COUGHS & COLDS

THE CAUSE OF CONSUMPTION. Simple as these complaints are usually considered, no one can deny their being the most common cause of this fatal and distressing disease. It is indeed a melancholy truth, that thousands fall victims to consumption every year from no other cause than NEGLECTED COLDS. Yet we find hundreds, many thousands, who treat such complaints with the greatest indifference, and let them run on for weeks and even months without thinking of the danger. At first you have what you may consider a slight COUGH or COLD; you allow business, pleasure or carelessness to prevent you from giving it any attention, it then settles on your breast, you become hoarse, have pains in the side or chest, expectorate large quantities of matter, perhaps mixed with blood, a difficulty of breathing ensues, and then you find your own foolish neglect has brought on this distressing complaint. If then you value life or health, be warned in time, and don't trifle with your COLD or COUGH, until you have no nostrum to cure you, but immediately procure a bottle or two of that famous remedy the "Balsam of Wild Cherry" which is well known to be the most speedy cure ever known, as thousands will testify whose lives have been saved by it.

Be very particular when you purchase to ask for "Dr. Wistar's Balsam of Wild Cherry," as there is also a syrup of this name in use.

Prepared, wholesale and retail, by Williams & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1.00 a bottle.

Sold at Huntingdon, by Thomas Read, and at Hollidaysburg by James Orr.

CROUP IN CHILDREN.

This is the season when this destructive complaint attacks your interesting little children often robs you of those you fondly doted on, and carries hundreds to the grave. Every parent should, therefore, know its symptoms, watch them closely, and always be prepared with a remedy to cure it, as many are daily sacrificed by such neglect. At first the little patient is seized with shivering, it grows restless, has flashes of heat, the eyes become red, and swollen, it breathes with difficulty, and then comes that fearful COUGH that will surely terminate in convulsions or death unless something is immediately given to check it. In this complaint the "Balsam of Wild Cherry" is well known to be the most speedy cure ever discovered. It is indeed a precious remedy—mild safe and innocent, and sure to give the little sufferer immediate relief, and quickly restore it to safety and health. Every mother who loves her children should always keep it in the house and give it to them early, by doing so you may often save the life of one you fondly love. Remember this is the famous remedy of that distinguished physician, Dr. Wistar, which has cured thousands of Croup, Whooping Cough, Asthma, Consumption, &c., after every other medicine had failed. BE ON YOUR GUARD.

Be particular when you purchase to ask for "Dr. Wistar's Balsam of Wild Cherry," as there is a Syrup of this name advertised that is entirely a different medicine. Prepared only by Williams & Co., Chemists, No. 33 South Fourth street, Philadelphia.

Price \$1.00 a bottle.

CONSUMPTION AND LIVER COMPLAINT.

DR. TAYLOR'S
BALSAM OF LIVERWORT

HAS been used successfully for eight years in the Cure of these Diseases. Remember! the original and genuine is made ONLY at 375 Bowers, N. Y. ALL others are spurious and unauthorized.

CONSUMPTION AND LIVER COMPLAINT.

As a general remedy for these diseases, I am fully satisfied, from long experience, there is no medicine equal to Dr. Taylor's Balsam of Liverwort. Being purely vegetable, it can be used with the utmost safety by all persons in every condition. It cleanses the lungs by expectoration, relieves difficult breathing, and seems to heal the chest. There can be no question, but this medicine is a certain cure for chronic coughs and colds. I have used it for four years in my practice, and always with success.

A. F. ROGERS, M. D.
CONSUMPTION!

The following remarks were taken from the last number of the Magazine:—

"The surprising effect produced by Dr. Taylor's Balsam of Liverwort, in consumptive cases, cannot fail exciting a deep and thrilling interest throughout the world. We have so long believed this disease (consumption) incurable, that it is difficult to credit our senses when we see persons evidently consumptive, restored to health. Yet that is a fact of daily occurrence: how then can we question the virtue of the above medicine?"

TO FEMALES.—The number of females in delicate health in this city is truly surprising. Weakness, loss of appetite, liver complaints, and many other diseases prey upon them, making them pale and lean of flesh. All this can be remedied by the use of strengthening medicine, that will assist nature in all her movements, restore tone to the nerves and muscular organs. Of this kind is Dr. Taylor's Balsam of Liverwort, which being mild and purely vegetable, affords us females admirably. It will use it, we are confident an elastic step, good appetite, and ruddy cheeks will follow.

SPITTING OF BLOOD.—This disease consists of a discharging of blood, often frothy from the mouth, brought up with hawking and coughing, and is usually accompanied with difficulty of breathing, and some pain in the chest, a dry tickling cough and slight shooting pains. This disease is always more or less dangerous. The great danger is that these symptoms may terminate in consumption, and immediate remedies can alone save this end. But Dr. Taylor's Balsam of Liverwort is a sure remedy, and to show its unparalleled success, certificates of cures from 421 citizens, and many physicians, will be published in a few days.

NERVOUS DISEASES & WEAKNESS.—Dr. Taylor's Balsam of Liverwort, made at 375 Bowers, is assuredly an excellent remedy for these diseases. My wife has been more or less ill for ten years. She was extremely nervous, and at times so weak that she could not attend to her domestic duties. By the use of this medicine, her strength is wholly restored, and she is as healthy as I can wish her to be. My address is at Dr. Taylor's office.

OBSERVE! Buy only that which made at the Old Office, 375 Bowers, N. Y. and which is sold at the Drug and Chemical store of THOMAS READ, Huntingdon, Pa.

DR. JAYNE'S EXPECTORANT
We consider it a duty to call public attention to this admirable preparation for Pulmonary Diseases—Especially Coughs, Colds, Consumptions, Spitting blood, Asthma, Bronchial Affections, Hooping Cough, &c. It is used and very highly approved by persons of the first respectability. But we are confident in saying that a trial of its efficacy will be its best recommendation.

DR. JONATHAN GOING, PRESIDENT OF THE GRANVILLE COLLEGE, Ohio (late of New York, December, 1836, says:—He was laboring under a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using Dr. Jayne's Expectorant.—Mrs. Delks, of Salem, N. J. was cured of Asthma of twenty years standing, by using two bottles of this medicine.

Mrs. Ward, also of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, who was believed by her friends to be far gone with consumption was perfectly restored by three bottles.—Dr. J. M. James, of South Carolina, was greatly benefited by using a bottle of this medicine found permanent relief.

Mr. Nicholas Harris, sen., one of the Deacons of the First Baptist Church in this city, has been perfectly cured by it—after having suffered for sixty years with Cough, Asthma, and Spitting of Blood, which no remedy before could relieve.

The Rev. C. C. P. Crosby, writes as follows:
New York, June 15, 1838.

To Dr. Jayne.—Dear Sir,—I have made use of your Expectorant, personally and in my family for the last six years, with great benefit. Indeed I may consider my life prolonged by the use of this valuable medicine, under the blessing of God, for several years. I may say almost as much in the case of my wife, and also of the Rev. Mr. Tonson, of the Island of Jamaica. For all cases of cough, inflammation of the chest, lungs, and throat, I most unhesitatingly recommend this as the best medicine I have ever tried. My earnest wish is, that others afflicted as I have been, may experience the same relief, which I am persuaded they will by using your Expectorant.

C. C. P. CROSBY.

The following Certificate is from a practicing Physician and a much respected Clergyman of the Methodist society—dated Modest Town, Va. August 27, 1838.

Dr. Jayne's Expectorant, have been using your Expectorant ever since, and in my practice for the last three months, and for all attacks of Colds, Coughs, Inflammation of the Lungs, Consumption, Asthma, Pains and weakness of the Breast, it is decidedly the best medicine I have ever tried.

Very respectfully yours,
R. W. WILLIAMS.

Dr. Jayne's Office is No. 20 South Third street, Philadelphia, where all orders will be promptly attended to.

JEW DAVID'S

OR
HIBREW PLASTER

THE peculiarities of this Chemical Compound, are owing to its extraordinary effects upon the animal fibre of nerves, ligaments and muscles, its virtues being carried by them to the seat of disease or of pain and weakness.

However good any internal remedy may be, this, as an external application, will prove a powerful auxiliary in removing the disease and facilitating the cure, in cases of local inflammation, scrofulous affections, king's evil, gout, inflammatory and chronic rheumatism, and in all cases where a seated pain or weakness exists.

A gentleman traveling in the south of Europe and Palestine, in 1850, heard so much said in the latter place, in praise of Jew David's or Hebrew Plaster, and of the (as he considered) miraculous cures had performed that he was induced to try it on his own person, for a lung and liver affection, the removal of which had been the chief object of his journey, but which had resisted the general influence of the balmy and delicious climate of the south.

He found his health improving, and a few weeks his cough left him the softness of his skin disappeared, his pain was removed, and his health became permanently reinstated. Since that time he has been recommending it to his friends and acquaintances, for all fixed pains whatever; such as rheumatism, gout, head ache, nervous teeth ache, pain in the side, back and limbs, scrofulous humors, knots, wens, white swelling, hard tumors, stiff joints, ague cakes, ague in the breast, weakness and pain in the stomach, weak limbs, lameness, affections of the spine, female weaknesses, &c. No female subject to pain or weakness in back or side, should be without it.

MOFFAT'S LIFE MEDICINES.

THE PHOENIX BITTERS are so called, because they possess the power of re-awakening the expiring embers of health, and restoring vigor throughout the constitution.

As the Phoenix is said to be restored to life from the ashes of its own dissolution. The Phoenix Bitters are entirely vegetable, composed of roots found only in certain parts of the western country, which will infallibly cure FEVERS AND ACUES of all kinds; will never fail to eradicate entirely all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla, and will immediately cure the determination of BLOOD TO THE HEAD; never fail in the sickness incident to young females; and will be found a certain remedy in all cases of nervous debility and weakness of the most impaired constitutions.

As a remedy for Chronic and Inflammatory Rheumatism, the efficacy of the Phoenix Bitters will be demonstrated by the use of a single bottle.

The proprietor rejoices in the opportunity afforded by the universal diffusion of the press, for placing his VEGETABLE LIFE MEDICINES within the knowledge and reach of every individual in the community.

Unlike the host of pernicious quackeries, which boast of vegetable ingredients, the Life Pills are purely and SOLELY VEGETABLE, and contain neither Mercury, Antimony, Arsenic, nor any other mineral, in any form whatever.

The following are among the distressing varieties of human diseases, to which the vegetable Life Pills are well known to be infallible:

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure and healthy bile, instead of the stale and acrid kind.—Flatulency, Palpitation of the Heart, Loss of Appetite, Heartburn and Headache, Restlessness, Irritability, Anxiety, Languor, and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

Costiveness, by cleansing the whole length of the intestines with a solvent process, and without violence. Diarrhea and Cholera, by removing the sharp acrid fluids by which these complaints are occasioned. The Life Medicines have been known to cure Rheumatism permanently in three weeks, and Gout in half that time. Dropsies of all kinds, by freeing and strengthening the kidneys and bladder. A certain remedy for the worst cases of Gravel. Also Worms, by dissolving from the turnings, and the bowels the slimy matters to which these creatures adhere; As humors and Consumption, by relieving the vessels of the lungs from rancors; Scumey, Ulcers, and Insect rancors; by the perfect purity of these Life Pills give to the blood, and all the humors; Scrofulous Eruptions and Bad Complexions, by their alterative effect upon the fluids that feed the skin. The use of these Pills for a very short time, will effect an entire cure of Salt Rheum, Erysipelas, and a striking improvement in the clearness of the Skin. Common Colds and Influenza, will always be cured by one dose, or by two, even in the worst cases. Piles—as a remedy for this most distressing and obstinate malady, the Vegetable Life Pills deserve a distinct and emphatic recommendation. It is well known to hundreds in this city, that the originator of these invaluable Pills was himself afflicted with this complaint for upwards of thirty-five years, and that he tried in vain every remedy prescribed within the compass of the Materia Medica. He however, at length, tried the medicine which he now offers to the public and he was cured in a very short time.

All that Mr. Moffat requires of his patients is to be particular in taking the Life Medicines strictly according to the directions.

ADVICE TO FEMALES.—Females who value good health should ever be without the Life Medicines, as they purify the blood, remove obstructions, and give the skin a beautiful, clear, healthy, and blooming appearance.

OPARENTS AND OTHERS.—Persons of a plethoric habit, who are subject to fits, headache, giddiness, dimness of sight, or drowsiness, from too great a flow of blood to the head, should take it frequently. Children, and persons of all ages, may take them at any time, as they do not contain mercury, or any ingredient that requires confinement or restriction of diet.

A GREAT PRIZE!

THE RESURRECTION,

OR
PERSIAN PILLS.

In order that this valuable medicine should not be counterfeited, we have a plate representing a Persian scene, that is struck on each bill, one of which accompanies each box. We deem it unnecessary to publish a long list of Certificates, as it will neither add to nor diminish the virtues of this admirable compound.

Superior to the Hygean, Brandreth's, Evans', Tomato, the Matchless (priced) Sanative, or any other Pills or Compound before the public, as certified to by physicians and others. Let none condemn them until they have tried them, and then we are certain they will not.

It is now a settled point with all those who have used the Vegetable Persian Pills, that they are pre-eminently the best and most efficacious Family Medicine that has yet been used in America. If every family would become acquainted with their sovereign power over disease, they would keep them on hand as a sure remedy to apply on the first appearance of disease, and then how much distress would be avoided, and money saved, as well as the lives of thousands who are hurried out of time by neglecting disease in its first stages, or by not being in possession of a remedy which they can place dependence upon. All who wish to guard against sickness, should use the Persian Pills freely, when needed; no injury can ensue, if used from youth to old age, when taken according to the directions.

The Resurrection, or Persian Pills.—These Pills raise from the greatest weakness, distress and suffering, to a state of strength, health and happiness. The name of these Pills originated from the circumstance of the medicine being found only in the cemeteries of Persia. This vegetable production being of a peculiar kind, led to experiments as to its medical qualities and virtues. In half a century it became an established medicine for the diseases of that country. The extract of this singular production was introduced into some parts of Europe in the year 1783, and used by many celebrated physicians in curing certain diseases, where all other medicines had been used in vain.

Early in the year 1792, the extract was combined with a certain vegetable medicine imported from Cura Baco, in the East Indies, and formed into pills. The admirable effect of this compound upon the human system, led physicians and families into its general use. Their long established character, their universal and healing virtues, the detergent and cleansing qualities of their specific action upon the glandular part of the system, are such as will sustain their reputation and general use in the American Republic.

CERTIFICATE.—I certify that I have, by way of experiment, used the Hygean, and most of the various kinds of Pills, in my practice, which have borne the highest repute in the public estimation, that have been offered for sale in this vicinity for the last five years, including those called the Resurrection or Persian Pills; and the public may rest assured that none among the whole catalogue has answered a better purpose, than the Resurrection or Persian Pills, in most cases of disease.

Dr. Bartholome's Pink Expectorant Syrup.

The cases of consumption are so numerous in all the northern latitudes, that some remedy as a preventive should be kept by every family constantly on hand, to administer on the first appearance of so direful a disease. This Expectorant Syrup will in every case prevent the person ever to have consumption who will use this remedy on the first approach of cough and pain in the side, and in many instances it has cured when physicians had given up the case as incurable.
