

At a Temperance meeting held in Clinton county, Pa., the Liquors of William Dunn, Merchant, were burnt and destroyed.

Owing to the Receipts and Expenditures, published on our 4th page, and the unusual amount of advertising that has accumulated the last two weeks, several articles prepared for to-day's paper have been unavoidably crowded out.

The proceedings of one or two temperance meetings have shared the same fate.

The Girard Bank has failed; and great excitement prevails in Philadelphia on that account. Its notes are selling in the city at 20 and 25 per cent discount. So says the "Inquirer and Gazette" of Saturday last.

HORACE BINNEY, Esq. of Philadelphia has been appointed U. S. District Judge of the Eastern District of Pennsylvania, in the place of Judge Hopkinson, dec'd.

Appointments by the Governor.

ANSON V. PARSONS, to be Secretary of the Commonwealth, in the room of Francis R. Shunk, resigned.

OSWALD F. JOHNSTON, to be Attorney General for three years more.

CALVIN BLYTHE, to be President Judge in the room of A. V. Parsons, resigned.

E. W. HUTTER, of Previous Pardon notoriety, to be Deputy Secretary of the Commonwealth.

The Family Altar.

"O come let us fall down and kneel before the Lord our Maker."

Come to the place of prayer!
Parents and children, come and kneel before
Your God, and with united hearts adore
Him whose alone your life and being are.

Come to the place of prayer!
Ye band of loving hearts; O come and raise,
With one consent, the grateful song of praise,
To Him who blessed you with a lot so fair!

Come in the morning hour!
Who— who hath raised you from the dream
Of night?
Whose hand hath poured around the cheering light?
Come, and adore that kind celestial power.

Come at the close of day!
Ere weated nature sinks in gentle rest;
Come and let all your sins be here confessed;
Come and for his protecting mercy pray.

Has sorrow's withering blight
Your dearest hopes in desolation laid,
And once cheerful home in gloom arrayed?
Yet pray, for He can turn the gloom to light.

Has sickness entered in
Your peaceful mansion? then let prayer ascend
On wings of faith, to that all-gracious Friend
Who came to heal the bitter pangs of sin.

Come to the place of prayer!
At morn, at night—in gladness or in grief—
Surround the throne of grace, there seek relief,
Or pay your free and grateful homage there.

So in the world above
Parents and children may yet meet at last,
When this your worldly pilgrimage is past,
To mingle in the joyful notes of love.

Dr. Brandreth wishes mankind to consider this truth, that health solely depends on the state of purity in which the blood is kept, every part of the body being supplied daily with new blood from the food consumed; consequently according to the purity of that blood, so must the state of the body be more or less healthy. To obtain therefore the most direct purifier of the blood, is a question of no little importance to every individual.

It is a well known fact that Brandreth's Vegetable Universal Pills are the most direct purifier of the blood. There will be no doubt of this when it is considered that they have gained their present very extensive sale by their own intrinsic merit, proved by the numerous cures which they have accomplished in every variety of disease.

Washingtonians.

A general Convention of Washingtonians will be held in the Borough of Huntingdon on Tuesday the

22nd of February, it being the birthday of the immortal Washington, whose name our association bears. No more appropriate day could be selected on which the members of the several Washington societies in this county might meet to celebrate the great and glorious triumphs our cause is making under the Washington Banner.

We therefore most respectfully invite our brethren in every Washington society in the county of Huntingdon to meet us at that time, and join in the celebration of the rapid and gigantic strides of Temperance throughout our beloved county.—Let your delegation be full, and come up with the enthusiasm and charity which have united in giving to our cause such immortal and heart-cheering victories. "In union there is strength," and in communion one with another, our hopes are brightened—our hearts are animated—our arms are nerve—and our souls are fired with the pure and holy principles of our cause, and thus we will return to our homes with new zeal, improved knowledge and a fixed determination to battle more faithfully, more valiantly—more fervently than ever we did before. Come one, come all—and as you come—

Swell high the Washingtonian cry;
The lost are still returning,
Until our banner "flaps the sky,"
The meteor light of morning.

HATHAWAY'S COOKING Hot Air Stoves.

THIS celebrated stove is now manufactured by Arthur B. Long, in Lewisburg, Pa., which he will endeavor at all times to keep on hand ready for use, he is making the three following sizes: No. 2, smallest size, receives a stick of wood 2 feet 4 inches long. No. 2 1-2 middle size receives a stick of wood 2 feet 6 inches long. No. 3 largest size receives a stick of wood 2 feet 8 inches long.

This stove No. 3, is calculated for Taverns, Boarding Houses, or other Houses where much cooking is required, and No. 2, and 2 1-2 is calculated for the use of farmers and small families.

There never has yet appeared any system or plan of a cooking stove which has the same advantage that this stove has. Its culinary purpose is not to be equalled—its baking qualities are far superior to any other, as the hot air principle is the continuation of heat in the stove by which a much less quantity of fuel is required to perform a much larger amount of cooking or baking than any other stove that has formerly been used.

All orders addressed to Arthur B. Long, Lewistown, through the Post Office, or at his Foundry will be punctually attended to.
