## COUGHS & COLDS

DR. Swayne's Compound Syrup of Prunus of Virginia or wild Cherry. This syrup is highly beneficial in all pectoral affections; also, in diseases of the chest in which the lungs do not perform their proper office from want of due nervous energy: such as asthmas, pulmonary consumption, recent or chronic coughs, hoarseness, whooping cough, wheezing and difficulty of breathing, croup and spitting of blood, &c. How many sufferers do we daily behold approaching to an untimely grave, wrested in the bloom of youth from their dear relatives and friends, afflicted with that common and destructive ravenous, called consumption, which soon wastes the miserable sufferer until they become beyond the power of human skill; if such sufferers would only make a trial of Dr. Swayne's invaluable medicine, they would soon find themselves benefited; than by gulping the various ineffective certain remedies of which our newspapers daily abound. This syrup immediately begins to heal the ulcerated lungs, stopping profuse night sweats, mitigating the distressing cough at the same time inducing a healthy and natural expectoration, also relieving the shortness of breath and pain in the chest, which harass the sufferer at the slightest exercise, and finally the hectic flash in the pallid and emaciated cheek will soon begin to vanish, and the sufferer will here perceive himself snatched from a premature grave, into the enjoyment again of comfortable health.

## READ WHAT IT HAS DONE.

And if you have a friend, relation, or know any one that is afflicted with that distressing disease, "CONSUMPTION," persuade them without delay to try that famous and unrivalled medicine, the "BALSAM OF WILD CHERRY," which has cured thousands of this complaint after every thing else had failed. Read the following undoubted proofs of its efficacy.

Roxborough, Sept. 1841.

Dear Sir—Please send me two bottles more of your Balsam of Wild Cherry, like that you sent me before. I have taken nearly all of the first two, and confidently believe this medicine will cure me. I have used a great many remedies within the last year, but have never found any thing that has relieved me so much. It has stopped my cough entirely, checked my night sweats, and I sleep better at night and feel better in every way than I have for many months.

Yours, respectfully, JAMES KELLY.  
Holmesburg, Sept. 12, 1841.

Friend Wistar—I must again trouble thee to send me two bottles more of thy invaluable Balsam. I have now taken three bottles in all, and can assure thee that it has done me more good than all the medicine I have ever taken before. Send by the stage as soon as possible, and oblige thy friend,

JACOB HOLLOWAY.  
Bristol, September 8, 1841.

Dear Doctor,—Hearing so many people talk about the wonderful cures your Balsam of Wild Cherry has made in consumption, I sent to one of your agents to send me a bottle, and have found it to relieve me so much, that I want three bottles more sent soon, as I believe it will cure me too. I have used a great many balsams of different kinds have tried Jane's Expectorant and other medicines besides, but nothing has done me so much good as yours has. Send by the steamboat Bolivar.

Yours truly, WM. THOMAS.  
Hollidaysburg, Sept. 12, 1841.

## COUGHS & COLDS

THE CAUSE OF CONSUMPTION. Simple as these complaints are usually considered, no one can deny their being the most common cause of this fatal and distressing disease. It is indeed a melancholy truth, that thousands fall victims to consumption every year from no other cause than NEGLECTED COLDS. Yet we find hundreds, who thousands, who treat such complaints with the greatest indifference, and let them run on for weeks and even months without thinking of the danger. At first you have what you may consider a slight COUGH or COLD; you allow business, pleasure or carelessness to prevent you from giving it any attention, it then settles on your breast, you become hoarse, have pains in the side or chest, expectorate large quantities of matter, perhaps mixed with blood, a difficulty of breathing ensues, and then you find your own foolish neglect has brought on this distressing complaint. If then you value life or health, be warned in time, and don't trifle with your COLD, or trust to no quack nostrum to cure you, but immediately procure a bottle or two of that famous remedy the "Balsam of Wild Cherry," which is well known to be the most speedy cure ever known, as thousands will testify whose lives have been saved by it.

Be particular when you purchase to ask for "Dr. Wistar's Balsam of Wild Cherry;" as there is also a syrup of this name in use.

Prepared, wholesale and retail, by Williams & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1.00 a bottle.

Sold in Huntingdon, by Thomas Read, and at Hollidaysburg by James Orr.

## CROUP IN CHILDREN

This is the season when this distressing complaint attacks your interesting little children often robs you of those you fondly doated on, and carries hundreds to the grave. Every mother should, therefore, know its symptoms, watch them closely, and always be prepared with a remedy to cure it, as many are daily sacrificed by such neglect. At first the little patient is seized with shivering; it grows restless, has flashes of heat, the eyes become red and swollen, it breathes with difficulty, and then comes that fearful COUGH that will surely terminate in convulsions or death unless something is immediately given to check it. In this complaint the "Balsam of Wild Cherry" is well known to be the most speedy cure ever discovered. It is indeed a precious remedy—mild safe and innocent, and sure to give the little sufferer immediate relief, and quickly restore it to safety and health. Every mother who loves her children should always keep it in the house and give it to them early, by you fondly love. Remember this is the famous remedy of that distinguished physician, Dr. Wistar, which have cured thousands of Croup, Whooping Cough, Asthma, Consumption, &c., after every other medicine has failed.

Be particular when you purchase to ask for "Dr. Wistar's Balsam of Wild Cherry," as there is a Syrup of this name advertised that is entirely a different medicine. Prepared only by Williams & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1.00 a bottle.

Sold in Huntingdon by THOMAS READ, and in Hollidaysburg by James Orr.

## A GREAT PRIZE! THE RESURRECTION,

OR  
PERSIAN PILLS.

In order that this valuable medicine should not be counterfeited, we have a plate representing a Persian scene, that is struck on each bill, one of which accompanies each box. We deem it unnecessary to publish a long list of Certificates, as it will neither add to nor diminish the virtues of this admirable compound.

Superior to the Hygean, Brandreth's, Evans', Tomato, the Matchless (priced) Sennative, or any other Pills or Compound before the public, as certified to by physicians and others. Let none condemn them until they have tried them, and then we are certain they will not.

It is now a settled point with all those who have used the Vegetable Persian Pills, that they are pre-eminently the best and most efficacious Family Medicine that has yet been used in America. If every family would become acquainted with their sovereign power over disease, they would keep them and be prepared with a sure remedy to apply on the first appearance of disease, and then how much distress would be avoided and money saved, as well as the lives of thousands who are hurried out of time by neglecting disease in its first stages, or by not being in possession of a remedy which they can place dependence upon. All who wish to guard against sickness, should use the Persian Pills freely, when needed; no injury can ensue, if used from youth to old age, when taken according to the directions.

The Resurrection, or Persian Pills.—These pills raise from the greatest weakness, distress and suffering, to a state of strength, health and happiness. The name of these pills originated from the circumstance of the medicine being found only in the cemeteries of Persia. This vegetable production being of a peculiar kind, led to experiments as to its medical qualities and virtues. In half a century it became an established medicine for the diseases of that country. The extract of this singular production was introduced into some parts of Europe in the year 1783, and used by many celebrated physicians in curing certain diseases, where all other medicines had been used in vain.—Early in the year 1792, the extract was combined with a certain vegetable medicine imported from Dura Baca, in the East Indies, and formed into pills. The admirable effect of this compound upon the human system, led physicians and families into its general use. Their long established character, their universal and healing virtues, the detergent and cleansing qualities of their specific action upon the glandular part of the system, are such as will sustain their reputation and general use in the American Republic.

CERTIFICATE.—I certify that I have, by way of experiment, used the Hygean, and most of the various kinds of Pills, in my practice, which have borne the highest repute in the public estimation, that have been offered for sale in this vicinity for the last five years, including those called the Resurrection or Persian Pills; and the public may rest assured that none among the whole catalogue has answered a better purpose, as an easy and an effectual remedy, than the Resurrection or Persian Pills, in most cases of disease.
