283 ACRES,

nearly all cleared and under good fence; about twenty acres of which are meadow, having thereon erected a large two story dwelling house, a new double bank barn, 60 by 90 feet, a stone horse stable, double corn cribs and wagon sheds, a stone spring house, and all other buildings necessary; several never failing springs of water, a large apple orchard of choice fruit, together with

A STONE DISTILLERY,

40 by 45 feet, with every thing necessary for carrying on the business, with an abundant supply of over head spring water. Attached thereto is a dwelling house, chop house, stabling, &c. &c., all in good order. There are three other comfortable tenant houses, situated at convenient distances, all with never failing springs of limestone water,—water on nearly every field, and a remarkable healthy section of country.

Also,

Adjoining the above, a tract of slate land, which will be laid off to suit purchasers, from 2 to 400 acres, about 150 acres cleared, and under fence, 3 or 4 acres of meadow, and 10 or 15 more can conveniently be made, a young apple orchard, and a good spring of water; thereon erected a comfortable log

DWELLING HOUSE,

a small double barn, &c. Through this tract there is a stream of water sufficient to run a saw mill several months in the year. Adjoining the above are several tracts of choice timber land, which will be laid off to suit purchasers, on some of which there is every appearance of an abundant supply of iron ore. The above described lands are all adjoining, and contain in all about

1500 ACRES,

and will be sold as a whole, or divided to suit purchasers. A diagram of the whole will be exhibited on the day of sale.

The terms will be made known on the day of sale. Possession given on the 1st day of April, subject however to the leases of the several tenant houses for one year, the purchasers however to receive the rents; and as it is now late in the season, should the purchaser of the first described tract not find it convenient to get a farmer for this year, one of the owners now living on it would attend to having it farmed, and remain on the property during said time. This shall however be optional with the purchasers. An indisputable title will be given.

N. B. Persons wishing to buy, or make a safe investment of their money, will do well to attend, as one of the subscribers has removed and settled himself in the western country, and the other is anxious to quit the business of farming, &c.; by staying away may miss a good bargain.
