It consists of four sides of different sharpening properties, viz: No. 1, the Hone—which is of ten times the pow-er of the ordinary Hone, and almost instant. I, the Hone—which is of ten times the pow-er of the ordinary Hone, and almost instant. Is a dull edge. No. 2, a powerful sharpening property for removing the wiry edge left by the Hone. No. 3; a less pow-erful composition for gradually reducing the Razor to a finc edge. No. 4 is merely the calf skin, peculiarly prepared by the Manu-pose of perfecting the edge of the Razor. Five minutes will be ample time for put-ling the dullest Razor in perfect order. Manufactured by 102 William St. New-York.
