It consists of four sides of different sharpening properties, viz: No. 1, the Hone—which is of ten times the pow-er of the ordinary Hone, and almost instant-ty thins a dull edge. No. 2, a powerful sharpening property for removing the wiry edge left by the Hone. No. 3 is less pow-erful composition for gradually reducing the Razor to a fine edge. No. 4 is merely the calf skin, peculiarly prepared by the Manu-facturer, and expressly adapted to the pur-pose of perfecting the edge of the Razor. The Keb. C. C. P. Crosby, writes as fol lows: New York, June 15, 1838. To Dr., Jayne: --Dear Sir, --I have made use of your Expectorant, personally and in my family for the last six years, with great benefit. Indeed I may consider my life pro-longed by the use of this valuable medicine, under the blessing of God, forseveral years. I may say almost as much in the case of my wife, and also of the Rev. Mr. Tonson, of the Island of Jamaica. For all cases of cough, inflamation of the chest, lungs, and throat, I do most unhesitatingly recommend this as the best medicine I have ever tried. My earnest wish is, that others afflicted as I have been, may experience the same relief, which I am persuaded they will by using your Expecto-rant. C. C. P. CROSBW Feb. 2, 1842.

Coughs and Colds. These very distressing complaints often lead into CONSUMPTION through ne-glect at the first attack. I would therefore advise those whose cough begins to become troublesome, and the Expectoration scanty, with more or less sorceness of the throat, di-ficult raising of phlegm, &c. that they should immediately apply for a suitable medicine, which is Br. DUNCAN'S EXPECTOR-ANT Remedy for Consumption, &c. This medicine I have found in every instance to remove those unpleasant annoyances in a few days. One single bottle will in most ca-ses, prove this assertion. Therefore, you who wish to escape the early seeds of Con-sumption, avail yourselvet of this oppor-tunity, and again cnjoy the blessings of health. LAMES M. BIRCH. Kensington. AUDITUKS' NUTICE. To those who desire Health.

To those who desire Meath. I hereby certify, that I was afflicted for 8 years with a server nervous disease, attend-ed with constant pain in the breast, side and stomach, loss of appetite, no rest at night, sickness and dizziness in the head, pain in the stomach after eating, and other symp-toms which attends indigestion, my bowels were weak and irregular. Having had ad-vice of various physicians during this long period, and used much medicine which only produced temporary relief. In the year 1839 I was often unable to leave my house, and being a poor widow, dependent on my own house to house to obtain it. I at length gave up all hopes of recovery, and trusted to Him "that created all things." I fortunately was favored with work in Eighth street, when the family, discovering my miserable situa-tion, immediately recommended Dr. HAR-LICH'S COMPOUND STRENGTHE. NING, & GERMANA APERIENT PILLS which they procured for me. I used them, and continued for about three months; du-ring the time my strength rapidly increased my countenance and pallid check returned to their former and natural colors. Since I have fully recovered, and at present enjoy the public at large of the great witties of Dr. HARLICH'S MEDICINE, that others may produce that be bickwise cured.
