

NOTICE.

THE delinquent Collectors of County Taxes for the years 1839 and 1840, are again notified that the balances remaining due and unpaid on the several Duplicates, if not settled on or before April Court next, will be certified into the Prothonotary's Office and collected by execution. The heavy demands against the county, which cannot be liquidated on account of the delinquency of the several Collectors, compel us to pursue this course, and no further notice will be given.

DR. JAYNE'S EXPECTORANT.

We consider it a duty to call public attention to this admirable preparation for Pulmonary Diseases—Especially Coughs, Colds, Consumptions, Spitting blood, Asthma, Bronchial Affections, Hooping Cough, &c. It is used and very highly approved by persons of the first respectability, but we feel confident in saying that a trial of its efficacy will be its best recommendation.

DR. JONATHAN GOING, PRESIDENT OF THE GRANVILLE COLLEGE Ohio (late of New York), in a letter to Dr. Jayne dated New York, December, 1836, says:—He was laboring under a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using the Expectorant.—Mrs. Delks, of Salem, N. J. was cured of Asthma of twenty years standing, by using two bottles of this medicine. Mrs. Ward, also of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, who was believed by her friends to be far gone with consumption was perfectly restored by three bottles.—Dr. Hamilton of St. James, South Carolina, was greatly affected by a cough, hoarseness and soreness of the lungs, and on using a bottle of this medicine found permanent relief.

Mr. Nicholas Harris, sen., one of the Deacons of the First Baptist Church in this city, has been perfectly cured by it—after having suffered for sixty years with Cough, Asthma, and Spitting of Blood, which no remedy before could relieve.

The Rev. C. C. P. Crosby, writes as follows:—
New York, June 15, 1838.
To Dr. Jayne:—Dear Sir,—I have made use of your Expectorant, personally and in my family for the last six years, with great benefit. Indeed I may consider my life prolonged by the use of this valuable medicine, under the blessing of God, for several years. I may say almost as much in the case of my wife, and also of the Rev. Mr. Tomson, of the Island of Jamaica. For all cases of cough, inflammation of the chest, lungs, and throat, I do most unhesitatingly recommend this as the best medicine I have ever tried. My earnest wish is, that others afflicted as I have been, may experience the same relief, which I am persuaded they will by using your Expectorant.

C. C. P. CROSBY.
The following Certificate is from a practicing Physician and a much respected Clergyman of the Methodist society—dated Modes, Town, Va. August 27, 1839.
Dr. Jayne, Dear Sir,—I have been using your Expectorant extensively in my practice for the last three months, and for all attacks of Colds, Coughs, Inflammation of the Lungs, Consumption, Asthma, Pains and weakness of the Breast, it is decidedly the best medicine I have ever tried.

Very respectfully yours,
R. W. WILLIAMS.

COUGHS & COLDS.

DR. Swayne's Compound Syrup of Prunella of Virginia or wild Cherry. This syrup is highly beneficial in all plethoric affections; also, in diseases of the chest in which the lungs do not perform their proper office from want of due nervous energy; such as asthmas, pulmonary consumption, recent or chronic coughs, hoarseness, whooping cough, wheezing and difficulty of breathing, croup and spitting of blood, &c. How many sufferers do we daily behold approaching to an untimely grave, wrested in the bloom of youth from their dear relatives and friends, afflicted with that common and destructive raver, called consumption, which soon wastes the miserable sufferer until they become beyond the power of human skill; it such sufferers would only make a trial of Dr. Swayne's invaluable medicine, they would soon find themselves benefited; than by gulping the various ineffective certain remedies of which our newspapers daily abound. This syrup immediately begins to heal the ulcerated lungs, stopping pre-ventive night sweats, mitigating the distressing cough at the same time inducing a healthy and natural expectoration, also relieving the shortness of breath and pain in the chest, which harass the sufferer in the slightest exercise, and finally the hectic flash in the pallid and emaciated cheek will soon begin to vanish, and the sufferer will here perceive himself snatched from a premature grave, into the enjoyment again of comfortable health.

MOFFAT'S LIFE MEDICINE.

THE PHOENIX BITTERS are so called, because they possess the power of restoring the expiring embers of health, to a glowing vigor throughout the constitution, as the Phoenix is said to be restored to life from the ashes of its own dissolution. The Phoenix Bitters are entirely vegetable, composed of roots found only in certain parts of the western country, which will infallibly cure FEVERS AND ACUES of all kinds; will never fail to eradicate entirely all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla, and will immediately cure the determination of BLOOD TO THE HEAD; never fail in the sickness incident to young females; and will be found a certain remedy in all cases of nervous debility and weakness of the most impaired constitutions. As a remedy for Chronic and Inflammatory Rheumatism, the efficacy of the Phoenix Bitters will be demonstrated by the use of a single bottle.

The proprietor rejoices in the opportunity afforded by the universal diffusion of the press, for placing his VEGETABLE LIFE MEDICINES within the knowledge and reach of every individual in the community. Unlike the host of pernicious quackeries, which boast of vegetable ingredients, and Life Pills are purely and SOLELY VEGETABLE, and contain neither Mercury, Antimony, Arsenic, nor any other mineral, in any form whatever.

The following are among the distressing varieties of human diseases, to which the vegetable Life Pills are well known to be infallible:—DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure and healthy bile, instead of the stale and acrid kind,—Flatulency, Palpitation of the Heart, Loss of Appetite, Heartburn and Headache, Restlessness, Ill-temper, Anxiety, Languor and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure. Costiveness, by cleansing the whole length of the intestines with a solvent process, and without violence. Diarrhœa and Cholera, by removing the sharp acrid fluids which give these complaints are occasioned. The Life Medicines have been known to cure Rheumatism permanently in three weeks, and Gout in half that time. Dropsies of all kinds, by freeing and strengthening the kidneys and bladder. A certain remedy for the worst cases of Gravel. Also Worms, by dislodging from the turnings of the bowels the slimy matters to which these creatures adhere; Ashma and Consumption, by relieving the vessels of the lungs from the mucus; Scurvey, Ulcers, and Invertebrate Sores, by the perfect purity of these Life Pills given to the blood, and all the humors; Scorbutic Eruptions and Bad Complexions, by their alterative effect upon the fluids that feed the skin. The use of these Pills for a very short time, will effect an entire cure of Salt Rheum, Erysipelas, and a striking improvement in the clearness of the Skin. Common Colds and Influenza, will always be cured by one dose, or by two, even in the worst cases. Piles,—as a remedy for this most distressing and obstinate malady, the Vegetable Life Pills deserve a distinct and emphatic recommendation. It is well known to hundreds in this city, that the originator of these invaluable Pills was himself afflicted with the complaint for upwards of thirty-five years, and that he tried in vain every remedy prescribed within the compass of the Materia Medica. He however, at length, tried the medicine which he now offers to the public and he was cured in a very short time.

All that Mr. Moffat requires of his patients is to be particular in taking the Life Medicines strictly according to the directions. **ADVICE TO FEMALES.**—Females who value good health should never be without their Life Medicines, as they purify the blood, remove obstructions, and give the skin a beautiful, clear, healthy, and blooming appearance.

TO PARENTS AND OTHERS.—Persons of a plethoric habit, who are subject to fits, headache, giddiness, dimness of sight, or drowsiness, from too great a flow of blood to the head, should take it frequently. Children, and persons of all ages, may take them at any time, as they do not contain mercury, or any ingredient that requires confinement or restriction of diet.

To those who desire Health.

I hereby certify, that I was afflicted for 8 years with a severe nervous disease, attended with constant pain in the breast, side and stomach, loss of appetite, no rest at night, sickness and dizziness in the head, pain in the stomach after eating, and other symptoms which attend indigestion, my bowels were weak and irregular. Having had advice of various physicians during this long period, and used much medicine which only produced temporary relief. In the year 1839 I was often unable to leave my house, and being a poor widow, dependent on my own labor for a living, was obliged to go from house to house to obtain it. I at length gave up all hopes of recovery, and trusted to Him "that created all things." I fortunately was favored with work in Eighth street, when the family, discovering my miserable situation, immediately recommended Dr. HARLICH'S COMPOUND STRENGTHENING PILLS, which they procured for me. I used them, and continued for about three months; during the time my strength rapidly increased, my countenance and pallid cheek returned to their former and natural colors. Since I have fully recovered, and at present enjoy perfect health. I feel it my duty to inform the public at large of the great virtues of Dr. HARLICH'S MEDICINE, that others may procure it, and be likewise cured. I am well known in this city; any person wishing to see me, can call at my residence.

Coughs and Colds.

These very distressing complaints often lead into CONSUMPTION through neglect at the first attack. I would therefore advise those whose cough begins to become troublesome, and the Expectorant scanty, difficult raising of phlegm, &c. that they should immediately apply for a suitable medicine, which is Dr. DUNCAN'S EXPECTORANT, ANT Remedy for Consumption, &c. This medicine I have found in every instance to remove those unpleasant annoyances in a few days. One single bottle will in most cases, prove this assertion. Therefore, you who wish to escape the early seeds of Consumption, avail yourself of this opportunity, and again enjoy the blessings of health.

Hundreds are there who thus express the joyful sentiments of their hearts in favor of such a valuable medicine as Dr. Duncan's Expectorant Remedy, that others may find relief from the same source.

HATHAWAY'S COOKING Hot Air Stoves.

THIS celebrated stove is now manufactured by Arthur B. Long, in Lewistown, Pa., which he will endeavor at all times to keep on hand ready for use, he is making the three following sizes: No. 2, smallest size, receives a stick of wood 2 feet 4 inches long. No. 2 1/2 middle size receives a stick of wood 2 feet 6 inches long. No. 3 largest size receives a stick of wood 2 feet 8 inches long.

This stove No. 3, is calculated for Taverns, Boarding Houses, or other Houses where much cooking is required, and No. 2, and 2 1/2 is calculated for the use of farmers and small families.

There never has yet appeared any system or plan of a cooking stove which has the same advantage that this stove has. Its culinary purpose is not to be equalled—its baking qualities are far superior to any other, as the hot air principle is the continuation of heat in the stove by which a much less quantity of fuel is required to perform a much larger amount of cooking or baking than any other stove that has formerly been used.

All orders addressed to Arthur B. Long, Lewistown, through the Post Office, or at his Foundry will be punctually attended to.
