## READ WHAT IT HAS DONE.

And if you have a friend, relation, or know any one that is afflicted with that distressing disease, "CONSUMPTION," persuade them without delay to try that famous and unrivalled medicine, the "BALSAM OF WILD CHERRY," which has cured thousands of this complaint after every thing else had failed. Read the following undoubted proofs of its efficacy.

Roxborough, Sept. 1841.  
Dear Sir, Please send me two bottles more of your Balsam of Wild Cherry, like that you sent me before. I have taken nearly all of the first two, and confidently believe this medicine will cure me. I have used a great many remedies within the last year, but have never found any thing that has relieved me so much. It has stopped my cough entirely, checked my night sweats, and I sleep better at night and feel better in every way than I have for many months.

Yours, respectfully, JAMES KELLY.  
Holtzburgh, Sept. 12, 1841.  
Friend Wistar, I must again trouble you to send me two bottles more of your valuable Balsam. I have now taken three bottles in all, and can assure that it has done me more good than all the medicine I have ever taken before. Send by the stage as soon as possible, and oblige thy friend,  
JACOB HOLLOWAY.  
Bristol, September 8, 1841.

Dear Doctor,—Hearing so many people talk about the wonderful cures your Balsam of Wild Cherry has made in consumption, I sent to one of your agents the other day for a bottle, and have found it to relieve me so much, that I want three bottles more sent soon, as I believe it will cure me too. I have used a great many balsams of different kinds have tried Jane's Expectorant and other medicines besides, but nothing has done me so much good as yours has. Send by the steamboat Bolivar.  
Yours truly, WM. THOMAS.

Besides its astonishing efficacy, in Consumption, it is also the most effectual remedy ever discovered for Liver Complaints, Asthma, Bronchitis, Coughs, Croup, Whooping Cough, &c. It has cured hundreds of those who have been cured by it after all other remedies had failed.

## HATHAWAY'S COOKING

### Hot Air Stoves.

THIS celebrated stove is now manufactured by Arthur B. Long, in Lewistown, Pa., which he will endeavor at all times to keep on hand ready for use, he is making the three following sizes:

- No. 2, smallest size, requires a stick of wood 2 feet 4 inches long.
- No. 3, 1-2 middle size receives a stick of wood 2 feet 6 inches long.
- No. 4, largest size receives a stick of wood 3 feet 8 inches long.

This stove No. 3, is calculated for Taverns, Boarding Houses, or other Houses where much cooking is required; and No. 2 and 4 is calculated for the use of farmers and small families.

There never has yet appeared any system or plan of a cooking stove which has the same advantage that this stove has. Its culinary purpose is not to be equalled—its baking qualities are far superior to any other, as the hot air principle is the continuation of heat in the stove by which a much less quantity of fuel is required to perform a much larger amount of cooking or baking than any other stove that has formerly been used.

All orders addressed to Arthur B. Long, Lewistown, through the Post Office, or at his Foundry will be punctually attended to.

ARTHUR B. LONG.  
Lewistown, February 1, 1842.

## COUGHS & COLDS

DR. SWAYNE'S Compound Syrup of Prunella of Virginiana or Wild Cherry Syrup is highly beneficial in all pectoral affections; also, in diseases of the chest in which the lungs do not perform their proper office from want of due nervous energy: such as asthmas, pulmonary consumption, recent or chronic coughs, hoarseness, whooping cough, wheezing and difficulty of breathing, croup and spitting of blood, &c. How many sufferers do we daily behold approaching to an untimely grave, wrested in the bloom of youth from their dear relatives and friends, afflicted with that common and destructive ravager, called consumption, which soon wastes the miserable sufferer until they become beyond the power of human skill; if such sufferers only make a trial of Dr. Swayne's invaluable medicine, they would soon find themselves benefited; than by gulping the various ineffective certain remedies of which our newspapers daily abound. This syrup immediately begins to heal the ulcerated lungs, stopping profuse night sweats, mitigating the distressing cough at the same time inducing a healthy and natural expectoration, also relieving the shortness of breath and pain in the chest, which harass the sufferer or the slightest exercise, and finally the hectic flash in the pallid and emaciated cheek will soon begin to vanish, and the sufferer will here perceive himself snatched from a premature grave, into the enjoyment again of comfortable health.

## BRANDRETH'S Vegetable Universal Pills.

COUNTERFEITERS' DEATH BLOW.

The public will please observe, that no Brandreth Pills can be relied upon as the TRUE and GENUINE unless each box has new labels upon it. Remember the fac simile signature of B. Brandreth must be upon the top of the box, upon the side, and also the bottom of the box. By careful examination the name of Benjamin Brandreth will be found on several parts of the new labels, being an exact transfer of the writing of Dr. Brandreth.—This name will be found in the net work.

## COUGHS & COLDS

These very distressing complaints often lead into CONSUMPTION through neglect at the first attack. I would therefore advise those whose cough begins to become troublesome, and the Expectoration scanty, with more or less soreness of the throat, difficult raising of phlegm, &c. that they should immediately apply for a suitable medicine, which is DR. DUNCAN'S EXPECTORANT Remedy for Consumption, &c. This medicine I have found in every instance to remove those unpleasant annoyances in a few days. One single bottle will in most cases, prove this assertion. Therefore, you who wish to escape the early seeds of Consumption, avail yourself of this opportunity, and again enjoy the blessings of health.

JAMES M. BIRCH, Kensington.  
N. B. The above was left at the office by one who experienced the wonderful effects of the above medicine. Hundreds are there who thus express the joyful sentiments of their hearts in favor of such a valuable medicine as Dr. Duncan's Expectorant Remedy, that others may find relief from the same source.

The principle of this Strop is antiseptic—consequently it does not produce the edge of the razor. It consists of four sides of different sharpening properties, viz: No. 1, the Hone—which is of ten times the power of the ordinary Hone, and almost instantly thins a dull edge. No. 2, a powerful sharpening property for removing the wire edge left by the Hone. No. 3, a less powerful composition for gradually reducing the Razor to a fine edge. No. 4 is merely the calf skin, peculiarly prepared by the Manufacturer, and expressly adapted to the purpose of perfecting the edge of the Razor.

Five minutes will be ample time for putting the dullest Razor in perfect order.

Manufactured by L. CHAPMAN,  
102 William St., New-York.  
And sold by the principal Hardware and Fancy goods Importers, at Manufacturer's prices.

## Dr. Jayne's Expectorant.

We consider it a duty to call public attention to this admirable preparation for Pulmonary Diseases—Especially Coughs, Colds, Consumption, Spitting blood, Asthma, Bronchial Affections, Hooping Cough, &c.

It is used and very highly approved by persons of the first respectability, but we feel it will be a better recommendation to state that others may find relief from the same source.

Jan. 19, 1842.—St

DR. JONATHAN GOLD, PRESIDENT OF THE GRANVILLE COLLEGE, Ohio (late of New York), in a letter to Dr. Jayne dated New York, December, 1836, says:—He was laboring under a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using the Expectorant.

"—Mrs. Delks, of Salem, N. J. was afflicted with Asthma of twenty years standing, by using two bottles of this medicine Mrs. Ward, also of Salem, was cured of the same complaint by one bottle.

A young lady, also of Salem, who was believed by her friends to be far gone with consumption was perfectly restored by three bottles.—Dr. Hamilton of St. James, South Carolina, was greatly affected by a cough, hoarseness and soreness of the lungs, and on using a bottle of this medicine found permanent relief.

Mr. Nicholas Harris, sen., one of the Deacons of the First Baptist Church in this city, suffered for many years with Cough, Asthma, and Spitting of Blood, which no remedy before could relieve.

The Rev. C. C. Crosby, writes as follows:  
New York, June 15, 1838.

To Dr. Jayne—Dear Sir,—I have made use of your Expectorant, personally and in my family for the last six years, with great benefit. Indeed I may consider myself prolonged by the use of this valuable medicine, under the blessing of God, for several years.

I may say almost as much in the case of my wife, and also of the Rev. Mr. Tonson, of the Island of Jamaica. For all cases of cough, inflammation of the chest, lungs, and throat, I do most unhesitatingly recommend this as the best medicine I have ever tried. My earnest wish is, that others afflicted as I have been, may experience the same relief, which I am persuaded they will by using your Expectorant.

C. C. P. CROSBY.  
The following Certificate is from a practicing PHYSICIAN and a much respected Clergyman of the Methodist society—dated Modest Town, Va. August 27, 1838.

Dr. JAYNE, Dear Sir:—I have been using your Expectorant extensively in my practice for the last three months, and for all attacks of Colds, Coughs, Inflammation of the Lungs, Consumption, Asthma, Pains and weakness of the Breast, it is decidedly the best medicine I have ever tried.

Very respectfully yours,  
R. W. WILLIAMS.

## Moffat's Life Medicine.

THE PHOENIX BITTERS are so called, because they possess the power of restoring the expiring embers of health, to a glowing vigor throughout the constitution, as the Phoenix is said to be restored to life from the ashes of its own dissolution. The Phoenix Bitters are entirely vegetable, composed of roots found only in certain parts of the western country, which will infallibly cure FEVERS AND AGUES of all kinds; will never fail to eradicate entirely all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla, and will immediately cure the determination of BLOOD TO THE HEAD; never fail in the sickness incident to young females; and will be found a certain remedy in all cases of nervous debility and weakness of the most impaired constitutions. As a remedy for Chronic and Inflammatory Rheumatism, the efficacy of the Phoenix Bitters will be demonstrated by the use of a single bottle.

The Proprietor rejoices in the opportunity afforded by the universal diffusion of the press, for placing his VEGETABLE LIFE MEDICINES within the knowledge and reach of every individual in the community. Unlike the host of pernicious quackeries, which boast of vegetable ingredients, the Life Pills are purely and SOLELY VEGETABLE, and contain neither Mercury, Antimony, Arsenic, nor any other mineral, in any form whatever.

The following are among the distressing varieties of human diseases, to which the vegetable Life Pills are well known to be infallible:

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure and healthy bile, instead of the stale and acid kind.—Flatulency, Palpitation of the Heart, Loss of Appetite, Heartburn and Headache, Restlessness, Irritability, Anxiety, Langour and Melancholy, which are the general symptoms
