HATHAWAY'S COOKING Hot Air Stoves.

THIS celebrated stove is now manufactured by Arthur B. Long, in Lewistown, Pa., which he will endeavor at all times to keep on hand ready for use, he is making the three following sizes:

- No 2, smallest size, receives a stick of wood 2 feet 4 inches long.
- No. 2-1 2 middle size receives a stick of wood 2 feet 6 inches long.
- No. 3 largest size receives a stick of wood 2 feet 8 inches long.

This stove No 3, is calculated for Taverns, Boarding Houses, or other Houses where much cooking is required, and No. 2, and 2½ is calculated for the use of farmers and small families.

There never has yet appeared any system or plan of a cooking stove which has the same advantage that this stove has. Its culinary purpose is not to be equalled—its baking qualities are far superior to any other, as the hot air principle is the continuation of heat in the stove by which a much less quantity of fuel is required to perform a much larger amount of cooking or baking than any other stove that has formerly been used.

All orders addressed to Arthur B. Long, Lewistown, through the Post Office, or at his Foundry will be punctually attended to.

ARTHUR B. LONG,
 Lewistown, February 11, 1842:
 CERTIFICATES

Of Hathaway's Hot Air Cooking Stoves, Manufactured by A. B. Long.

This is to certify, that we are now using Hathaway's Hot Air Cooking Stoves manufactured by A. B. Long, Lewistown, and we do say they are complete in every respect—good for roasting, baking, cooking, &c., all of which can be done at the same time without interfering one with the other. The use of these stoves is also a saving of fuel as well as labor to those who have the management of them.

JAMES CRISWELL,
 MRS. JANE MCCOY,
 MRS. CATHARINE LUSK.
 McVeytown Nov. 24th 1841.

We, the undersigned, having now in use the Hathaway Hot Air Cooking Stove, manufactured by A. B. Long of this place, do certify, that for convenience in baking, broiling, roasting, and in fact for all kinds of cooking, it is complete in every respect. We therefore respectfully recommend said stove to all who desire good cooking; and to those who wish to save female labor, and fuel.

COUGHS & COLDS.

DR. Swayne's Compound Syrup of Prunella of Virginia or wild Cherry. This syrup is highly beneficial in all pectoral affections; also, in diseases of the chest in which the lungs do not perform their proper office from want of due nervous energy: such as asthma, pulmonary consumption, recent or chronic coughs, hoarseness, whooping cough, wheezing and difficulty of breathing, croup and spitting of blood, &c. How many sufferers do we daily behold approaching to an untimely grave, wretched in the bloom of youth from their dear relatives and friends, afflicted with that common and destructive raver, called consumption, which soon becomes the miserably sufferer until they become beyond the power of human skill; it such sufferers would only make a trial of Dr. Swayne's invaluable medicine, they would soon find themselves benefited; than by gulping the various ineffective certain remedies of which our newspapers daily abound. This syrup immediately begins to heal the ulcerated lungs, stopping profuse night sweats, mitigating the distressing cough at the same time inducing a healthy and natural expectoration, also relieving the shortness of breath and pain in the chest, which harass the sufferer (r the slightest exercise, and finally the hectic flash in the pallid and emaciated cheek will soon begin to vanish, and the sufferer will here perceive himself snatched from a premature grave, into the enjoyment again of comfortable health.

The principle of this Strop is anti-elastic—consequently it does not round the edge of the razor. It consists of four sides of different sharpening properties, viz: No. 1, the Hone, which is of ten times the power of the ordinary Hone, and almost instantly thins a dull edge. No. 2, a powerful sharpening property for removing the wire edge left by the Hone. No. 3, a less powerful composition for gradually reducing the Razor to a fine edge. No. 4 is merely the factory, and expressly adapted to the purpose of perfecting the edge of the Razor. Five minutes will be ample time for putting the dullest Razor in perfect order.

Dr. Jayne's Expectorant.

We consider it a duty to call public attention to this admirable preparation for Pulmonary Diseases—Especially Coughs, Colds, Consumption, Spitting blood, Asthma, Bronchial Affections, Hooping Cough, &c. It is used and very highly approved by persons of the first respectability, but we feel confident in saying that a trial of its efficacy will be its best recommendation.

DR. JONATHAN GOING, PRESIDENT OF THE GRANVILLE COLLEGE Ohio (late of New York), in a letter to Dr. Jayne dated New York, December, 1836, says:—

"He was laboring under a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using the Expectorant two bottles of this medicine. Mrs. Ward, also of Salem, N. J. was cured of Asthma of twenty years standing, by using two bottles of this medicine. Mrs. Ward, also of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, who was believed by her friends to be far gone with consumption, was perfectly restored by three bottles.—Dr. Hamilton of St. James, South Carolina, was greatly affected by a cough, hoarseness and soreness of the lungs, and on using a bottle of this medicine found permanent relief.

Mr. Nicholas Harris, sen., one of the Deacons of the First Baptist Church in this city, suffered for sixty years with Cough, Asthma, and Spitting of Blood, which no remedy before could relieve.

The Rev. C. C. P. Crosby, writes as follows:
 New York, June 15, 1838.

To Dr. Jayne:—Dear Sir,—I have made use of your Expectorant, personally and in my family for the last six years, with great benefit. Indeed I may consider my life prolonged by the use of this valuable medicine, under the blessing of God, for several years. I may say almost as much in the case of my wife, and also of the Rev. Mr. Tinson, of the Island of Jamaica. For all cases of cough, inflammation of the chest, lungs, and throat, I do most unhesitatingly recommend this as the best medicine I have ever tried. My earnest experience is, that others afflicted as I have been, may experience the same relief, which I am persuaded they will by using your Expectorant.

C. C. P. CROSBY.
 The following Certificate is from a practicing PHYSICIAN and a much respected Clergyman of the Methodist society—dated Modest Town, Va. August 27, 1838.

DR. JAYNE, Dear Sir:—I have been using your Expectorant extensively in my practice for the last three months, and for all attacks of Colds, Coughs, Inflammation of the Lungs, Consumption, Asthma, Pains and weakness of the Breast, and equal to the best medicine I have ever tried.

Very respectfully yours,
 R. W. WILLIAMS.
 Dr. Jayne's Office is No. 20 South Third street, Philadelphia, where all orders will be promptly attended to.

To those who desire Health.

I hereby certify, that I was afflicted for 8 years with a severe nervous disease, attended with constant pain in the breast, side and stomach, loss of appetite, no rest at night, sickness and dizziness in the head, pain in the stomach after eating, and other symptoms which attend indigestion, my bowels were weak and irregular. Having had advice of various physicians during this long period, and used much medicine, which only produced temporary relief. In the year 1839 I was often unable to leave my house, and being a poor widow, dependent on my own labor for a living, was obliged to go from house to house to obtain it. At length gave up all hopes of recovery, and trusted to Him "that created all things." I fortunately was favored with work in Eighth street, when the family, discovering my miserable situation, immediately recommended Dr. HARRIS'S COMPOUND STRENGTHENING, & GERMAN APERTINE PILLS which they procured for me. I used them, and continued for about three months; during the time my strength rapidly increased my countenance and pallid cheek returned to their former and natural colors. Since I have fully recovered, and at present enjoy perfect health. I feel it my duty to inform the public at large of the great virtues of Dr. HARRIS'S MEDICINE, that others may procure it, and be likewise cured. I am well known in this city; any person wishing to see me, can call at my residence.

Moffat's Life Medicine.

THE PHOENIX BITTERS are so called, because they possess the power of restoring the expiring embers of health, to a glowing vigor throughout the constitution, as the Phoenix is said to be restored to life from the ashes of its own dissolution. The Phoenix Bitters are entirely vegetable, composed of roots found only in certain parts of the western country, which will infallibly cure FEVERS AND ACUES of all kinds; will never fail to eradicate entirely all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla, and will immediately cure the determination of BLOOD TO THE HEAD; never fail in the sickness incident to young females, and will be found a certain remedy in all cases of nervous debility and weakness of the most impaired constitutions. As a remedy for Chronic and Inflammatory Rheumatism, the efficacy of the Phoenix Bitters will be demonstrated by the use of a single bottle.

The proprietor rejoices in the opportunity afforded by the universal diffusion of the press, for placing his VEGETABLE LIFE MEDICINES within the knowledge and reach of every individual in the community. Unlike the host of pernicious quackeries, which boast of vegetable ingredients, the Life Pills are purely and SOLELY VEGETABLE, and contain neither Mercury, Antimony, Arsenic, nor any other mineral, in any form whatever.

The following are among the distressing varieties of human diseases, to which the Vegetable Life Pills are well known to be infallible:

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure and healthy bile, instead of the stale and acrid bile of Flatulency, Palpitation of the Heart, Loss of Appetite, Heart burn and Headache, Restlessness, Impatience, Anxiety, Langour and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure. Costiveness, by cleansing the whole length of the intestines with a solvent process, and without violence. Diarrhaea and Cholera, by removing the sharp acrid fluids by which these complaints are occasioned. The Life Medicines have been known to cure Rheumatism permanently in three weeks, and Gout in half that time. Dropsies of all kinds, by freeing and strengthening the kidneys and bladder. A certain remedy for the worst cases of Gravel. Also Worms, by dislodging from the turnings of the bowels the slimy matters to which these creatures adhere; as Vermin and Consumption, by relieving the vessels of the lungs from the mucus; Scarcure, Ulcers, and Invertebrate Sores, by the perfect purity of these Life Pills given to the blood, and all the humors; by their alterative effect upon the fluids that feed the skin. The use of these Pills for a very short time, will effect an entire cure of Salt Rheum, Erysipelas, and a striking improvement in the complexion of the Skin. Common Colds and Influenza, will always be cured by one dose, or by two, even in the worst cases. Piles, as a remedy for this most distressing and obstinate malady, the Vegetable Life Pills deserve a distinct and emphatic recommendation. It is well known to hundreds in this city, that the originator of these invaluable Pills, was himself afflicted with this complaint for nearly thirty-five years, and that he tried in vain every remedy prescribed within the compass of the Materia Medica. He however, at length, tried the medicine which he now offers to the public, and he was cured in a very short time.

All that Mr. Moffat requires of his patients is to be particular in taking the Life Medicines strictly according to the directions ADVICE TO FEMALES.—Females who value good health should never be without the Life Medicines, as they purify the blood, remove obstructions, and give the skin a beautiful, clear, healthy, and blooming appearance.

TO PARENTS AND OTHERS.—Persons of a plethoric habit, who are subject to fits, headache, giddiness, dimness of sight, or drowsiness, from too great a flow of blood to the head, should take it frequently. Children, and persons of all ages, may take them at any time, as they do not contain mercury, or any ingredient that requires confinement or restriction of diet.

ANOTHER LIFE SAVED.

And if you have a friend, relation, or know any one that is afflicted with that distressing disease, "CONSUMPTION," persuade them without delay to try that famous and unrivalled medicine, the "BALSAM OF WILD CHERRY," which has cured thousands of this complaint after every thing else had failed. Read the following undoubted proofs of its efficacy.

Roxborough, Sept. 1841.
 Dear Sir, Please send me two bottles more of your Balsam of Wild Cherry, like that you sent me before. I have taken nearly all of the first two, and confidently believe this medicine will cure me. I have used a great many remedies within the last year, but have never found any thing that has relieved me so much. It has stopped my cough entirely, checked my night sweats, and I sleep better at night and feel better in every way than I have for many months.

Yours, respectfully,
 JAMES KELLY,
 Holmesburg, Sept. 12, 1841.

Friend Wistar, I must again trouble thee to send me two bottles more of thy invaluable Balsam. I have now taken three bottles in all, and can assure thee that it has done me more good than all the medicine I have ever taken before. Send by the stage as soon as possible, and oblige thy friend,
 JACOB HOLLOWAY.
 Bristol, September 8, 1841.

Dear Doctor,—Hearing so many people talk about the wonderful cures your Balsam of Wild Cherry has made in consumption, I sent to one of your agents the other day for a bottle, and have found it to relieve me so much, that I want three bottles more sent soon. I believe it will cure me too. I have used a great many balsams of different kinds have tried Jane's Expectorant and other medicines besides, but nothing has done me so much good as yours has. Send by the steamboat Bolivar.

Yours truly,
 WM. THOMAS.
 Besides its astonishing efficacy, in Consumption, it is also the most effectual remedy ever discovered for Liver Complaints, Asthma, Bronchitis, Coughs, Croup, Whooping Cough, &c., as hundreds will testify who have been cured by it after all other remedies had failed.

Be very particular to ask for Dr. Wistar's Balsam of Wild Cherry. Sold wholesale and retail by WILLIAMS & CO., Chemists, No. 33 South Fourth street, Philadelphia. Price, \$1 00 a bottle.

BRANDRETH'S Vegetable Universal Pills.

COUNTERFEITERS' DEATH BLOW.

The public will please observe, that no Brandreth Pills can be relied upon as the TRUTH and GENUINE unless each box has new labels upon it. There are three, and each contains a fac simile signature of Dr. Brandreth. These labels are engraved on steel, beautifully designed, and done at the expense of several thousand dollars.

Remember the fac simile signature of B. Brandreth must be upon the top of the box, upon the side, and also the bottom of the box. By careful examination the name of Benjamin Brandreth will be found on several parts of the new labels, being an exact transfer of the writing of Dr. Brandreth. This name will be found in the net work. The Pills are sold at 25 cents per box, by the undermentioned agents.
